There has been a request for volunteers to canvas for the United Way, formerly the United Appeal. This is a splendid chance to get out and meet your neighbors. You will be assigned approximately one block in the Bayview-Fairways area. Therefore you will need to go out once for an hour or two. Those interested in the canvassing can contact

Mary Ann Pople at 889-7921. Let me add that the United Way helps people in Toronto and nearby area. Children through to the elderly receive its benefits.

Some parents have asked me to ask car drivers to slow down near the school on Bayview Fairways, especially the five o'clock crowd. (That lets me out. I speed home at 4 o'clock). Let me remind you that there still may be children playing at the school at 5 pm. The speed limit is 25 mph, which I admit is too slow for me. Nevertheless please be careful, especially when passing parked cars.

A meeting of the interested residents of Thornhill area who signed the proposal for the formation of the Society for the Preservation of Historic Thornhill has been called for October 22.

Since the councils of both Vaughan and Markham have now endorsed the proposal and assured their support of its aims the "ad hoc" working party will report on the present status and the preliminary steps which have been taken to set up the society.

At a recent meeting of the working party an interim executive was proposed: President Brigadier-General Graeme Gibson, Vicepresident Mrs. Frances Walker, Secretary Mrs. Margaret Cordingly Treasurer Doctor W.O. Moore Ede, Membership Chairman W.A. (Bill) Trow. This body would be a temporary one until such time as adequate membership to hold a regular general meeting, is secured.

It is hoped arrangements can be made for a representative of the Ministry of Transportation and Communications to brief the meeting informally on the proposed plans for the widening of Yonge Street in the Thornhill area.

The meeting on October 22

will be held at the St.

Although invitations to attend have only been extended to those residents who have signed the proposal, it is understood any other interested citizens who may wish to join the society, will be welcome.
