## Baker's edge Lions Richvale House loop

### NOVICE

Both goalies played well as Baker's Sales & Service squeezed out a 2-1 win over Richvale Lions February 9. Baker's goals came from Robb Wagg and Brian Winch with Grant Clarke earning an assist. The Lions' goalkeeper was Darin Grodzinski assisted by Teddy Bunker.

Thorncrest Motel came out ahead 4-3 over Carlisle Real Estate in a well-played contest. Scoring by Thorncrest were David Abernethy with a pair, Shawn Cooke and Mark Rothwell with one each and Robert Leach with a helper. For Carlisle Gordy Peters contributed both tallies with Jim Formenton getting an assist.

**ATOM**  
Oak Ridges' Club 99 defeated Richvale's Herron's Sales & Service 7-2, despite a valiant effort by the whole team. Herrons seemed to lose momentum when their captain, Larry Thorsell, was injured shortly after putting his team in the lead by one goal. From then on the powerful Club 99 had it all their own way and remained unbeaten for the whole season. Herron's other points were contributed by Craig Penn with a goal, Chris Wanschura, Tom Buccini and Bruce Maheu with an assist each.

Oak Ridges Panthers, who had a bye till the final were

in good form as they beat Music Shoppe 7-3 in an exhibition game at Bond Lake. Music Shoppe goals came from Bill Mitchell with a couple and Gordon Gertley with Mat Hozjan earning two assists and Markus Heinecke one.

Pizzaville's Joey Granton led his team to victory in a hard-fought game which resulted in a 3-1 win over Rendezvous. He scored twice with Rodney Clugston getting an assist and a goal of his own. Paul Rothwell scored Rendezvous' lone unassisted.

### PEEWEE

R&R Motors met the Oak Ridges Panthers in the second round of the interlocking playoffs and outplayed and outshot them but had to settle for a 2-2 tie. Due to a few inconsistencies on both benches the game will be rescheduled to see who meets W&P Motors in the finals. Brian Watts, who turned in a good game and was the opportunist for R&R, got both goals with assists on both going to Paolo Delplavignano. Joey De Haas got a helper on the first goal. Robert Cashin, Andrew Rose, Scott Harrell and Delplavignano played standout games to keep the Panthers away from the Richvale goal.

In an exhibition game in the Hill Ray-More Construction came to life and

gave the league-winning Suburban Rad a going over to win 6-3. Suburban was without the services of goalie David Lamb. Captain Randy Johnson came up with two real spurts to account for two of their three goals and Alexander Kalles, assisted by Sherman Barrett, picked up the other. For Ray-More — Craig Hinch, Mike Moyal, Harry Ruttel, Ricky Fleming, Frank Cavallo and Erich Ahnert each had a goal with assists going to Cavallo (3), Hinch (2) and Ahnert and Moyal.

Richvale W&P Motors played the Oak Ridges Rangers in an exhibition game warming up for the interlocking finals and defeated them 6-2. Leading scorer David Purves connected for three goals with singles going to Robbie Lyman, Dean Reilly and Brian McGuckian as the whole team turned in a good effort.

### BANTAM

Oak Ridges Eagles skated to a 7-2 win over Loughlin Lumber February 8. Loughlin started out strongly and got the first goal but period by period

they got weaker. Doug Everton scored both Richvale goals and Jeff Baker and Neil Rothwell were given assists.

G.C. Romano came up with an excellent game but still lost to Oak Ridges Cougars February 9. Mark Murphy connected for two goals and won the Ponderosa player of the week award. Dave Twidale and Eric Hamalainen accounted for the other scoring and Trevor Williams, Donny Peters and Harold Levy got helpers. Robert Haehnel and Hamalainen played very good games.

Led by Andy Petterson's two goals Surf Marine creamed United Drain 5-2 in an exhibition game. Jim Semple, John Granton and David Ross also hit the target for the winners with Ross also getting two assist points. Bruce Simnaz, Clarence Greer and Michael Reeve one point each. Dominic Pacitto and Tony Von der Sanden were the goalgetters for United with help from Gavin Butler and Mauro Fantin, the latter playing a strong defensive game.

# Hillcrest dumps Newmarket

In the first game of the league semi-finals Hillcrest Mall defeated Newmarket 6-2. Newmarket came out fast and showed the form they must have had to defeat Barrie. However, before the first period was over Richvale opened the scoring when Bryan Murchison laid a perfect pass on the stick of Greg Payne right in front of the net.

Skating hard, the Hillcresters popped in four more goals in the second period to Newmarket's one. Scorers were Reid Warner, Ken Ablett, Chris DeMeo and Dave Hartwick. Assisting were Hartwick, Ablett, Peter Fraser, Stephen Ostep, Bruce Bailey and Steve Wilson with three. Wilson was also voted star of the game and winner of

the McDonald hamburger award.

In the third period the teams exchanged goals, Siege Pflug scoring from Wayne Johnson, and the game ended 6-2 when Newmarket scored with only 12 seconds to go.

Richvale had trouble getting untracked in the second game but finally managed to take it by a 3-1 score. Newmarket scored in the first period when the Hillcresters had plenty of pressure on but just could not score.

The second period was scoreless, again with Richvale having the edge in play. In the third they finally got results for their labors with three unanswered goals. Siege Pflug opened the Richvale scoring with an

assist from Mark Boswell. Ken Ablett scored the winner with 2:51 to go and Dave Hartwick locked it up with 30 seconds to go. Hartwick also had an assist on Ablett's goal and Peter Fraser helped on both.

The cliffhanger of the season came in the third and final game February 9 as Hillcrest Mall edged Newmarket 2-0. It was a scoreless tie at the end of regular play with Mario dePiero playing a fantastic game in goal, saving time after time on breakaways and with two men short.

With four minutes to go in overtime, Bryan Murchison with tremendous second effort, and flat on his face on the ice, got the puck to Greg Payne who skated right in on the goal and scored the

winner. Newmarket pulled their goalie with 36 seconds to go but Ricvale held them off until Ken Ablett stole the puck and scored in the empty net with six seconds left.

The next series will be against either Richmond Hill or Thornhill.

### MIDGET

In the OMHA Midget B series Richvale Northtown defeated Alliston 5-0 February 7 at Bond Lake Arena, coming back after losing the first game. A great defensive game coupled with good skating and passing by the forwards resulted in victory. Harold Simpson scored a hat trick and picked up an assist, Wayne McNarty and Gary Langfield got the other counts, Bill Cramb was awarded two assists and Greg McDowell one. Mike Johnston played like a rover in the net.

As Johnston came up with another superb game to record his second consecutive shutout of the playoffs Northtown Midgets downed Alliston 3-0 in the third game of the series to lead two games to one.

Great defensive play and great skating and passing were features of this contest. Scoring were Tony Caranci, Steve Cramb, and John Marciak with Simpson and Rick Binder picking up two assist points, Caranci and Marciak one each.

### ATOMS

Richvale Atom Royals started the week slowly February 4 as they tied the rapidly improving Woodbridge team 1-1. The only saving feature was the strong play of Robbie Johnson in the Richvale net.

Woodbridge double-teamed the Royals' Captain

Allan Evelyn, a gambit which was such a success that the Royals managed only a first period goal by Paul Durigon from Eddy Iafano and Allan Evelyn in the whole game.

The Royals managed to maintain their lead for most of the game, including a minute and a half in the second period when they were two men short. The penalty-killing team of Brian Mason, Craig Wolfenden and Iafano did a fine job of staving off the Woodbridge power play.

Woodbridge scored the tying goal with just over a minute left to play.

The Richvale Atoms took their first point of the season from the strong Sharon team February 7 in another 1-1 battle. Goaltender Johnson's sparking play kept Richvale in the game in the early going as Sharon got off to a fast start, peppering Johnson with a barrage of shots. His fine play limited Sharon's scoring to a first period goal.

As the game wore on Richvale gradually gained momentum and began to carry the game to Sharon. Allan Evelyn tied the score early in the second with a slapshot from the point which caught the upper lefthand corner of the net. Later in the same period he was fouled on a breakaway.

The strong play of the Royals' defensive corps, led by Craig Wolfenden had a large bearing on the outcome of the game. Craig turned in his best game as a Royal, time and again breaking up Sharon rushes. The atoms finished with a record of eight wins, 11 losses and five ties in 24 regular season games.

## Hill A & W Atoms shutout Barrie 3-0

A&W Atoms hosted a fast-skating Barrie club Saturday night and came up with a solid team effort to take the contest 3-0. The first period was scoreless as both teams missed excellent scoring chances. At the 5:37 mark of the second A&W scored on a fine passing play when Jackie Woods dug the puck out from behind the net to centre Barry Munro who quickly got his shot away from the slot.

The score remained 1-0 until the 5:23 mark of the third when the Hillers went up 2-0 on some fine passing. Barry Munro picked up his second point of the game when he passed across the crease to left winger Billy Easton who jammed it in from the corner of the net.

A&W closed out the scoring with 1:40 left in the game on an end-to-end rush by defenceman Mark Ellison who scored unassisted.

In recording the shutout, goalie Steve Ritchie made several fine saves.

Playing their second game in four hours the defensive crew of Bruce Strain, Steve Moritsugu, Alan Jarvis and Mark Ellison played superbly.

scramble when centre Brian Hull banged in a pass from Steve Moritsugu.

Then at 8:12 of the same period Easton netted one from hard-working centre Gary Sutherland. The Hillers tied the game at 7:47 of the third when the ever-moving Jackie Woods scored from Don Head and Alan Jones.

Earning his second shutout in two nights goalie Steve Ritchie robbed Orillia seven times of sure goals.

## Snowmobilers drive carefully

Speed is an important consideration for every snowmobile operator.

Apart from new legislation controlling speed in certain situations, local conditions dictate that caution be observed when weather has altered the state of snowmobile trails, says the Ontario Safety League.

A windy, blowy day will cause drifts of hard-packed snow to build on trails that were well groomed last week, yesterday or even this morning.

## Bowling

By IAN CAMERON  
CARLING O'KEEFE

This past week end Hamilton was the host of the Carling O'Keefe Ontario Championships. The bowling was of the highest calibre and the spectators were treated to some exciting moments.

York Simcoes best showing was in the womens team, as Barb Magee and Diane Ingram led the team to a fifth place finish. Other members were Jenny Richard, Betty Wolfreys, Pauline McNaught and Flo Blanchard. The womens team score was 9348 for eight games and they fell 16 pins shy of fourth place money.

The York Simcoe mixed team placed ninth and the men's team twelfth. Twenty zones participated in the Ontario finals and the York Simcoe teams fared well in overall standings.

Diane Ingram placed tenth in the womens section with an eight game score of 2030. This years womens champion is Debbie Dennis of Tri-County, her total of 2223 won her the championship, in the mens division Lloyd Ormerod won with a 2243 eight game total and he bowls out of Hamilton.

Hamilton did a great job of hosting the championships this year and I hope that next year they will be able to keep the high standards they have set for these championships.

I had a great time at Hamilton not only on the bowling lanes but at the parties that were held after and after I finish writing this column I'll start to rest up for next year.

### FRIDAY MAJORS

No bowling this week as the Ontario Championships were being bowled. But action resumes next week as usual.
