

we're going to make it  
very hard for you to put off  
getting into 4-channel sound any longer

buy this fine 'Noresco' 4-channel  
sound system now and Simpsons will add  
to your pleasure with a bonus...  
a 'Noresco' 8-track tape deck

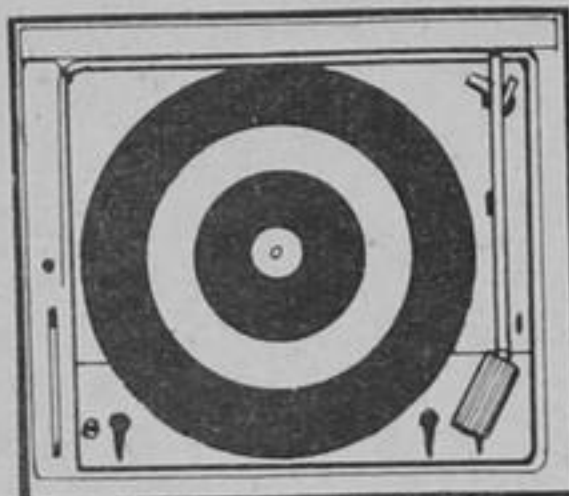

Here's one of the best values around. From two names you can trust 'Noresco' and Simpsons. A quality 4-channel sound system that blends technology with taste. The heart of it is the 'Noresco' NRQ-235 4-channel receiver which gives you a choice of 2 x 20-watts (RMS) stereo-phonics or 4 x 10-watts (RMS) quadrasonic with outstanding AM/FM performance.

**NORESKO**

Versatile in every respect this system will produce sound with all available program sources or encoded records. And the built-in CBS/SQ Matrix circuitry will give you 4-channel effect even from stereo records. Has walnut-finish wood cabinet.

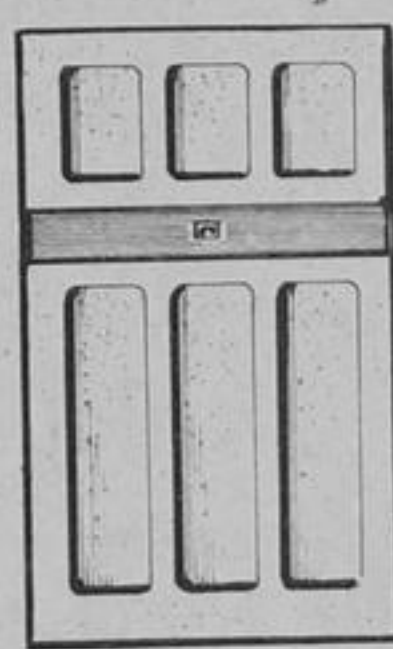

**Dual**

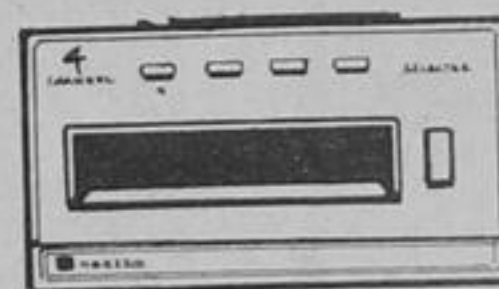

Complementing this fine receiver is a turntable you can be proud of. The 'Dual' CS16 automatic turntable module, a compact version of the famous 'Dual' full-size models features a full-size automatic 1214 turntable with 4-pole, 3-speed motor; dynamically-balanced tubular tone arm with the incomparable Shure' M-75 MD magnetic cartridge; anti-skating device, cueing system; plus simulated walnut base and smoked 'Plexi-glass cover.

Model 235CS.  
Simpsons Price,  
system

**\$697**

As a true 4-channel ensemble this system includes four NEC 524 enclosures with 8" dual-cone extended-range speakers. Walnut-finish wood cabinets.

Included at no extra charge is the 'Noresco' 8-track tape deck model 4460-a perfect addition to your

'Noresco' system. It plays stereo and 4-channel cartridges and offers the performance and features usually found in more expensive players. Program selector. Walnut-finish wood cabinet.
