Residents fill meeting

The Hillcrest Resident's Association held a meeting on November 20 in Hillcrest Mall Auditorium.

The HRA executive were overwhelmed by the number of residents who turned out on a very wet evening to attend the meeting. Well over 110 people were there. It is hoped this support will continue.

David Hamilton, Director of Parks and Recreation for the Town of Richmond Hill, presented details of the new proposal for the community centre.

The complex will be built in two phases. Phase 1 will consist of a 5,000 square foot library and a 25-metre indoor pool. Phase 2 will contain the community rooms and the day-care centre.

No completion date for construction has been announced. The arena — originally proposed for this site — will be built in Ward 6, but closer to public transportation.

Hamilton also reported on the installation of playground equipment in the two area parks, scheduled for November 30 (weather permitting). Residents who have time to spare on that date are asked to come and help with the installation of the equipment.

Other business

There was a report on status of construction of a privacy barrier between houses facing the Hillcrest Mall and the mall parking lot. Further meetings between the town planner, Cadillac-Fairview Corporation and the residents are to be held in order to resolve this problem to the satisfaction of all concerned.

Mrs. B. Boer reported on the area representatives on the Arena Board.

The HRA is to approach Classic-Comm Cable TV and try to get all wires underground as soon as possible. This followed a number of complaints from residents, and the reporting of numerous minor accidents involving children and the exposed wiring.

Mrs. Joan Hooper, president of the HRA, outlined the purpose of the association. The HRA hopes to become more of a social activity organization as well as being the voice of the residents in council and other areas. Mrs. Hooper spoke of the desire to build Hillcrest into a true community, and to make it a place to be proud of.
