# RICHMOND HILL CURLING CLUB

Two nice changes welcomed me back to the club after a two week vacation. The major one being a new and very colorful ice surface compliments of Don Campbell and a new no smoking rule while on the ice surface which will keep our new ice much cleaner and keener.

All members appear to be observing this rule, and since it is our club we should all make an effort to see that it is followed.

The first schedule of the Mixed League has been completed as January 12 was the deadline for any missed games. In the first division Frank Ellison and Jim Anderson had identical records of five wins and one loss.

In the second division, Dave Pulchinski and Bob Copeland had the same 5-1 record. Stewart Given was the only skip to go undefeated but close behind him in the third division with 5-1 records were skips Armon Tripp and Ron Taylor. In the fourth division Don Hillaby and Don Rallie both had five wins and one loss.

**Mixed party**  
The next "mixed party" will be held February 7 at 9 pm. If you missed the first one of these special evenings, make sure you don't miss this one.

The Tuesday league semi-final playoffs were played last Tuesday with George Mitchell and his rink of John Moffatt, Barry Wilson and Ernie Dubkowski winning over Clark Bullock's rink.

Tuesday semi-finals were also played that evening with Bob Galway and his rink of Ron Van Toen, Bert Naylor and Orton Beaumont defeating Jim Anderson's rinks. In the final playoff Bob Galway defeated George Mitchell.

**Canada Life Spiel**  
The annual Canada Life Spiel began last Saturday at most of the Metro clubs, with the finals in all events being played this Saturday. The nine original rinks representing Richmond Hill are Jack Shropshire with Gerry Morlock, Dan Milford and Bruce Park, Dave Robson with Jim Anderson, Wayne Hindmarch and Rob Stephen, Clark Bullock with Wes Draper, Bill Oliver and Walter Hamilton, Ken Rowan with Brian Laurie, Don Hillaby and Kevin Roberts, Bob Galway with Al MacDonald, Barry Wilson and Brant Fenski.

Art Miller and his rink of Steve Danko, Tab Macdonald and Bruce Street, Peter Dewsbury with Harvey Bird, Orton Beaumont and John Cowie, Mike Mulcahy and his rink of Jim Lane, Len Lee and Ernie Dubkowski; and last but not least, Gord Brown with Glen Charge, Bert Naylor and Mike Jaciuk.

After four games in the second schedule of the Mens' Competitive League on Monday nights, skips Don Richards, Bob Galway, Jack Shropshire and Jim Anderson all have 3-1 records in the first division. Tom Bush heads the second

# No smoking rule keeps ice cleaner

division with a 4-0 record as does Frank Ellison in the third division.

**Shropshire busy**  
Now that the festive season is past, the out-of-town reports should be coming in more regularly. Jack Shropshire again appears to be the most active curler and rumors have it that he is booked for each weekend for the next month or so.

At Alliston December 14, Jack and his rink of Gerry Morlock, Dan Milford and Wes Draper won two of three games and each player won a 15 pound turkey.

On January 4 at Newmarket Molson's Mens' Spiel, the same rink, but with Wayne Hindmarch leading, won all three games and the rink picked up two electric knives, a camera, and an ice crushed as prizes. Clark Bullock with Wes Draper, Bill Oliver and Walter Hamilton were at the same spiel but lost their third game.

The rink which defeated Clark was overall winner beating out Jack's rink by 1 1/2 points.

**Party picketed**  
It was nice to hear that Herb Thomson had a successful party for non curlers recently, but even more encouraging was the news that his wife Pat had it picketed by some of our curlers.

Last Friday, at the mixed curling, some of Group Number 2 were served hot dogs and hamburgers cooked by Ernie Dubkowski and Mary Ellen Lee and professionally served by yours truly.

Other draws could do the same simply by having volunteer cooks and arranging with Len Lee to have some food there. Not much profit is made but it

# The big punch behind a Combat Group.

A Combat Group is made up primarily of Infantry, Armour and Artillery units. And Artillery is the power punch behind every Combat Group's effectiveness.

There's a lot more to our big punch than a lot of noise. It's an opportunity to become part of a highly trained team, mentally and physically at the peak of condition. A chance to become a leader, to meet a lot of young people who share the same ideas and interests as yourself.

This is an opportunity for you to become someone special. Part of a very special team in a Combat Group.

Think you can share the responsibility of our big punch? Ask about Artillery opportunities now.

**Instructional Tip**  
Corner Shooting — To improve your chance of getting the corner pin move to the opposite side of the approach. Beginners have a tendency to shoot a corner pin by rolling the ball down the edge of the lane where the pin is standing. By moving to the opposite side you have the angle working for you. By rolling down the edge of the lane the bowler cuts a five inch margin off

# Peewee Lions chilled 3-1 by Thornhill crew

The Richmond Hill Peewee Lions saw their six game winning streak snapped Saturday night when they were defeated 3-1 by Thornhill in a fast, exciting game which great chances to win by both teams. The opposing goalies came up with some great saves.

Richmond Hill opened the scoring with Greg Halliday putting Dan Henderson into the clear but Thornhill stormed back to tie it at 1-1.

The score remained tied until late in the third when the Lions took a costly penalty and Thornhill was quick to score 12 seconds later.

Richmond Hill pulled its goalie with 59 seconds to play but this move backfired as Thornhill found the open net on a long shot from their blueline.

Victoria & Grey entertained Sharon January 11. Once again last minute heroics featured this exciting well-played game. With the score tied and less than a minute to play O'Sullivan scored unassisted to put V&G ahead. Twenty seconds later Gerber from Noble and Vennard put the game out of reach. Other Hill scorers were Green from Zurich and Noble from Gerber and Buchan. Final score was Richmond Hill 4, Sharon 2.

This was Richmond Hill's first win over Sharon this year, the locals having lost two exhibition games as well as the league opener.
