

Super Warehouse Sale.

"People know a real sale when they see one. Our big deliveries prove it."

"We've had a terrific year. We've been making more grocery shipments for Dominion than ever before. Which means the number of customers that shop at Dominion is growing all the time. That's why Dominion is having another Super Warehouse Sale. With specials that are carefully selected to prove to you just how much Dominion really discounts its prices. One reason Dominion can do so is because we've got the largest single grocery retail distribution centre in Canada. Our Ontario warehouse, for example, is bigger than 36 football fields. And in one day, we can ship more groceries than any other chain. So come in and check our Super Warehouse Sale prices right away. You'll be convinced."
