

# They are the champions!

**SOCCKER.....MINOR**  
Two Richmond Hill Minor Soccer town representative teams came up smiling last week as they brought home the big silverware in North York competitions.  
And just to make it nice and neat:  
It was a girl-boy situation. The Park's Electric peewee girls capped a winning season by blanking Don Mills 1-0 to take the league championship in dramatic fashion. The girls finished first in their 11 games for a 14-point bulge over the nearest opponent.  
Following suit were the Richmond Hill Travelways atom boys who edged Armourdale 2-1 in another 'actioner' to win all the baubles. They also finished atop their league this season with an undefeated record, carving out 13 wins and a tie.

girls soccer this year," he said.  
Trotman also had high praise for the coaches of the other squads participating in girl soccer this year. Namely, Helen Pennyfather of the Lazenby Lassies' Mosquitoes, and Barbara Onistchenko of BAIF Bantams.  
**BOYS DO IT TOO**  
Back to the boys.  
Much the same story as Eddie Main and Jimmy

Gourlay came through with two fine goals to edge a fighting Armourdale squad who gave it their best shot.  
Also contributing to the game win, as well as pushing during the season, were top scorers Kenny Jensen and Neil Smith. Ken squeaked by Neil with one more goal.  
Stated Coach George Barr:  
"Just say I'm delighted with the team's display this

season. Everyone on the squad has come up with an almost perfect performance game in, and game out, as is obvious by the fact we didn't lose a game all season."  
Convener Trotman was in the front row again to add his plaudits, citing the three ingredients Coach Barr's team had going for it... tremendous support from the parents, player enthusiasm and first-rate coaching.

"To all players on the Travelways team, congratulations. You did a great job. The 'Ironbarr' really struck this year. Didn't it?"  
**CONGRATS**  
Convener Trotman added, "The other town representative teams also gave their all in cup competition this year. Maybe we can single out Coach Art Gossman's Dynes Jeweller Squirts who went down 1-0 in

the semi-finals after a tremendous effort in the cup race".  
Trotman again offered special comments for the members of the various teams and their coaches: Art Gossman, Dynes Jeweller Squirts; George Barr, Travelways Atoms; Gino Del Gross, Radio CFGM Mosquitoes; Mike Kirk, Baif Peewees; Tom Kernohan, Scholastic Tab Publication Bantams.

Here's some hot and heavy action between members of Richmond Hill Minor Soccer Association house league teams as the big wind-up was held Saturday afternoon at Pearson Park. Over 500 participated in the various playoff games as the weather co-

operated and the sun shone brightly over the proceedings. A large turn-out of parents helped make the competition even more exciting with winners galore.

**MARIE SCORES**  
Back to the girls:  
It took the sharp-shooting of centre forward Marie Flood to do the job as she capitalized on one of the only two chances afforded to her in the tightly defensive contest.

She scored on a quick break firing the ball into the net before the opposing goalie could make a move.  
The Richmond Hill team proceeded to go into a defensive shell after this one with the final 10 minutes finding the Don Mills offensive blunted at almost every move.  
Especially elated over the win was League Convener Les Trotman who paid special tribute to the team's coach, Sam Morelli.  
"Coach Morelli should be congratulated for the way he moulded this team in a well-conditioned cohesive unit and for his unswerving dedication to both boys and

## Maple peewees lose first game

Maple Peewees ran into a stone wall Sunday afternoon as they dropped an 8-3 game to Minesing in their opening match in the Ontario softball finals at Minesing.  
Losing pitcher was Kim Weese who gave up eight runs on nine hits while walking two and striking out one. His cause was severely damaged by his teammates who committed seven errors behind him.  
Maple's three runs came off six hits, five walks. Eight of their batters went down swinging. Minesing played errorless ball.

Derek Hoare led the Maples at the plate with two for three while single hits went to Greg Munshaw, Ernie Chetero, Blair Sutherland, and Scott Wilcox.  
Minesing started things with a single run in the first and add three more in the second. They scored a single and three in the sixth to make it 8-0 before Maple got on the scoreboard with three runs in the top of the seventh.  
The second game will be played Saturday at 2 pm at the Maple diamond with a third game, if required, Monday afternoon at 2 pm.

## Hey, kick that ball

The weatherman smiled on the Richmond Hill Minor Soccer league's final wind-up for the season Saturday with winning teams being declared all over the turf at Pearson Park.  
A house league soccer official commented that it "was a great finale to one of our best seasons with all the boys playing extremely well in all divisions."  
"The losing teams are to be congratulated on their excellent performances throughout the afternoon. The tight scoring indicated that the games could have gone either way."  
Participating in the gala finale and making presentations to the winning teams were Mayor William Lazenby, Councillor Lois Hancey, Richmond Hill Fire Chief Bob Kennedy, York Regional Deputy Police
