Due to mail difficulties there will be no monthly letter sent out for March. The general meeting scheduled for March 17 will be nomination night. Elections will take place in April. The meeting gets under way at 8 pm sharp. Recently Comrade Tom Hughes was in charge of selling tickets for a \$5,000 elimination draw which was held February 28. Big winners were: Bruce MacPhadden, Dean Quinton, Wes Berseht, Ted McBrien, Smith Realty, Mrs. Sike and Mrs. Jupp. A great round of applause for Tom's super job. Jack King, Joe Theisz and William Neal are ill at home but Charlie Robson is in.

York Central while George Goddard is at Sunnybrook. Did you know every Saturday afternoon will see live entertainment in the ladies' lounge. This past weekend Peter and John gave a taste of what's coming. At the "Free and Easy" Friday night those attending had the pleasure of listening and dancing to the music of George Cowie and Ken Birch. Won't you come aboard some Friday or Saturday and join in some pleasant times? Make a note of the following coming events: March 8 — district mixed darts. Following the tournament there will be a dance in the main hall.

March 15 — St. Patrick's dance.
March 22 — bus committee dance. Comrades Fred Williams, Frank White and Karry Allison are hard at work getting the Legion bus ready for the new paint job. Comrades Sterling Reid and George Sullivan are

also in there pitching. March 24-30: International Hockey Tournament.
April 5 — Branch 375 District "E" invitational mixed darts tournament.
April 11 — the annual pub night. Tickets now on sale. The Peallies are coming.

School bus demonstration

Travelways will be holding a demonstration on the safety features of school buses which have been introduced in the last eight years at the Travelways Markham Depot, 30 Heritage Road, Markham, tomorrow (Thursday) night from 7:30 to 10:30 pm. The evening will consist of

a brief explanation of the major improvements of the 1975 model as compared to the 1966 model. Those attending will then be invited to view for themselves the physical differences on actual models of each vintage in the garage area. Qualified mechanical personnel will be available to answer any questions regarding improved safety features.

Georgina Twp. needs day care

The need for nurseries and day care centres in Georgina Township is alleged to be great and a delegation has met with that municipality's council asking it to take the necessary steps to see such facilities are established. The brief presented by the delegation requested township council to approach York Regional Council for funding of these badly needed services. It also asked council to form a committee to develop plans for day care

and nursery facilities. A day care study made in York in 1972 indicated Georgina ranked third in the nine regional municipalities in the need for day care centres. The need for nurseries, it was noted, was as great, since there is only one licensed nursery school in the township.
