

Police blotter - - - 2 heart attack deaths, Vaughan chase, Concord burglar

A massive heart attack was the verdict of a post mortem performed on Emile Fontaine, 58, of Dalton Road, Jackson's Point, who was found unconscious in his car October 6 on Don Mills Road north, shortly after it had gone out of control and spun off the highway.

York Regional Police said Fontaine was proceeding north on Don Mills when his car left the road and travelled onto the east shoulder, striking a small tree. It then caromed off that into another tree, finally coming to a stop against a parked truck.

He was found by police patrolling the road about 7:05 am and pronounced dead an hour later.

PLAYER DIES
In Markham, a heart attack also took the life of Douglas Chambers, 39, of Fred Varley Drive, Unionville.

Chambers was playing ball at the Unionville Ball Park October 2 about 10:25 pm when he collapsed. He was taken to Scarborough Centenary Hospital where he was pronounced dead on arrival.

MAPLE ARREST
An early-evening chase from Keele Street in Maple to Weston Road, ended with the arrest of a Maple resident October 2.

Police said Constable John Hope was operating the radar unit on Keele Street when a car committed a violation, but failed

to stop. Constable Hope then followed the car for six miles, during which time the driver went through three stop signs, forced a car off the road and caused two others to take evasive action. He also drove some distance without lights.

He was finally stopped at Weston Road, north of Major Mackenzie Drive. Facing a dangerous driving charge is David Perrin, 23, of Langstaff Road.

CONCORD BURGLARY
A high-powered burglary, in which the burglars seemed to have everything well worked out beforehand, resulted in the theft of between \$1,800 and \$2,000 from Villa Nova

Restaurant, Highway 7, Concord, October 6. Police said the break-in was carried out between 2 am and 9 am, with the burglars first climbing to the roof of the building. Once there, they turned off the power in the exhaust fan and then cut a hole in the ventilating shaft to gain entry.

Police said they seemed to know exactly where the cash was. They also took a quantity of liquor and cigarettes and left the same way they had come in.

BIG THEFT CATCH
A man, who checked with police to see why his car was impounded, has been charged with breaking, entering and theft. Police said a man had

been seen around a storage shed at the Ministry of Transportation and Communications, Highway 50 in Woodbridge, October 1, about 2:30 am.

He disappeared, but police discovered his car nearby and a large quantity of goods 25 feet away from it.

Both the goods and the car were taken to police headquarters, and about 10:30 am, a man came to check on the car. He was arrested and a subsequent search of his home resulted in the discovery of \$1,000 in stolen goods.

Charged was Philip Walker, 26, of Fergus, Ontario.

THEFT SCHEME
A Don Mills man has been arrested in connection with a joint theft scheme carried out at Robert Simpson Company in Hillcrest Mall.

Police said a man bought an electric blanket costing \$29.95, September 6, but only paid the cashier, who was a friend of his \$1.99.

He then walked out of the store with the blanket in a bag. Following an investigation by police, Stephen Duffy, 22, of Valley Woods Road, Don Mills, was arrested at his place of employment. He faces a charge of theft under \$200.

CLOTHING THEFT
Also in the mall, Peter Toomey, 25, of 161 Oxford Street, Richmond Hill, faces

a similar charge following an incident at Fairweather's Clothing Store. Police said a man walked out of the store with a coat over his arm, October 5. However, he was subsequently grabbed outside the store by two employees and held for police.

DISTURBANCE
Another Richmond Hill man faces a charge of causing a disturbance, as a result of an altercation in Richmond Heights Plaza, October 1, about 9:40 pm.

Police said the man entered the Mr. Donut shop and shouted obscenities at the waitress. He was forcibly removed by his friends, but he then kicked in the front window of Hobbique Store in the plaza.

Arrested was Richard Briscoe, 24, of 362 South Taylor Mills Drive.

ANIMAL CRUELTY
James Crocker, 35, of Riveredge Drive, Keswick, faces a charge of cruelty to animals, following the death of a small puppy, October 6.

Police said they were summoned to the Crocker home after a man was seen swinging a puppy by his tail against the fender of a car. The puppy was found dead in a basket later at the home.

OTHER CRIME
Other area occurrences: A break-in at the home of Jack Starr, RR 2, Gormley, October 1, resulted in the theft of more than \$3,000 in cash, plus two pocket watches, two billfolds and a quantity of liquor; Antino Morassut, Dufferin Street, Concord, lost \$1,500 in jewelry in a break-in at his home, October 5 or 6; Constable Ray Bunce, York Regional Police, had the badge stolen from his cap while it was sitting in a room reserved for police personnel at Provincial Court, 550 Markham Road, September 30; Robert Salma, 125 Weldrick Road, had his \$212 Polaroid camera taken from his car by someone, who broke into the vehicle while it was parked at Hillcrest Mall; taken from Parkway Motel, Highway 7 and Leslie Street, October 6, were 11 spreading Juniper trees valued at \$300.

Figure skaters start Monday

Classes for the newly formed Thornhill Figure Skating Club will get underway October 14 in the new Thornhill Community and Recreation Centre. Six skating professionals have already been hired and the club is thinking of adding a seventh because of the success of its membership drive, with more than 400 members to date.

The club has received a \$1,500 grant from Markham Town Council and will use it to buy supplies, skating manuals, crests, badges and some equipment.

Most of the skaters will be aged from 8 to 15 and the fees vary from \$35 for preschool children to \$65 for seniors.

STOUFFVILLE: Council has taken the first step towards going into the garbage-disposal business. They decided to acquire a land fill site to be owned and operated by the municipality.
