## Real estate board holds civic night

Charlie Farquharson, Canadian historian and geographer (?), alias Don Herron was the guest speaker at the York Region Real Estate Board's annual civic night October 9. The evening, held at the Aurora Highland Golf Club, was a brilliant success with 200 members and guests, including the area's mayors, present. It was evident Charlie had done his homework on local political issues and personalities as he

poked good-natured fun at the mayors. In the above picture are (left to right) Gino Matrondola, Titanus Inc., Realtor, second vice-president of the board and chairman of the evening; President Brian Magee of the Canadian Real Estate Association, of A. E. LePage; Donald Deacon MLA, York Centre; Donald Young, A. E. LePage, 1st vice-president and "Charlie".

## Markham to study housing action only

Markham Town Council last week agreed to seek financing from the Ministry of Housing for "certain studies" to see how the Ontario Housing Action Program will affect the town on an over-all basis.

Under the program, the Ministry said it hoped the regional municipalities would become the "senior responsible housing authority of their area of jurisdiction."

"Should both regional and local municipalities not wish to assume this responsibility and should the area be designated as suitable for accelerated housing programs, the Ministry is prepared to assume complete responsibility for the program without any consultation with the municipalities concerned," the report said.

Big stick fear At that time, Councillor Bob Adams, who is head of Markham's planning committee, said he was concerned about the government's action in that respect, terming the

statement a "sad state of affairs". The government was saying, in effect that, if the municipalities didn't respond, it would go ahead regardless.

Speaking to the matter last week, Mr. Adams said the town shouldn't take people faster than it could absorb them.

Square Ward 6 Councillor Ron Moran said there was a need for lower price housing for people in the \$11,000 to \$14,000, and \$14,000 to \$20,000 wage brackets.

## CALENDAR OF KING EVENTS

For easy reference, cut this handy calendar of events out along the dotted lines and pin it to your kitchen bulletin board.

## Don Headlines

Head Girl Carolyn Sheridan, Head Boy Terry McGuire

### THE DREAMER

by Kathy Crawley

The Dreamer is a man who walks by himself; How lonely he seems as he walks through the park. All the weird people look at him as he goes by; He looks so depressed. But the people don't realize how lucky he is, For he's the man called the Dreamer.

### Reflections

October at Don Head Secondary School  
Canoe Trip by Linda Rogerson and Tom English  
September 30 Sue Struck, Bob Osprey, Rob Hardy, John Ragan, Dave Matchett, Gary Andrew, Dave Bromley, Ralf Jochum, Tom English and I departed on our canoe trip accompanied by Mrs. Leggett and Mr. Bethune. We spent our first night at the Algonquin Park outfitters. The next day, after packing our gear and loading up our canoes, we set off to find our campsite. Two portages later (one of which was a mile long) we arrived.

All day it had snowed. After we set up camp and ate our meal we retired early because it was unbearably cold. The next morning, because of the forbidding temperature, we decided to go back to camp. We stayed there overnight.

The next day we packed a lunch and went hiking to visit museums in the area and look at the beautiful scenery. The next morning we began to get ready to come home. We really had a wonderful experience and we were sorry it was over.

### The Chinese Exhibition

by Marilyn Taskinen

October 8, three busloads of students accompanied by six teachers departed from Don Head Secondary School to attend the Great Chinese Exhibition at the Royal Ontario Museum. We saw a display of their domestic wares - tools and harvesting implements, eating utensils and furniture. Pottery, bronzed figures and glazed porcelain statues displayed the creativity of ancient Chinese people. A very spectacular item which we saw was a mummy encased in pure jade. This dates back to the second century B.C. In the areas of crafts and carvings the Chinese exhibited much talent.

The attendant said that picture taking was forbidden because the antique pottery would crack with the constant flash of the bulbs and the colours might fade.

It was indeed a pleasant and interesting visit.

### Smokers' Clinic

by Debbie Drury and Lorne Chamberlin  
During the last four weeks at Don Head we have had a visitor by the name of Mr. Corban. Mr. Corban came to our school to help us try to cut down on our smoking or to quit completely. He started by showing us a number of films which suggested what could happen to us if we smoke. Mr. Corban had talk sessions and question periods after the films.

The students and teachers who really wanted to quit smoking attended extra meetings held during activity

period. Out of all the students who participated in the extra sessions, several cut down and seven totally quit. The graduation for these students who quit was held October 8. Trustee Mrs. Doreen Quirk and Mr. Corban awarded Ken MacLeod, John Davidson, Steve Toskan, David Stribben, Mike Carriere, Ralph Roehs and Winnifred Kawakundo yellow pins with "I Quit Smoking" engraved on them. Congratulations, graduates!

### Intramural Sports

by Ralf Jochum

Don Head has a diversified intramural sports program. All the students and teachers are assigned to a color house - red, blue, yellow or green. Color teams compete in various sports and the winning team is given a number of points. At the end of the year the color house which has accumulated the most points is awarded a plaque. For the last three years the yellow house has received this award.

Individual points are awarded to students who participate in both intramural and interschool sports. After a student has earned fifty points he receives a junior letter; when he receives 100 points he gets a senior letter. An example of an activity recently completed is the intramural tackle football.

Red team won the championship and Brian Shadwell of the red team was selected the most valuable player for the league.

### Intramural Cross Country

Our sixth annual cross country run and orienteering meet was held at Bruce's Mill October 10. More than 40 students participated actively in both the events and in the winner roast that followed. The students who completed were awarded points toward their school letter as well as points for their color team. The winners were as follows: "E" Girls - Cheryl Hardy; "J" & "S" Girls - Kathy Ratcliff; "E" Boys - 1st-Gary Porter, 2nd-Ray Roberts; "J" & "S" Boys - 1st-John Oosterhof, 2nd - Bill Clarke.

A very popular event was orienteering. The students worked in pairs using a compass and a map. The team who completed the course accurately in the shortest time was declared the winner. The winning team members were Cheryl and Rob Hardy, a sister and brother combination. Randy MacMillan and Ted Childs came in second. The day was a complete success.

### Student Council

by Carolyn Sheridan

Elections for class representatives were held during the week of October 14. The following are the members of the Don Head Student Council of 1974-75 headed by Mr. B. Eveleigh and Mrs. P. Cranley; Executive: Head Girl - Carolyn Sheridan, Head Boy - Terry McGuire, Secretary - Marian Dagenais, Treasurer - Gail Tripp, "S" Reps: Kathy Harrison, Janet Hunt, Mike Ingram, Merle Jackson, Debbie Jolicoeur, "J" Reps: Cathy Aussant, Scott Graham, Darlene Gray, Patty Helferty, John Ragan, "E" Reps: Susan Day, Sandy Grich, Greg Hamilton, Maria Opedisano and Patty Wolfreys.
