Mrs. Florence Ella, Aged 90 Is Honored As Senior Senior

By EVA HAWKINS
Of special interest was the meeting September 16 of the Maple Seniors Club, when Mrs. Florence Ella was honored as the oldest member of the club. She was celebrating her 90th birthday with a weekend party and a huge cake for the afternoon refreshment of the seniors. Mrs. Ella managed to eliminate the candles on the cake singlehanded, and with only one puff, and that after an afternoon of eucure! Congratulations from all her friends.

The October 8 color tour planned for the seniors of Maple, Kleinburg and all other areas of Vaughan is turning out to be a popular trip, and there were still some seats left at the time of writing on the two buses. Call Mrs. Louise Cooper at 832-2408 or one of the club travel reps. This trip, at a cost of \$9.50 including dinner, will include a stop at the Blue Mountain Pottery, with those who have not seen the process of pottery production scheduled for a 10 am tour, and dinner following the tour.

It is hoped that Devil's Glen, the Hockley Valley area and the Forks of the Credit will be included in this trip, although some juggling of times has been necessary due to the popularity of tours at the Pottery.

TRIP TO FAIR
Names are being taken at all three clubs in Vaughan for the opening evening of the Royal Winter Fair, November 15. ANY senior citizen will be most welcome to add their name to the list by calling Mrs. Louise Cooper at 832-2408. Club membership is not required, although club members naturally do have first chance, and non-members compile a standby list until the last week or two before the trip, when the trip is filled from that list.

Some 38 seniors from Vaughan are looking forward to their four day Travelways tour of the beautiful area of color in Algonquin Park, Ottawa, the Laurentians, Montreal, the Adirondacks and Tupper Lake. This tour leaves from Maple and Woodbridge October 1.

Maple Peeewees Eliminate Unionville In League Play

By EVA HAWKINS
While waiting for the winner of St. Mary's-Minesing OASA semi-finals, the Maple Peeewees got back into league play and eliminated Unionville in two straight games, 8-5 and 9-8.

At the local diamond, Maple blew a 5-0 lead in the sixth inning to have Unionville tie it up. The game went into extra innings and in the bottom of the ninth, Maple rallied for three runs. Scott Lawson led off with a single to start the inning. Derek Hoare then singled and both runners advanced on a passed ball. With runners on second and third, a 3-1 count, Ernie Chefers slugged a pitch over the left-fielder's head for a homerun and an 8-5 win.

Kim Weese notched the win for Maple allowing five runs on eight hits, struck out 13, walked four, while his teammates committed five errors on a cold night. Maple gained their runs on eight hits, five walks and three errors. Scott Lawson was two for four, Ernie Chefro two for five with Derek Hoare, Wayne Boudreau, Scott Wilcox and Bob Kuchera each getting a single hit.

AT UNIONVILLE
In the return game Thursday night at Unionville, Maple won a squeaker 9-8. Maple led 4-0 after four innings, only to have Unionville tie in the last of the fourth. Unionville led 7-4 after the fourth, but Maple tied it in the fifth on home runs by Greg Munshaw and Blair Sutherland. A single run in the sixth and seventh built the Maple lead to 9-7 but Unionville scored a single in the seventh to make it a 9-8 win. The final out was a spectacular play with Blair Sutherland trapping the runner off third by locking the bag with his foot.

Kim Weese notched the win, giving up nine hits, one walk, struck out five and Maple had two errors. Maple had nine runs, nine hits, two walks, four Unionville and five Maple strikeouts. Greg Munshaw, Wayne Boudreau and Derek Hoare had two hits each for Maple with single to Blair Sutherland, Scott Wilcox, and Kim Weese. Maple now meets the winner of the Port Perry.

Don Headlines Prepare For Student Council Election

Don Head is a special school in York County. The concept of this school is to encourage the individual to succeed in both shop and academic areas. Because this school serves southern York County, most students arrive by buses and therefore must leave directly after school is finished. To enable our students to have a social experience and to allow them to participate in events outside of the classroom, an activity period is scheduled at the end of each school day.

PHYSICAL EDUCATION ACTIVITIES
By Ralph Jochum
During activity period the students of Don Head are encouraged to participate in our intramural program as well as to practice for the school teams. The philosophy of our physical education program stresses intramurals rather than interschool competition because it is felt that all students should compete rather than a chosen few. In the fall, intramural activities scheduled for the boys are touch football, soccer, cross country and rugby. The girls participate in activities such as volleyball, badminton, cross country and indoor baseball.

For the few students who enjoy the competition with students from other schools in the area, we have two school teams at this time. The cross country team coached by Mr. Tom Taylor consists of the following members:
Midget Girls - Nancy Weatherall, Mandy Lawrence.
Midget Boys - Nick Mitrakos, Gary Porter, Stan Normand, Ray Roberts, Pat McClure, Charles Dalli, Jim Gilbert.
Junior Boys - Bill Clarke, Jamie Kristensen, Steve Veale, John Oosterhof, Van Carter.
Senior Boys - Ralf Jochum.
They compete at Vivian Forest each Wednesday.

Our junior soccer team coached by Mr. Willi Boedefeld consists of the following members: Dave Collins, Richard Dowell, Rob Howard, Derrick Lane, Rob Brouwer, Columbo Malatesta, John Hogg, Peter Antonio, Ron McGibbon, Rick Windsor, Brian Shadwell, Dave Flock, Van Carter, Don Woods, John Candoni, Nick Mitakos, Wayne Silvera.

Our team competes both at Don Head and other secondary schools in our area.

STUDENT COUNCIL
By Carolyn Sheridan
The student council is now getting ready to hold elections for class representatives. To date, 300 student cards have been purchased and it is hoped that even more will be sold. Our head boy transferred to Langstaff, therefore, elections for a new head boy will be forthcoming. The present members of the executive are: Head Girl Carolyn Sheridan, Treasurer Gail Tripp, Secretary Marion Dagenais.

PREFECTS
By Sally Thornhill
Prefects are a group of reliable and mature students who are willing to give up some of their spare time to act as helpers in various capacities. The prefects for 1974-75 are: Debbie Jolicoeur, Nancy Fulton, Sally Thornhill, Karen Doig, Cindy Weatherill, Shirley Webb, Dawn Plummer, Brenda Langley, Kathy Redmore, Debbie King, Shari Self, Kim Bartlett, Shari Fuller, Tenia Buker, Roger Mathewson, John Strudwick, Steve Kamin, Bill Clarke, Mark Dagger, David Mulholland, Wayne Craven, Larry White, John Dodgson.

SENIORS' CLINIC
A smokers' clinic was conducted at Don Head during the week of September 18. John Corban, chaplain at the Branson Hospital in North York, has been conducting clinics for adults for many years. He spoke to the students about the dangers of smoking and reinforced his words with a film about a lung cancer patient. Afterwards, he invited students who wished to stop smoking to join a support group which would meet daily for the remainder of the week.

percent of all Canadians are either overweight or undernourished. This workshop is open to the public and it is hoped that many will take the opportunity to attend.

WON DOOR PRIZE
Door prize for the evening was won by Mrs. Pat Riordon. Lunch was served by the hostess, assisted by Mrs. Ann Aitchison.

Region Defers Decision Woodbine (Don Mills)

A suggestion by Councillor Robert Pollock of Georgina Township that Woodbine Avenue be renamed "Wright of Way", in honor of York Regional Council Chairman Garfield Wright, received little backing at the last meeting of region council.

man was absent from the meeting — saw it all as a fairly simple request. "There are many problems because of the ambiguities and I earnestly seek the support of council," he said. **OPPOSES WOODBINE**
Councillor Pollock, how-

ever, suggested the name be more related to the region. "I think we can do far better than Woodbine", he said. He then suggested "Wright of Way, in honor of our chairman."

Another Markham Councillor, Harry Crisp, one-time clerk of the township, was of a different opinion than Councillor Adams. "If the region wants to consider another name, I see no problem," he said. "It is essentially a change from Don Mills."

Councillor Pollock's suggestion was made facetiously, but the rest of the discussion on changing Don Mills Road in Markham to Woodbine was in a most serious vein. So serious, in fact, the meeting decided to defer the problem to another time.

MARKHAM REQUEST
The change in name was proposed by the engineering committee, of which Markham Mayor Anthony Roman, is chairman. The committee was acting on a resolution from Markham requesting the change, because of the confusion in the area, which saw the northerly extension of Woodbine Avenue become Don Mills Road once it crossed Steeles Avenue. Councillor Robert Adams of Markham — Mayor Ro-

By EVA HAWKINS
The Maple Bantam girls were winners all the way this season. Under the coaching of Agnes Foster and Tom Connolly the team lost only three points. One point was lost due to rain. September 7, with 15 girls present, Maple won over Oak Ridges by a score of 17 to 3.

Donna Roberts, the pitcher, who never missed a game, scored three of the runs. Susan Gippis, Karen Nelson, Sandy Van Luyk, Marguerite Dowell and Dawn Connolly each scored two runs. Other members of the team were, Debbie Hasselst, Libby Young, Jackie Lines, Bev. Geddes, Norma Birkett, Lisa Hudson, Linda Kuntz, Cathy Michasou, Cathy Birkett, Leslie Ella, Elaine Cooper, Kim Ferrelly, Karen Nelson, captain of the team, was presented with the trophy. Dear Neighbour:

It is now one year since we, the Park Manor Motors People, discontinued operations at our former Yonge and Lawrence location, where we had been serving a large group of satisfied customers for 15 years, in order to move to the growth area of Richmond Hill.

This letter is to say thank you for the way that we have been received by the Community. However, we were confident of success as we brought with us people like Jack Irwin and Moe Halstead who are Service and Parts Managers respectively and operated award winning departments for over 15 years at Park Manor Ford.

Please drop in and say hello on either Thursday, Friday or Saturday, September 26, 27 and 28 for our Preview showing of our great new line-up of 1975 Lincoln and Mercury Products and take particular note of the all new - Monarch - an intermediate sized car that is built in North America along the classic clean lines of a classy European sedan. Also on display during our Preview will be our recently enlarged stock of fine Used Cars.

We thank you for a great 1974 Model Year and a friendly welcome to the area and we look forward to 1975 with eagerness.

Sincerely,
R. A. Ranney
