

Lions finally manage a dart victory over senior citizens

The afternoon euchre held by the senior citizens at the Wheelhouse February 18 saw a good turnout of card fans with Mrs. V. Judge, Mrs. V. Luppson and Mrs. J. Ash being the prizewinners.

The seniors Lions dart tournament held February 20 at the Wheelhouse proved that the lions had been practising! The Lions won the most games, so they took the trophy from the seniors. For the most games won by an individual team, Lions Joe Tanzos and Ross Kirby won a trophy each.

Individual trophies were donated by Don Cook and Joe Tanzos.

The ladies put on a grand spread of refreshments which were demolished in short order by the hungry players.

Church news
St. Paul's UCW will soon be making Easter Eggs and are now taking orders. This year the projected number of eggs is 2,000 and they will be 75 cents each. For that you get a quarter pound fondant filled, chocolate dipped and hand decorated beautiful egg! Please order now from any UCW member or call Jean Anderson at 773-5152 or Diane Foster at 773-5021.

The UCW will be making fondant February 26, 27 and 28 and welcomes anyone

who would like to help.

The rector, Rev. Earl Gerber of St. John's Anglican will be preaching at Trinity Anglican Church, Barrie, at the noonday Lenten service February 28. There will be a pre-service hymn sing at St. John's March 2 at 10:15 am with a family service at 10:30 conducted by members of the congregation.

The coffee hour will be held in the parish hall March 4 at 11:45 am. The regular monthly meeting of the advisory board will be held in the upper room of the parish hall at 8 pm March 4.

The executive of the ACW will hold its bi-monthly meeting March 5 at 8 pm.

For the month of March I hope you will clip the calendar of events which

Oak Ridges - Lake Wilcox

appears in this issue for the first time. If I missed any happenings — my apologies. Give me a call with April events as soon as you know the dates.

Don't forget the Lions eyeglass drop box at the Bank of Nova Scotia until March 3. You may also drop your spare specs off at the Wheelhouse. The glasses will be shipped to India where they will be refitted to the needs of the poor.

Tickets are available at \$5 each for the Lions' vacation draw, a one-week all expenses paid trip to Acapulco for two or \$500 in

cash. Only 300 tickets have been printed. The draw will be held April 5. Call Carl Burns at 773-5085 for your ticket.

Winners of the two draws at the Lions' Valentine dance were Richard and Elva Margerum. That's lucky!

Stanley Cup pool tickets will be available in the near future at \$1 per ticket. Basically the same as the other Lions' hockey pool tickets these have one difference. They pay \$10 for every goal in the game and \$100 for the last goal of the game!

Neighbourhood notes

Sympathy is extended to David Atcheson of King Sideroad on the death of his mother Catherine February 16. Mrs. Atcheson was 90 and had lived in Oak Ridges for 25 years.

With all the local schools having science fairs and related projects being brought home by my daughter, I got bitten by the bug. But alas, my project fell flat!

proportion or if anything else was added to the water, I don't remember. I tried it recently and no crystals grew. I asked our friendly local pharmacist who asked three friends. They all remembered the alum and the water but not the HOW.

Can anyone help? I want to grow some crystals. If it works I may even grow an addition to the house!

Thank you King Township

By Donna & Norm Matthews

This is the first article we have written under a joint byline, giving us the opportunity to express our sincere thanks to all our readers who buy The Liberal and who "feed" us information as the basis for our weekly column.

As some of you may have heard, we were the recipients of the Ontario Hydro "Champion Correspondent" award for the year 1974, and on February 15 were invited to the Royal York Hotel, Toronto, for the presentation.

The occasion was the 25th Anniversary of the Ontario Weekly Newspaper Association celebrated during their annual convention.

We were fortunate in sharing our dinner table with David and Kay Dills whose family publishes the Acton Free Press. David's brother Jim was named the new president of ORNA and his two daughters and two sons were at our table also.

After a delicious buffet dinner there were a few typical convention speeches made by ORNA or newspaper staff members, and then came our big moment.

Dennis Dack, head of news media relations for Ontario Hydro took the floor and began a recitation of background data on us while our hearts pounded a nervous beat.

We were invited up on the stage where Mr. Dack presented us with an impressive wooden plaque and a cheque as our award.
