Despite the miracles of modern medicine, leprosy is still a scourge, even in Canada, and one way in which the Leprosy Mission raises money to assist in treatment and research is through the sale of used postage stamps. The UCW of Richmond Hill United is continuing with the collection of stamps. They should be clipped from the envelope, leaving one-quarter-inch or more around the edges. They may be delivered to the church or to Mrs. Ev Watters, 139 Driscoll Road, who has taken over the job from Mrs. Edith Boynton who ably assumed the responsibility until she moved last summer to Willowdale. Mrs. Watters' telephone number is 884-3604.

The showcase display this month at the Richmond Hill Library is expressive of the great interest shown by so many in the revival of the art of embroidery and related handicrafts. Mrs. J. B. Boyer of Penstock Court in Richmond Hill has loaned a selection of her work for display during the month of September — an outstanding collection of framed sculptured and crewel hooking with a raised three dimensional effect created through the use of tiny strips of fabric other than yarn. One of the outstanding pieces is a wall hanging depicting an old farmhouse, "Glenswood", owned by a member of the Boyer family and exquisitely copied from an original drawing created by Mr. Boyer. The collection will be on view until the end of September, during Library hours.
