

Richvale, Bradford fight to 4-4 tie

ATOM
In a fast, exciting hockey game December 27 at Bond Lake Arena Richvale and Bradford ended up in a 4-4 tie. The visitors opened the scoring quickly before the two minute mark. A minute later Ben Carbone dug the puck out of the corner and passed it to John DeHaas who slid it to Paul Daurigon and Paul banged it in to win the score. Then Allan Evelyn scored from Simon Boswell and Tim Boswell to put Richvale ahead. Allan scored again from John DeHaas to make it 3-1 at the end of the first period.

Halfway through the second Tim Boswell banged in a centering pass from Steve Mettel to put Richvale up by three. Then Bradford began a comeback getting two counters before the end of the period and the tying goal with less than a minute gone in the third.

The rest of the game was filled with fast-skating, up-and-down hockey by both teams but the score remained tied at 4-4.

In Alliston the next day Richvale Atoms opened up their heavy barrage and came home with an 11-2 victory. Defenseman Eddy Iafano scored Richvale's first two goals, the first from Durigan and deHaas, the second from Durigan and Carbone. Before the end of the first period Brian Mason made it 3-0 from Blair Bugden and Evelyn.

Early in the second Tracy Warner banged in Evelyn's rebound and Durigan scored from deHaas and Iafano. With less than a minute left in the period Iafano made it 6-0 on a solo effort.

Alliston scored its first goal early in the third but Richvale came right back as Mettel scored from Tim Boswell and Bugden. Iafano scored his fourth goal of the contest from Warner. Brian Mason got his second goal by banging in the rebound from Craig Wolfenden's blast from the point. Then Mettel scored from Simon Boswell and Wolfenden. Alliston scored to make it 10-2. Durigan rounded out the scoring with his second goal and fourth point of the night on a pass from Carbone.

With this victory the Richvale team now has an even record of six wins, six losses and two ties.

PEEWEE
Gullo Enterprise hosted the Knights of Columbus from Willowdale January 3 in an exhibition game and defeated them 2-1. Scoring for Richvale were Spiers and dePiero with Losberg, Adams and McLellan getting the assists.

The next day Gullo Enterprise defeated Alliston 3-2. The Richvale lads came out skating right from the drop of the puck and scored all their goals in the first period. McLellan made it 3-0 at 3:11 with the assist coming from dePiero.

Alliston scored two unanswered goals in the second period to come within one of tying the score. There was no scoring in the third but Alliston pulled their goalie in the last minute of play to try to tie it up but failed as Gullo held

to win.
Gullo Enterprise went down to defeat at the hands of Unionville January 5 by a score of 5-0. Unionville scored the only goal of the first period, although the score by the end of the first period might well have been 3-0 in favor of Richvale. Gullo's Adams hit the

goalpost with the goalie lying on the ice. Chianelli had the goalie beaten but somehow he came through with the big save by catching the puck and Paul Dimock missed a scoring chance when his backhand hit the crossbar. Unionville scored four more times in the second and third

periods.
BANTAM
Richvale Bantams lost to Alliston 3-2 December 20. The locals' first goal was scored by Brian Hobbs assisted by Dale Banton and Steve Cromb late in the first period. Alliston answered with two in the second period and their last goal

was scored early in the third. Less than a minute later Richvale rallied and scored from the blue line with a blistering slapshot by Brian Celise assisted by Danny Iafano, but could not come up with the tying goal.

Richvale was defeated by Bradford 3-2 December 27. Iafano started the scoring in the second period assisted by Cromb and John Vorich but the opposition

came back in the second with two counters. Iafano got a beautiful goal within the first minute of the third period aided by Paul Mills and Cromb. Then Bradford got a shorthanded goal to put the damper on Richvale's spirit.

The local bantams put up a great fight in Unionville January 5. Unionville got two goals in the first period and one in the second. Then

Richvale came to life with their first goal on a breakaway pass by Keith Coxworthy to Jim Mark. With 54 seconds left to play Cromb let fly with a slapshot from the blue line that the goalie didn't see. However Richvale could not buy the tying goal and lost 3-2.

Hillcrest Juveniles reach finals but lose

Richvale Hillcrest Mall reached the finals of the "A" Division of the Trenton Tournament in December.

In their first game they upset Barrie 4-2, something they have been unable to do so far in league play this year. Barrie opened the scoring at the five minute mark but Ken Ablett tied it up almost immediately with assists going to Bob Mills and Steve Wilson.

The second period was a repetition as again Barrie scored and it was Brian Murchison from Wayne Johnson who tied it up. The whole team played well but Murchison and Johnson stood out.

The third period saw Richvale take over as Dave Hartwick scored twice, the first unassisted right at the start and the second on a good passing play from Greg Payne and Reid Warner.

The second game was closer as Hillcrest Mall edged out Newmarket 2-1. There was no scoring in the first period which saw some fine saves from both goalies. Richvale opened things up when Ken Ablett scored the first goal with an assist to Mark Boswell. Newmarket tied it up before the second period was over and it was not until less than four minutes were left to play that Greg Payne broke away on a lone effort and scored the winner.

In the third game for the "A" division championship Richvale met Richmond Hill in a very even game. Richvale Goalie Mario dePiero played excellent hockey in the first period. Richmond Hill took a 1-0 lead on a goal by Don McPhee assisted by Tom Lamb and Dave Berth near the end of the first period.

Richvale came back to tie it up on a goal by Gordon Lloyd aided by Bob Mills and Wilson. With eight minutes to go in the third Goalie de Piero was hurt by a blazing slapshot on the thumb of his catching hand. Within seconds his thumb had swollen alarmingly and it appeared that he would be unable to continue playing. After a discussion with the coaching staff, this young man refused to come out of the game, and played well for the remainder.

However, within the next few minutes the Hillers got two goals to give them a 3-1 lead, the scorers being John Oakley and Rich Hopson. Richvale struck for a goal with 2:54 left, Chris Demeo being the scorer with help from Ablett, making the final score Richmond Hill 3, Richvale 2. Richmond Hill went on to win the grand championship of the tournament.

The exhibition win over Sharon saw goals by Randy Spensley, Kevin Hubbard

(also an assist) and Joe Tanzo. Assists went to Dan Youtoff, two, John Metcalfe, Steve McKinnon, and Ken Clague. Ken Griffith was in goal.

The 3-0 Orillia win saw goals by Ken Clague (also two assists), Randy Spensley (one assist) and Dan Youtoff. John Metcalfe got the other assist. Recording the shutout was Goalie Harold DeGeer.

Their 2-0 loss to Maple was one of the better Bantam games of the season as play went from end to end and was scoreless until the eight minute mark of the third when two fast goals decided the issue.

The Oak Ridges Atoms edged Maple 1-0 in a league game on a late goal which was scored by John Lalonde. Coming up with the shutout was Bill McArthur.
