Exciting winter program

York South Rangers, Guides, Brownies have 9 districts

By Margaret Lade Rangers, Guides and Brownies of York South Division are a busy group. The division is comprised of nine districts: Allencourt (Richmond Hill), Bayview, Markham, Richmond Hill East, Richmond Hill West, Richvale, Thornhill North,

Thornhill South and Unionville. With the blessing of Division Commissioner Mrs. Shirley Morehouse, Mrs. Jean Peachman of Richmond Hill has compiled a round-up of recent and coming events and activities in which the numerous companies and packs are involved.

To begin with, the Guides and Brownies of the division wish to thank the public for their support of the recent calendar sale. Proceeds will help to finance the individual companies and packs in their various activities.

Attend training day A busload of Guiders from York South attended the Central Area training day October 26 in Oshawa. Some 350 Guiders and Cadets attended the sessions, which included camping skills, crafts, pack holiday ideas, ceremonies, single hand alphabet, pow-wow or campfire, dangers of drugs, discovery, Guides and Brownies International.

Ideas and encouragement were the keynotes of the sessions and the Guiders derived much benefit from the training and from the shared ideas of others.

Hallowe'en fun Hallowe'en fun in the division was varied. The 9th Thornhill South Brownies enjoyed a hayride and weiner roast, special thanks to Mrs. Melinyshyn, Mrs. Robertson and Mrs. Georges for driving and for the weiner roast.

The 1st Jefferson Brownies had a party and weiner roast at the home of Mrs. Ernest Redelmeier. Part of the treat was an observation hike on the lovely grounds. Brown Owl Mrs. Joan Hamilton, Tawny Owl Mrs. Elizabeth Carlisle and Packie Kelly Stadelbaeuer accompanied the

Brown Owl Mrs. Jean Elliott of the 11th Richmond Hill Brownies entertained her pack with Hallowe'en games and refreshments during their regular meeting time. First aid course

The Guides of 1st Richmond Hill are in the midst of a first aid course being conducted by Mrs. Joyce Doherty of the St. John Ambulance, working hard in hopes of obtaining their first aid badges.

At the company's November 4 meeting in MacKillop Public School District Commissioner Mrs. Dianne Coghill was a guest while Captain Mrs. Jane Leonard, and Lieutenants Mrs. Cathy McConnell and Mrs. Wilma Kleine prepared tenderfoot

Guides for their enrolment. Winter weekend Long range plans for three Ranger companies in the area include a winter weekend at Doe Lake in February. The 1st and 2nd Thornhill Rangers and the Coureurs de Boi of Richmond Hill are looking forward

to the event. The Coureurs de Bois (3rd Richmond Hill Rangers) planned a dessert, bridge and euchre party November 19 in Maple United Church. The public was invited. Tickets at \$1.50 will be available at the door. Proceeds will help finance the Rangers' trip to the Cabana in Mexico next August

November camp holiday A pack holiday for 1st Beverley Acres Brownies November 1 to 3 at Camp Unaleyi on Lake Ontario was wet but enjoyable, reports Brown Owl Mrs. Joan Lane. The 13 Brownies and four leaders who attended visited the wild fowl sanctuary in the area, collected rocks and dried natural materials for centrepieces and ornaments.

It seems the fire escape ladder was the most popular activity of the weekend, with Brownies climbing up and down for "exercise". Mrs. Lane has room in her pack for girls seven to 10 years. They meet Tuesdays from 5:30 to 7 pm at Beverley Acres Public School.

Many move onward Three important events took place in 7th Richmond Hill East Guide Company September 26. Karen Stangl, Kathryn Kerr, Camille Peachman, Janet Gadsby and Patricial Lyons flew up from the 11th Brownie Pack into the com-

Then it was time to bid farewell to

Alice Merkelbach and Pam Major who were ready to advance to Rangers. Captain Olive Verrico presented them with a record of their achievements in Guides, then stepped aside to let them leave the Guide horseshoe and advance to the Rangers Crew assembled to receive

Finally it was time to honor Nancy Limpert, who received her Canada Cord, the highest award a girl can earn in Guiding. The presentation was made by Captain Verrico assisted by District Commissioner Sylvia Limpert. Rangers, Guides and Brownies enjoyed the games and refreshments that followed.

Learn child care Younger girls in 14th Richmond Hill Guides, meeting Mondays at St. Paul's Lutheran Church, are preparing for enrolment under instruction from Captain Pat Smith and Lieutenant Shirley McDowell.

Three older girls are attending a babysitting course at the local YWCA to earn their child care badge. Others in the company are working on the nature badges.

Openings available The 4th Richmond Hill Guides are planning an enrolment for Diane Peart. They have invited the 10th Richmond Hill Guides to be their guest for the occasion.

There are openings in these companies for new Guides 10 to 14 years. For information contact Mrs. Sylvia Limpert, 884-4260.

Emblems earned For a Guide to earn an emblem it is necessary to complete four badges in a specific category. Fifteen emblems have been presented this fall to girls in 2nd Richmond Hill Company which meets in Mc-Conaghy Public School:

INSTRUCTIONAL TIP There are three types of deliveries that the bowler can use when throwing a

ball. The deliveries are the curve ball, hook ball and the back up ball.

There is no such animal as the straight ball, and their are two reasons for this. One - it is virtually impossible to release all the fingers from the ball at the same split second. The last finger to let go will impart a little twist, however slight, to the ball - hence the curve or back up. Two - no bowling lane no matter how well engineered is perfectly uniform. Therefore the lane will "work" the ball slightly

one way or another. So over the next few weeks I will explain how to

back up. BAMTAM BOWLING

the pile and when the bodies were untangled Earl and Wallace were tapping each other's chops in a far from friendly manner. Then the third and fourth players entered the fracas. From that point on it was an extremely hard game to handle, and wound up as a

timekeeper's nightmare. In all 114 minutes of penalties were assessed - 68 to the visitors and 46 to the Legion. At one point Newmarket was able to ice only three players including the goalie. Out of their 12 player roster three were thrown out of the game with game misconducts and five were in the

penalty box. In the third period the Legion's big defenceman Mike Cox played a stellar role in cementing the win by scoring three goals, assists going to Hughes-Guest and Gallaugher. Cox's unassisted goal was picture effort as he skated through the Newmarket defenders and, while in the process of being spilled, slid the puck under the goalie's stick. Other Legion goals were by Gallaugher assisted by Ross Middleton and by Dynes assisted by Jones. Mike Doyle had to make some outstanding saves to preserve his

shutout. Coming up: November 24 Thornhill here at 1 pm.

Travelway Bantams win 3 more games weekend

Richmond Hill Travelways Bantams remain undefeated, having won another three games over the weekend.

In an exhibition game November 13 Richmond Hill downed Don Valley Toros 2-The Toros, who are in third place in the MTHL East Division, opened the scoring in the second period when Callahan let a shot go that beat Dino Capotosto, in the Hill net. Garry Gentry tied it up at 1:25 of the second period with assists going to Greg Walton and

Chris Nye. Capotosto came up with two big saves and then Frank Nigro scored the winning goal with only four minutes left. He took a pass from Tom Peden and went around the Toros' defencemen to shoot the puck into the far corner of the net. Peter Halliday was also given an assist on the play. Beat Barrie 8-0

Travelways Bantams steamrolled over Barrie 8-0 as Steve Shadoff in goal performed, excellently in keeping Barrie off the score sheet. Peden was helped by Phil Wood on the Hill's first goal. Frank Nigro scored the first of three goals unassisted at 8:51 of the second period. Shaddof, who had previously beaten Barrie 8-4 in Barrie, kept the surprisingly disorganized Hill team in the game, as he managed to get a glove, stick or pad on anything that came his way. The bantams finally got the message and started to carry the play to Barrie in the third period.

Beat Thornhill 4-2 In a must game Travelways defeated Thornhill 4-2. Wood opened

the scoring with only 48 seconds gone as he took a rink-wide pass from Stan Norman and took a long shot which hit a Thornhill defenceman. The puck bounded back on to Phil's stick and he broke in alone to make no mistake and put the Hillers in the lead. During a power play Peden took a pass from Captain Wood and let go a slapshot from just inside the blueline which seemed to handcuff the Thornhill goalie.

Egli got Thornhill back in the game on a power play goal, with Buchan drawing the assist. Nigro scored the winning goal on a pass from Clark and Halliday. Goalie Capotosto made numerous good saves and was the star of the game. Garry Gentry added the insurance goal with two minutes gone in the third period on a pass from Nye. Thornhill came back a minute later as Scott Howson scored from Marchant and Ferguson. Travelways has seven
