Langstaff pair off to County badminton finals

A late but warm welcome is extended to our new students Susan Kerr, Debbie Mewhiney and Veronica Sqawit from Participation House. Although just new in our school, they have already become active in the flying club and will be making their first flight soon.

York County badminton tournament was held last Thursday at Thornlea Secondary School. Lee Myers and Angelo Parravano placed second in mixed doubles in the Zone 6 competition and will go on to the York County finals and the BGSSA meet. Good luck!

The rest of the team played well in all divisions but were up against tough competition.

The team includes Claudio Tersigni and Vince Cudia in men's singles; Louise Gossline in ladies' singles; Liz Karmanis and Betty Vollenbert as one team of ladies' doubles; Marg Gregoire and Janet Hofmann as the second; Alfred Bonigut and Geoff Shaw in the men's doubles along with Alan Francin and John Bordignon.

Along with Lee and Angelo in mixed doubles were Carol Bickerstaff and Ron Guidohn. (Another team member unable to play because of a back injury was Linda Gossline).

The girls' "Jamboree" volleyball team played very well in the tournament at Langstaff last Monday. They lost in the semi-finals to Richmond Hill, who were the first place winners.

Congratulations to team members: Louise Lessif, Lesley Stubbs, Vicki Kallis, Lynn Hoffland, Janice Newman, Dora Bucci, Peita Vanarnhem, Liz Peterson (who broke her elbow and was unable to play but was there to cheer on her team mates), Lisa Hudson and Mary Ann Ball.

Special thanks to Coaches Jenny Lines and Lee Myers. In the York County gymnastics meet Alison Maclean was first prize winner of the junior team division. Fran Williams also showed well placing fifth in intermediate bars. Mary-Lou and Vicki Farrell qualified for the BGSSA competition held at Barrie Central April 12.

Fran Williams once again placed fifth over-all in intermediate bars. Congratulations Fran and team. A hearty thank you goes to Coach Mrs. Mary-Ellen Benton.

Langstaff's 10th annual prom "Au Printemps" will be held May 9 at the Bayview Country Club. Ticket cost is \$24 a couple and dress is formal.

Langstaff's Year Book, "Metamorphosis", is half finished and coming along well. A lot of hard work and late hours have been put into YOUR year book.

We urge you to buy a copy and your last opportunity to do so will be next week. Prices are \$4.50 with a student card and \$5.50 without. Let's see some support!

Tennis season is ready to go

Junior team try-outs

That time of year again to start thinking there will be a spring and then a summer in which to play tennis. And as most of the past members will have received their application forms for membership and coaching, I would suggest that anyone interested in joining the tennis club this year should contact either the above number or Carole Draper at 884-4859.

Ian Griffin will be the club instructor and team coach again. Welcome back, Ian.

The first event to take place this year will be the junior boys and girls team tryouts. These will be held next Saturday and on April 26 at the Crosby Park courts at 9 am.

We would like to see as many young people as possible... girls as well as boys. All juniors up to 16, who have had instruction and are willing to train to win, are all welcome.

First game May 21

Once more the ladies are preparing to accept the challenge and Peggy Freeman, the ladies captain, is willing to slave away this summer with her ladies and hopes to field two teams. Anyone interested should meet at the club house April 23 at 10 am, come rain or come shine (if shine come ready to play). The first game will be May 21.

Any female members who just wish to play friendly tennis should also attend this meeting as Peggy will also be organizing tennis on both Tuesday mornings and Thursday afternoons for those who have had a series of lessons and would now like to improve by just playing.

Change in rules

There has been one change in the club rules regarding tennis wear and this rule now reads... "While tennis whites are encouraged and preferred, other acceptable tennis attire is permitted." Shoes must still be soft soled and have no heels.

Coaching: Anyone just requiring information about coaching, please contact the Handsbury's (all the family is involved) at 884-6675.

Club captain Phil August will be calling team practices in the near future.

Court chairman is Bill Armstrong who would appreciate assistance from all club members in keeping the courts and club house in good order. Any volunteers please contact Bill at 884-6232.

Again the club will be hosting tournaments this year for the ICTA and York Simcoe and OLTA.

Wine, cheese party
This is all at the moment

but watch this column and bulletin board in club for future news.
Opening day... wine and cheese... May 31, 1975.

Penny Davey is in Ottawa swim Hill aquatic club

Ten year old Penny Davey competed in the Ontario Age Group swimming championships held in Ottawa over the weekend.

She was the only Richmond Hill Aquatic Club swimmer to compete (results available later) and her clubmates gave her a send-off cheer at the last practice before she set out for the capital with her parents.

She swam in the 200 metres breast stroke event and final results will be available soon.

Penny only joined the Richmond Hill club some 18

months ago but rapid progress has enabled her to compete with the best in Ontario.

The Hill club is staging a training scheme for young swimmers who are interested in competitive swimming.

The program is particularly suitable to young swimmers who would not otherwise qualify for the Hill swim team.

Interested parents should contact the secretary, Mrs. Sandra Davey, at 884-7933 or Al Branch, president at 727-3817.
