The York Regional Symphony Orchestra will be meeting for the first rehearsal of the 1974-5 season, Sept. 8, at Richmond Hill United Church from 7:30-10:30 p.m. This promises to be an exciting year with the new conductor, Clifford Poole of Toronto, who is a member of the Conservatory staff at the University of Toronto, and is also the Director of Music at St. Anne's Church, Toronto. Some of his accomplishments range from writing music for teaching purposes to producing a Gilbert and Sullivan Opera yearly. New members will be welcomed to the Orchestra by its President, Dr. Jim Knowles of Aurora.

Twenty-five students of the Candee Turner Studio of Dance Arts attended the studio's "Camp of the Northern Dancers" this summer. Students from Chicago, Owen Sound and Toronto also enjoyed the camp's new outdoor studio at a beautiful private lake in a wilderness setting, north of Huntsville.

The students were certainly pleased to have Miss Gladys Forrester, a well-known Toronto ballet and Highland teacher, instructing them during the first week of camp. Miss Forrester and two of the camp students left these surroundings to start out for Scotland to compete in an international Highland Dance competition. From reports they have earned several awards and trophies.

The Candee Turner Studio is looking forward to starting Highland classes this fall, with its teacher coming from Miss Forrester's school.

Hiking in Switzerland was a most pleasant highlight for Dr. and Mrs. Robert Painter of Vaughan Road during a recent month's trip to Europe. They report that the hiking trails there are beautifully marked and well kept, that the Swiss railways give excellent service and cable cars lift one effortlessly high into the mountains at the beginning of long walks surrounded by the unforgettable and unsurpassed beauty of the Alps. The Painters had enjoyed this kind of holiday before and found that it loses nothing in repetition.

Ride In Top Style To See Lawrence Welk

The evening of August 19 was an eventful one for George and Violet Paton of 88 Leventale Road when they were picked up by a limousine for a trip to see and hear Lawrence Welk, their favorite entertainer, at the CNE grandstand. They stopped along the way at the Ports of Call for cocktails in the Bali Hai Room and at the Hyatt Regency Hotel. The special features of the outing were a complete surprise for the happy couple, who have lived in Richmond Hill for 20 years, as they were arranged by their family.

Up until five years ago the Patons never missed attending the CNE, but had not been there recently. They report the Welk program was especially enjoyable and the whole entertainment was enhanced by their family's thoughtfulness.

The limousine was chauffeured by Lewis Golblott from Celebrity Limousine, who has chauffeured almost every major star to come to Toronto. Direct access to the CNE grandstand was made possible by David Garrick.
