Branch 375

Congratulations are extended to the members of Richmond Hill ladies' auxiliary bowling team, who were among the winners at the Central Regional Ontario bowling finals at Barrie on the weekend.
 The local girls competed with 54 other teams to grab a berth in the All-Ontario championships in Windsor, June 21.
 Members of the team are: Ethel Buck, (captain) Ethel McRae, Gerry Chapman,

Ivy Hudson, Sheila Topper and Betty Wolfreys.
 A big contingent of supporters is expected to make the trip with the team in June.
 Spring has come and with it our sick parade is rapidly reaching nil.
 George Goddard has returned to the ranks from Sunnybrook and Harold Dament from York Central. This leaves George Montgomery holding the fort in

Branson. Hurry up, George — it's too nice to stay in hospital
 We extend sincere sympathy to members of the family of the late Morton Davis.

A very successful week has just ended for Branch 375.
 Friday evening saw the premises packed. Downstairs the regular Free and Easy held sway in the capable hands of George and Jimmy, while upstairs the annual Pub Night was complete with the Piccadilly Pearlies at the helm.

Saturday night the Pipes and Colors hosted a dance, which was a real smash. The band gave a parade which proved they get better each time out. During the evening Comrade Art Heaton was presented with a birthday cake, piped in by band members.

There will be live entertainment every Thursday, Friday and Saturday evenings from now on. Comrade Tom McKeage is in charge and reminds us that these nights are open to all members and their guests.

The following future events are planned for your entertainment:

April 19 — Fuddle Duddle dance.
 Regular Free and Easy every Friday. Come aboard and enjoy yourselves.

Regular monthly meeting April 21 at 8 pm.
 Election day for Branch 375 April 27 at 1:30 pm — sharp. Only ordinary and life members are eligible to vote. Be prepared to show your card at the door.

Ontario Provincial Command Service Officer Gene Traversey will visit Branch 375 April 28 at 9 am. Any veteran wishing to see him is asked to call Branch Service Officer Tom McKeage for an appointment.

In each newsletter mailed recently to all members, there is a 50-50 ticket for the giant jackpot. Money may be returned to the branch office or bar. It will then be turned over to the treasurer of the color guard.

They say it's important to use the right tool for the right job, but sometimes you just don't have the right tools and you have to improvise. For instance, a grapefruit spoon makes a good wrong screwdriver, for example, (you can usually bend it back into shape afterward). For heavier jobs, you can use a shoehorn. The right tools required most often around the house are a hammer, a screwdriver and a pair of slip-joint pliers. Most people use the right tool for the wrong purpose. A screwdriver is usually used for stirring paint, hammering tacks and chiselling wood (after the wood chisel has been ruined driving screws). A handy thing to have around the house is a vise. Used for many repair jobs, it can make more repair jobs if you tighten it just a shade too much.
