

### A Lot Of Hockey Talent Here

A galaxy of potential "stars" and one already star joined forces last week at the annual Richmond Hill Hockey School under the tutelage of Richmond Hill Rams Coach Karl Brimblecombe. Shown left to right (back row) are hockey notables Dave "Digger" Dunkley of the Junior "A" Rams; Daryl Rice, former Ram and now of University of Michigan; Scott Mabley of Washington NHL Capitals; Al Sims, Boston Bruin rookie defense standout; and Mr. Brim-

blecombe. Front row (kneeling) are Charlie Cerre, a hockey coach of many years standing; Bill Stephenson, Rams' defenseman and "Major 'A'" prospect this season; and Gary Carr, former Rams' goalie and now a future NHL prospect with the University of Michigan. All were on hand to assist Brimblecombe and the large turnout of local youngsters at the Richmond Hill Arena.

NHL Boston Bruins hockey defense star Al Sims demonstrates how to snap a wrist shot at the annual Richmond Hill Hockey School held the past few weeks at the local arena. Looking on with something akin to wide-eyed awe are Rich-

mond Hill youngsters Terry Thorsell and Nick Wilson. An average of 70 youngsters a day turned out for the camp which stressed the basics of good hockey and featured well-known local hockey stars.
