

Desperation gamble backfires Hill Midgets lose to Aurora 5-3

A last second desperation gamble by the Richmond Hill Legion Midget squad backfired Sunday when Barrie scored on an empty net to win by 5-3.

It was that kind of a week for the local AA team who could only manage one out of a possible six points in league play after opening the season with impressive wins.

They got that one point Tuesday of last week in a 2-2 tie with Thornhill at Thornhill Community Centre. They went on to get blanked 3-0 by Barrie Saturday in Barrie.

Sunday's game in Richmond Hill against the same Barrie squad was a free-wheeling affair with the locals coming up with a much more impressive performance over the previous contest in Barrie.

Barrie opened the scoring in the first period but Richmond Hill tied it at 4:03 on a goal by Doug Hodgson assisted by Danny Jones.

Barrie moved into a two goal lead before Mike Gallagher of the Legion narrowed it to 3-2 at 6:54 from Hodgson.

Score equalizer

Richmond Hill scored the equalizer at 13:46 on a pretty effort engineered by Gallagher. Gallagher rushed in on the Barrie defence and left a perfect drop-pass for Mike Ham who blasted it home using Gallagher as the screen all the way.

The persistent Barrie squad went ahead again at 1:09 of the third period. Both the Barrie goalie and Ben Bourget came up with sparkling saves the rest of the way as they did throughout the game.

The Legion picked up a penalty with 2:38 remaining and this cooled their drive to tie the game. Then came another one to Goalie Bourget which upset the Legion management.

In the ensuing two minutes the Legion boys managed to hang on despite a concerted effort by Barrie to score the assurance marker.

Move backfires

There was 31 seconds remaining when Richmond Hill returned to full strength and they were able to get the face-off in the Barrie end. Bourget was pulled in favor of the extra attacker but things didn't work out according to plan.

Barrie got possession of the puck at the blueline and popped it into the yawning Richmond Hill net with five seconds remaining.

Last week's 2-2 tie with Thornhill saw the latter team get off to a fast two-goal start in the first five minutes of play.

Richmond Hill recovered and tied the game within a three-minute period as first Ham counted assist by

Atoms Tie Barrie 3-3

In the first game of league play for the Atoms in the York Simcoe League they hosted a good skating Barrie club and came up with a well earned 3-3 tie.

The boys are playing well for this early in the season. They kept digging and came from behind to gain the tie with Gary Sutherland hitting for two quick goals and Brian Hull scoring one with a great second effort.

Goalies Don Fawcett and Steve Ritchie shared the goaltending duty and both came up with some fine saves. Next game is November 9 at 1 pm in Schomberg.

Danny Jones at 5:37 and then Marc Brillinger tied it at 5:37 from Peter Kendall and Mike Cox.

That ended the scoring but the Legion rattled the opposition post three or four times but just couldn't put it

in. The Legion's Randy Martin had the misfortune to stop a stick in the game and came out of it minus a tooth and with stitches inside his mouth.

Saturday's 3-0 loss to

Barrie saw the Legion run into an almost endless string of penalties. Despite this the game was a mild affair with the game officials calling everything.

The long parade of penalties rattled the Legion

and they could never get a cohesive attack going and were fortunate that Barrie only got three goals.

Richmond Hill Goalie Mike Doyle was particularly brilliant in the third period making 17 saves, a few of

them that ranked in the unbelievable class.

Richmond Hill will play at Aurora tomorrow night (Thursday) at 9 pm. Sunday they travel to Orillia for a 7:35 pm game.

Richmond Hill legion midgets score this time but Aurora scored more often

Marc Brillinger's (6) uplifted stick signifies a Richmond Hill Legion goal here in Sunday's hockey encounter with Barrie Co-Op but when the game was over it was Barrie winning by 5-3. On this

occasion Brillinger and another Legion player, Dave Earl (7) are cheering because a long shot by Doug Hodgson has just gone in to tie game at 1-1.

Rams shoot, shoot, but no score as Markham squeaks out 3-2 win

The Provincial Junior A loop is full of future NHL goalies. They all look great. At least when they play the Richmond Hill Rams who don't seem able to even find a decent ocean around to fill.

It was the same old story Tuesday night as the Rams outshot Markham Waxers 34-16 but came out the losers by a 3-2 margin.

Not even a last few seconds take-the-goalie out desperation play worked for a govingly frustrated Richmond Hill Ram Coach Karl Brimblecombe.

He was clearly observed shaking his head in sheer chagrin in the corridors of the Richmond Hill Arena seconds after the game.

From Karl: No comment. The Rams trailed 3-1 until the 3:14 minute mark of the final 20 minutes when Rick Febbo finally blasted a slap shot in from about four feet out after Markham's Goalie Jim Baxter had pulled off a wower of a stop on a blazer by Ben Pedersen.

Minor Bantams Defeat Barrie

The Minor Bantam 'A' Rams travelled to Barrie Saturday to rekindle the old rivalry between the two towns. The Hillers opened the scoring on a goal by Dave Plaxton assisted by Peter Morley and widened their lead to two goals when Gerry Lawlor scored on a Scott Bartlett pass. Barrie scored with 33 seconds remaining in the opening period to close within one goal.

Jeff Joslin scored what proved to be the winner when he stepped over the Barrie blue line and drilled a slapshot past the Barrie goalie. Barrie returned with a goal late in the second period but Richmond Hill Goalie Ricky Warren denied them any more, to make the final score Richmond Hill 3, Barrie 2.

Richmond Hill fought Thornhill to a 2-2 tie Sunday. More details next week.

That goal looked like the start of something great for the Rams who proceeded to go into their do everything but score routine as per usual.

Pedersen was particularly unlucky as he missed the corner on one perfect setup and then seconds later kissed the post with another ringer. Story of the night. Just no go.

Markham played it cozy that was a city block away from Goalie Doug Brumwell

Six goals for Heintzman 'Ridges' Lions win 10-1

Alan Heintzman drove in six goals to lead the Oak Ridges Juvenile Lions to a 10-1 drubbing of Sutton in a hockey game November 3 at Oak Ridges.

The other goals went to Larry Gueran, Wayne Roffey, Brian Jones, Peter McConnachie.

The same team also edged Oro 2-1 in an October 29 game with Terry Legge and Al Heintzman scoring. Bob Fortier was in goal.

The Alex Brockton Midgets blanked King City 5-0 in an October 30 game at Oak Ridges with Goalie Frank Woods coming up with a fine performance.

Bruce Wilton scored two goals with singles going to Dale Roffey, Paul Smith and Ted Clague.

No so fortunate were the Oak Ridges Pee-wees who were decimated 4-2 by King City October 29 at Oak Ridges. Danny DeGeer and Lawrence Millard scored for the losers.

The Oak Ridges Atoms shut out King 5-0 October 29 with goalies Daryl Aldworth and Billy MacArthur blocking all shots. Jimmy Jotham and Paul Beck scored twice each with George Parker getting the other goal.

It was a different story in an exhibition game November 3 as Richvale

but the puck perversely hit the skate of a Rams' player and gurgled its way past Brumwell.

Richmond Hill's second leading scorer on the season, Dave Stuart, got the Rams back in the game later in the same period when he picked up Jimmy Clement's rebound and put it in.

Clement, incidentally, celebrated his return to the line-up by getting ejected from the game late in the second for congratulating the referee on his ancestry after drawing a tripping penalty. He got two minutes, plus 10 minutes, and a game

misconduct. Rest time for Clement again.

Markham's third and winning goal came off the stick of Ron Wilson at 6:45.

Defenceman Stuart Mabley played a standout game offensively and missed several chances with blazing shots after carrying right up the ice.

There were also a few fights to keep everyone honest.

The most exciting one occurred between Wilson and Kevin Street with eight seconds to go.
