Actually, it's not mine so you don't have to worry about following it. If it tastes eech, blame it on the Ministry of Natural Resources. That's where I got it from.

Firstly, get the pheasant. Add 1/4 lb. bacon, 1/4 lb. mushrooms; 1 glass red wine (mmmmh); 1 large onion; 1 clove garlic; 1 1/2 cups stock; 1 stalk of celery; 1/4 tsp. thyme; 1 tbsp. parsley; peel from 1/2 lemon (grated); salt, pepper; pinch nutmeg (optional).

## Tennis for King

By Donna Matthews  
Mayor Margaret Britnell of King Township is guest speaker at the regular morning meeting of the Good Morning Group October 23. She explained a few facts about the township such as its area which is 131 square miles, and some 80,000-plus acres.

The mayor had just received the township financial statement on Monday evening and had not yet completely reviewed it, but feels that the township is in a sound financial condition considering the size of the budget. King Township has approximately 13,500 population. This year there is a general revenue surplus of \$153,000 which carries over into next year. King Township has never operated at a deficit and never will as far as Margaret Britnell is concerned, she said.

No tax rise  
Approximately \$50,000 a year is spent on unbudgeted and sometimes emergency projects. \$100,000 goes back in to apply against the 1974 budget and will be needed. Mrs. Britnell predicts no rise in taxes for the next two years with council's care. Council is only responsible for 22 percent of the total tax bill. By far the largest chunk is taken by the education tax over which council has no

jurisdiction. Council is only required to levy the tax, she said.

Taxes were reduced last year and Mayor Britnell was disappointed at how few people noticed.

Cost of regional government has tripled compared to the old county government.

In speaking about recreation, we learned tennis courts are planned for Nobleton, Schomberg and King City. Work should start this week in Nobleton and King, and will be completed in the spring. No land has yet been acquired in Schomberg. These courts will be under the jurisdiction of the recreation committee, not the community centre board.

King Township is second to none in the world in concerning cattle. It is a myth that industry will lower taxes. In King, horse, dairy and beef farms are an industry. Charles Henshaw recently sold a bull in the USA for a top price of \$100,000.

Only 7 percent of Ontario is arable and it is important to retain King's agricultural land, the mayor stated. The large estate farms and estate residences, of which there are many in the township, are taxed accordingly and more than pay their share.

## Travelways Bantam AA win two, tie one

Oak Ridges scored to make it 2-1. Nigro put it in by himself then took it from Alan Clark. Two minutes later Peter Halliday got a goal. Nigro gave it to Wood and Danny Girard ended the period. Leger getting the assist. Tom Peden opened the third period, with Wood assisting. Blair Lewis gave it to Greg Walton half a minute after Wood got his hat trick. Nigro scored again before Jamie Groppe ended it all, taking it from Nigro. The final score was 13-1.

Travelways opener  
Travelways Bantam "AA" opened their league play October 26 with a game against Thornhill. Dino Capotosto played a good game in the net for the Hill. Nigro from Jamie Groppe scored in the first period. Thornhill tied the game in the second period, Jim Bell getting the goal. Dave Eason and Jim Ferguson got the assists. The game ended in a 1-1 tie.

Dunlop Arena in Barrie was the scene for the

Bantam "AA" team's efforts October 28. Steve Shadoff played a good game for Travelways, stunning the opposition with some great saves. Nigro started the scoring, taking it from Halliday. A few seconds later Wood and Tom Peden gave it to Stan Norman. Nigro and Clark went for the next one and with 42 seconds left in the first period, Peden and Norman let Wood put it in.

In the second period Clark got one by himself, Jim Miles scored for Barrie with Graham Giffen getting the assist. Halliday ended the period, Nigro assisting. Barrie got two goals within one minute, Paul Tamblin and Murray Hadley put them in the net, Hadley helping on Tamblin's goal. Three goals were scored in the last minute of the game, Nigro getting two for Richmond Hill, Halliday assisting on one. Barrie got the last goal, John Cox putting it past Shadoff with help from Tamblin. The final score was 8-4.

Correction  
It was reported last week that in the game against Chinguacousy October 12, Richmond Hill's Travelways Bantams pulled the team off the ice during the third period. It should have read that Bramalea pulled its team off when a butt-ending penalty was given to one of its players.

## Hillcrest juves whip Sharon 6-0

By Mary Watts  
It was a fine start to the OMHA season when Richvale's Hillcrest Mall Juveniles came up with a 6-0 win against Sharon. Dave Hartwick led the way with his hat trick — one goal in the second and two goals in the third. A very alert Mario dePiero in the goal earned the shutout.

Peter Fraser tipped in a shot from Chris de Meo to open the scoring in the second period. Ken Ablett and Hartwick rounded out the period with both assists coming from Bob Mills.

Mills netted the fourth goal assisted by Ablett, the remaining pair left to Hartwick with help from Mills and Fraser Bailey.

In the first exhibition game of the season played at Richmond Hill, October 2, Richvale outskated Richmond Hill all night, but came out on the short end of the score, losing 4-1.

Ziggy Pflug got the lone goal assisted by Robert Sternatz and Peter Fraser.

Playing Unionville at home October 6, Richvale opened the scoring with a goal by Steve Wilson aided by Mark Boswell.

Playing Unionville at home October 6, Richvale opened the scoring with a

goal by Wilson assisted by Boswell. Unionville tied it up until Hartwick, assisted by Baillie, put Richvale in the lead again.

In the second period, Bruce Bailey was the big gun with a goal and two assists. Hartwick scored again. A goal from Fraser, Greg Payne and assists from Fraser and Robert Sternatz, with Unionville putting in one, ended the period 5-2.

Ten penalties were drawn in the third period, Richvale getting six, but managing to hold on for a 6-4 win as Bailey scored again assisted by both Baillie and Johnson.

At Barrie, October 19, Richvale's scoring opened with a goal by Mark Boswell assisted by Greg Payne, followed shortly by one from Peter Fraser, assisted by Ziggy Pflug.

Richvale did not score throughout the second period, leaving Barrie to tie the score 2-2. In the last period Bob Mills assisted by Chris Amodeo and Ken Ablett put Richvale ahead 3-2. It looked like a sure win, until double penalties for Chuck Lloyd and Mills left Richvale two men short and Barrie seized the opportunity to make the final score a tie.

Barrie played Richvale at the old arena in Richmond Hill October 20 and beat them 4-0. The locals lacked the zip they had in the previous night's game and missed several good chances to score.

## Dow building agreement put forward

A site plan agreement for a second building on the Dow Chemical property north of Elgin Mills Road, east of the CNR, was recommended to council for approval by Richmond Hill Council's Planning Committee Wednesday of last week.

The 20,000 square foot building will be used to produce film for packaging on large rolls. The product will be shipped partially by rail and partially by truck, a spokesman for the company said.

Planning Director Hessian Rimon said the entrance road to the second building will be directly opposite Newkirk Road. There should be no problem if, in the future, it is desired to build a grade separation at that location.

Protect residents  
Councillor Jack Major stressed the importance of incandescent lights in the parking lot for the protection of residents.

The spokesman said his company hoped to get started on the foundation for the precast building this fall with a completion date of August 1975. He also noted provision is made to add two additions to the building when necessary.

The Dow Chemical building now under construction will be used for the manufacture of pharmaceuticals and will be a high security operation.

GLENN PATTEN  
First in 100 Metres Fly Event

## Flying start Legion midgets

The Richmond Hill Legion Midgets are off to a zooming start in the six-team York Simcoe league with a 4-1 win over Aurora Sunday coupled with an opening game 8-3 subduing of Newmarket Redmen Thursday of last week.

"We've got a well-balanced, veteran club with a happy combination of good goalcorers, fast skaters, and a solid defence from the goal out."

Speaker was Coach Sil Stefan embarking on his freshman season with the Legion boys after coaching the now defunct Oak Ridges Kings of the Metro Junior "B" loop.

"We've been helped by the return of Mike Gallagher from the Richmond Hill Major A Rams. I've got Mike playing centre between Mike Ham and Robbie Dynes and they're doing great."

Going great  
The whole club was going great Sunday at Richmond Hill Arena against an Aurora club which was fresh from a 3-2 win over the highly touted Barrie Triple "A" team.

It was 3-0 for Richmond Hill after the first period but it didn't come easy as both clubs were flying from end to end.

The opening score wasn't until the 12:35 mark when Mike Ham broke through on a setup by Mr. Gallagher and Marc Brillinger.

This got Richmond Hill's marksmen going and this time it was Gallagher booming a beautiful point shot through a network of legs 20 seconds after the opening score. The score was set up on a three-way passing play originating with Ham and Randy Martin.

It was 3-0 less than two minutes later with Rob Wallingford doing the honors from Brillinger.

Aurora scored the only goal in the second period but the Richmond Hill crew got that one back in the final 20 minutes courtesy of Danny Jones from Wallingford and Dynes.

Mike Doyle outstanding  
Mike Doyle played an outstanding game in the nets for the winners.

Richmond Hill was flying in their opener against Newmarket as they jumped into a 5-0 lead at the end of the first period and were never in real difficulty.

First period goals were by Dynes from Ham and Gallagher; Ham from

Richmond Hill Aquatic Club competitor Glenn Patten came up with a first over the weekend in the 100 metres fly in a 12 club meet hosted by Scarboro swim club.

The same Patten also finished third in the 200 metres free style.

Another Richmond Hill competitor, Bonnie Branch, came second in the girls 100 metre fly and sixth in the 200 freestyle.

Steve Davey came third in the 200 metres breaststroke while his sister Penny came fourth in the 100 metres

breaststroke for girls 10 and under. The event was so close that Penny shared equal time with the third place swimmer. Heather Fleming came fifth in the same event. Gary Gentry came fourth in the 100 metres fly.

Coach Happy  
Coach Dan Sherry, himself a former Olympic swimmer, said every Richmond Hill competitor had bettered his or her time by "quite a substantial margin. This is a good sign at the beginning of a new season."

Sherry stressed that swimmers were competing from as far north as North Bay which "is a definite indication that the meet attracted swimmers from a wide area."

In a second meet at Thornlea, hosted by Markham Aquatic Club, Neil Miller won the 200 metres individual medley, the 200 metres backstroke, and the 200 metres freestyle for "A" swimmers.

Richmond Hill swimmers dominated all freestyle events. Steve Davey won the 200 metres event for "B" swimmers; Yolanda Stellinga for the "C" swimmers and Karen Branch for the "D" swimmers.

Wayne Harris also came up with an outstanding game.

The team's management, Coach Bob Moulton, Manager Harold Todd, and Assistant Coach Ed Kay, were pleased with the team's effort despite the loss.

Steve Davey also came first in the 200 metres for "A" swimmers after an exciting race when he won by a touch from Ian Torrance of Scarboro Swim Club. Other Richmond Hill swimmers placing in the first three were Gary Gentry, Debbie Stellinga and Glenn Patten who came third in the gruelling 1500 freestyle event.

## Poor Pill-roller

The Richmond Hill Lazebny Pill-Rollers opened their 1974-75 Wednesday of last week and it was all bad from there on in.

They lost to Barrie 7-1. Derrick Baker scored the only goal for Richmond Hill unassisted midway through the second period on a neat effort. He knocked the puck away from an onrushing Barrie player, split the defence for a breakaway and fired the puck into the corner of the net.

Wayne Harris also came up with an outstanding game.

The team's management, Coach Bob Moulton, Manager Harold Todd, and Assistant Coach Ed Kay, were pleased with the team's effort despite the loss.
