

2 youths charged, property recovered

Investigation of a traffic violation resulted in the arrest of two youths and the recovery of some property allegedly stolen from cars parked on Hillcrest Mall parking lot last week.

York Regional Police said that Constable James Forsyth stopped a car driven by the youths January 19 about 2:20 pm, as a result of an incident on Major Mackenzie Drive.

A subsequent in-

Police blotter

Investigation turned up seven tape decks and a two-way radio valued at about \$500.

Facing charges of theft and possession over \$200 are Phillip Paul, 16, of the House of Concord in Vaughan, and David Suter, 16, of Westwood Lane, Richmond Hill.

Domain Food Store, 7689 Yonge Street, Thornhill, reported the theft of 400 cartons of cigarettes valued at \$2,300, last week.

It was the second big cigarette heist from the store this month. However, last week,

police also arrested two men in connection with the theft of 200 cartons from the store a week earlier.

Facing a charge of break, enter and theft are Antonio Trapani, 18, of Sheppard Avenue, Toronto, and Gregorio Moschell, 20, of Gilbert Street, Toronto.

Police are seeking some well-dressed men, following a robbery at Blackthorn Men's Wear, Richmond Heights Plaza.

Taken were 70 suits, including 12 three-piece ones, and 12 blazers. The stolen men's wear is labelled Michael Stern and

Baltimore, and is valued at \$3,690.

That phoney money is still around. Toronto-Dominion Bank, 7085 Don Mills Road, Markham, reported that it had recently turned up one of the bills. It is believed it was passed January 3.

A total of 90 years employment with Oxford Picture Frames is the record of Mr. and Mrs. William Forrest seen in the above picture on their retirement. Mr. Forrest worked for the company for 50 years and Mrs. Forrest for 40 years. They were presented with cheques from the company by President Walter Cohen and with a 365-day clock by

fellow employees. Mr. Forrest was a polisher and Mrs. Forrest a hand toner.

Oxford Picture Frames moved to Richmond Hill in 1963 and is now located on Newkirk Road. It has three other longtime employees, one with 45 years, one with 40 years and one with 35 years service. Peter Tyssen is the local manager.

\$13,000 damage in fire

A fire last week in Supersave Grocery Store, 10610 Bayview Avenue, Richmond Hill, caused an estimated \$13,000 damage to the store, its contents and the apartments above it.

Richmond Hill Fire Department attended the

blaze, which is believed to have been the result of faulty wiring. However, no definite cause has been established.

The fire was being investigated by Underwriters' Laboratories of Canada.

A fire in a residence at RR 1, Woodbridge, January 19, resulted in about \$5,000 damage.

Cause of the blaze, which was attended by Vaughan Fire Department, was unknown, but electric heaters in the living room were being investigated as a possible reason.

Car crash inquest

An inquest has been ordered into the death of Kelly Anne VanHeeswyk, 6, of Newmarket. She was killed in a two-car crash near Newmarket December 26.

However, York Regional Coroner Dr. Patrick Greaves, said he would not be able to set a date at the present time.

The child, who was the daughter of Mr. and Mrs. Nicholas VanHeeswyk of Queen Street, was a passenger in her father's car when it was in collision with a car driven by John

McCaffrey, 41, of Aubrey Avenue, Newmarket.

Mrs. VanHeeswyk, 29, is still in York County Hospital with multiple injuries.

Dr. Greaves said the inquest could help get a blind spot removed at Bayview Avenue and St. John's Sideroad where the accident occurred.

School board pay story correction

A typographical error in a story in last week's Liberal has caused some confusion in its interpretation.

The story concerned the 100 percent pay raise York County Board of Education trustees voted for themselves, going from \$250 a month to \$500 a month.

It also mentioned that an amendment to the original motion on the raise, called for an increase from \$250 to \$375. The amendment was subsequently lost.

However, due to the typographical error, the story said the amendment was passed. It also misspelled passed as past.

The Liberal hopes this will now clear up any confusion in the matter.

West Indies 'thank you' to Hill Rotarians

Richmond Hill Rotarians are very happy about a letter they received recently from the West Indies — a thank you for a pair of glasses.

As members of a worldwide fellowship of clubs covering 151 countries with a total of 761,250 members, the local Rotarians are proud to be part of this world family, striving to live up to the objectives of Rotary which include the advancement of international understanding, goodwill, and peace through a fellowship of business and professional men united in the ideal of service.

In keeping with this aim, the Richmond Hill Club has been financially supporting a program to provide glasses for visually handicapped people in the West Indies.

Thousands tested

Under the plan a team of practicing optometrists, supported by senior students from the school of optometry at the University of Waterloo, visits various islands in the West Indies during the summer.

There they test the eyes of thousands of children and adults who normally would not be able to afford the tests or the corrective lenses they might need.

Thankful writer

A second team returns later to fit the glasses. The

Nice News

benefits of this scheme can easily be seen from the following excerpt from a letter addressed to the club from a grateful beneficiary on Grand Turk Island:

"I couldn't accept in silence such a generous and worthy gift of a pair of eyeglasses which fit so well and mean so much to me without saying a personal 'Thank You' to all of those who helped in such a project, collecting funds, testing the eyes and coming over the miles to give out the glasses.

Can't find words

"Really, I cannot find words to express my appreciation... you may be assured I shall take the greatest care of my glasses and every time I wear them I shall remember you all with thankfulness."

The scheme is supported by the Canadian Government, which matches dollar for dollar all the money spent on the project by the Rotarians.

Will blue haze return to Richmond Hill council?

Will the blue haze of cigarette smoke be returning to Richmond Hill Council Chambers? That is the question. Councillor Andy Chateaufort gave notice of motion Monday evening that he will move to have Bylaw 88-73, which bans smoking in the chamber, rescinded. Councillor Mike Burnie indicated he will oppose the motion.
