

# Slumping Richvale Atoms lose

**Atoms**  
Richvale Atoms extended their slump to four games January 16 losing to Sharon 2-0 in a close-checking game. In spite of the loss, there were signs of hope as both pairs of defense, Eddy Lafano and Craig Wolfender, John Evelyn and Simon Boswell, played extremely strong games. Rob Johnson was also very sharp in goal and had no chance on either tally. But Richvale seems to have difficulty in effectively moving the puck out of their own end.

The next night Richvale's slump finally came to an

end as they skated to a 4-2 decision over Woodbridge. With about three and a half minutes gone in the first period Woodbridge jumped into a 1-0 lead. Two minutes later Ben Carbone tied the score, banging Allan Evelyn's rebound past the prone Woodbridge goalie. Before the end of the first period Evelyn put Richvale in front 2-1.

The second period was scoreless. Early in the third Brian Mason scored on a pass from Eddy Lafano. A little over a minute later Woodbridge retaliated. With a minute and a half left

Evelyn put the game on ice after being tripped by a Woodbridge defender.

Richvale Atoms went into Bradford January 20 with two regular players out of the lineup due to illness. Led by the solid play of their defencemen, Richvale turned in a hard-checking performance to come up with a 1-1 tie, as Rob Johnson was exceptionally sharp in the Richvale net.

Bradford got the first goal early in the third period and with just 32 seconds left Allan Evelyn notched the tying goal on a solo effort.

## Juveniles

Richvale's Hillcrest Mall Juveniles lost their second game of the week to Newmarket 4-1 January 15 as a combination of being shorthanded and too many games took its toll. The local lads never did get rolling and had little to show for their efforts except a goal by Ken Ablett on some hard work by Dave Hartwick and Greg Payne in the third period.

The outstanding feature of the game was the 25 penalties handed out, which reflect the rough play throughout the game.

## Midget

Woodbridge jumped into an early lead January 17 and ended in a 5-2 win over Nortown Transmission. Woodbridge got two quick goals in the first period with Harold Simpson getting one for Nortown late in the first assisted by Wayne McCartney. Gary Langfield came right back on a perfect setup from

Bill Cromb.

Two defensive lapses in the third period enabled Woodbridge (who have lost only two league games all year) to score twice more.

Captain Bill Cromb led Nortown Transmission to a 2-2 tie with Sharon January 19, scoring both goals. The first was unassisted and the second was set up by Langfield. Greg McDowell, Gerd Buck, John Maticiak and Pat Hudema contributed a solid effort on defense with Mike Johnson turning in a good performance in goal.

## PEEWEE

Gullo Enterprise played Unionville January 10 for the last time this season in league play and lost 7-1. Unionville won three of the four games played. Gullo scored at 2:14 of the first period when Losberg took a Freibauer pass, raced down the ice and rifled the puck past the Unionville goalie. That was the only Richvale

counter as Unionville then took command, scoring twice in the second period and five times in the third. In a rescheduling of the January 17 game Gullo Enterprise defeated Woodbridge 3-2 January 14. Woodbridge opened the scoring when the game was only 21 seconds old. DePiero tied the score four minutes later as he tore the puck loose behind the Woodbridge goal and jammed it past the goalie. Dimock picked up the puck behind his own net

and stickhandled the length of the ice to score Richvale's second goal on a booming shot. Woodbridge tied the score. Dimock got his second goal when he deflected a shot past the goalie with DePiero and Losberg getting assists, to win the contest. Running into real hot goaltending Gullo Enterprise lost 4-0 to Sharon January 16. Sharon scored twice in the first period and once each in the second and

third stanzas.

**Deli tournament**  
Richvale won the first game of the Delhi Peeewe Tournament on the weekend of January 18 when they were pitted against Blenheim. The score was 3-1. Blenheim scored first but McDowell tied it up unassisted. Chianelli put Gullo ahead on a pass from DePiero and McLellan. McDowell put the game on ice with his second counter

on which McLellan assisted. In the second game that same day Gullo met the host team and lost 8-0, thus being eliminated from the tournament.
