

MR. AND MRS. MICHAEL VALIQUETTE

### Thornhill Bride

Blessed Trinity Church in Willowdale was the scene of the marriage between Margaret Pickthall of Thornhill and Michael Valiquette of Sturgeon Falls September 14.

Margaret, daughter of Joy and Roy Pickthall of Thornhill, chose a simple renaissance style gown of white jersey, seed pearl trimmed at cuffs and collar with a matching close-fitting cap from which fell a sheer lace-bound veil. She carried bitter-sweet roses and white carnations.

Diane Kelly was Matron of honor to her sister, in a soft gold jersey gown. Susan Bright and Eleanor Leggat, bridesmaids, were dressed alike in rich autumn rust.

All three attendants carried yellow and rust chrysanthemums accented with bitter-sweet roses.

Michael, son of Violet and John Valiquette of Sturgeon Falls, and his attendants, were in brown tuxedo suits. Jerry Valiquette was best man for his younger brother and Peter Barrons and John Banks were ushers.

Mrs. Roy Pickthall, mother of the bride, wore a mint green crepe shirtwaister dress accented with diamond buttons.

Mrs. John Valiquette chose a classic gown in a deeper shade of green.

The reception was held at the Don Valley Holiday Inn. Mr. and Mrs. Michael Valiquette holidayed in the Bahamas.

#### Neighborhood Notes

Do we live in a democracy? Yes? No? Undecided would be a better answer. A democracy in the etymological (original meaning) sense would be a popular government ruled by the people.

Well, then, is it the people who want high taxes? No, of course not. But this may be a federal matter and I have no intention of discussing our lack of democracy in the federal government, at least not today.

Today's intention effects Bayview Fairways directly. It is called representation by population. It is another way of spelling democracy.

I refer to Councillors Gary Kay and Roy Muldrew and Regional Councillor Robert Adams. Again they have been defeated in their fight to give us, the people of Thornhill, a municipal government represented by population.

I do not intend to go into the detail, for I would only be repeating what was written in "The Liberal". I do want to wish Gary, Roy and Bob good luck in the fall elections. As for the six people who voted against the ideal of democracy, well, you can imagine how I feel.

### To Head Bankers' Broadcast Services

DAVID ROGERS

On the brighter side, if you happen to wake up in the middle of the night and happen to see a pale blue car driving in the Bayview Fairways, there is no need to be alarmed. The car probably belongs to Jeff Werek, Jeff has a new addition in his family. Jeff is proud to announce the acquisition of a 2,300 pound Vega. Both car and driver are getting along very well.

BRADFORD: John Zima obtained a Township of West Gwillimbury building permit from the office of Building Inspector Bert Magloughlin September 11. Magloughlin posted a stop work order on the Simcoe Road building site September 16. Workmen continued block-laying in the face of the stop work order. Zima believes his building permit was and is valid and Magloughlin believes he has revoked it. A decision will probably come through court action. Zima is a Bradford councillor.

### Blue And Gold Week Celebrated At Langstaff Secondary

This past week at Langstaff has been an exciting one, featuring Blue and Gold Week. This is an annual tradition at Langstaff in which we welcome the new students, especially our grade nines. The excitement began on Tuesday when Fifties Day was held. The students were encouraged to dress up in the clothes of the 50's - bobby socks, saddle shoes, slicked up, greased back hair, pony tails, drain-pipes - this provided quite a spectacle around the school.

Wednesday was just the opposite, it was Dress-Up Day where the guys wore suits and ties, the girls were in dresses and skirts. Even long dresses were worn. Also on Wednesday was a Meet the 13's Contest in which each grade 9 student was given a list of all the grade 13's and proceeded to have this sheet signed by them. Kim Dowell was the winner with the most signatures, runners-up were Marie-Lise Souche and Cheryl Spires.

#### ROLE SWITCH DAY

On Thursday the teachers traded positions with some 13 students for the day, each taking on the other responsibilities. Dave Saunders was an excellent principal for the day and the rest seemed quite natural in their teacher positions.

So as Blue and Gold Week arrived Friday, the grade 9's gathered in the gym where they received their House T-Shirts. Whereupon, clothed in their new T-shirts they proceeded (as part of their initiation) to march the halls singing Langstaff's school song or rather screeching our school song!

As our traditional week came to a close or? an end, a big Sock Hop was planned, and due to shortened periods it started at 2:15 in the gym and ran till the buses came.

#### SPORTS RESULTS

In the soccer world Langstaff defeated Don Head with a score of 8-0. We'll have to keep an eye on our soccer teams as they look most promising and will probably go far this season with their coach Mr. Frame.

Another good team is our girls' field hockey team, coached by Ms. S. Manning. Last week our Field Hockey team played two no-score games: one on Tuesday against Thornlea and another on Thursday against Thornhill, all teams played well.

#### TENNIS CHAMPIONSHIP

The tennis team was entered in the York County Tennis Championship held Tuesday of last week at Crosby Courts and Town Courts in Richmond Hill, and did quite well. Lee and Lynn Myers won their division of senior girls doubles over Thornhill with a score of 6-0. The junior mixed doubles team of Alfred Bonigut and Pat Lewis made it into the finals where they were defeated 6-3 by Markham.

All other members of the team played well against tough competition: Jenny Lines and Mark Sones in senior mixed doubles, Claudio Terzigni and Geoff Shaw in the junior boys doubles, Bob Tobin and Steve Jones in the senior boys' doubles, Wayne Tobin in senior boys' singles, Joe Saunders in junior boys' singles and Carol Bickerstaff in senior girls' singles. Many thanks to our coach Mrs. Stratton.
