Markham District Firefighters aid St. John Ambulance Brigade

York Central Branch of St. John Ambulance and the local brigade were the happy recipients of a Resusi-Ann for training purposes at the annual brigade inspection held in Richmond Hill Arena '67. The dummy was the gift of Markham District 1 Firefighters and is equipped to record the efforts of trainees in the proper methods of resuscitation.

Another feature of the inspection was a mock car accident with members of the brigade displaying their skills in handling the "victims".

In the above picture are (left to right) Resusi-Ann; Mrs. Phyllis Walker, divisional nurse for the brigade; George Doherty, superintendent of the brigade; Harry Sayers, chairman of the executive committee; and David George, who made the presentation on behalf of the Markham Firefighters.

Inset is the mechanism which makes Resusi-Ann tick and records the effectiveness of the trainees.

(Photo by Elbert)

First patient moved to new wing of York Central

The first patient to be moved into the new Langstaff Wing of York Central Hospital was young John Tulloch, son of Mr. and Mrs. Lloyd Tulloch, 385 Osiris Drive, Richmond Hill. John is undergoing treatment for a broken leg suffered when he hit by a truck.

In the above picture (left to right) are Head Nurse Mrs. Pauline Morse, bright-eyed John, his mother Linda and Director of Nursing Mrs. Joan Wheatley. The pediatrics division is now located on Level 5 of the Langstaff Wing.
