

Tennis try-outs Saturday

Due to the high winds and generally bad conditions last Saturday the junior team practices were not held. There will still be a try-out this Saturday at 9 am at the Crosby courts.

Ian Griffin, our coach, has called further team try-outs to be held . . . boys — Monday, April 28 at 7:30 pm, at the town park courts . . . girls — Wednesday, April 30, 7:30 pm at the town park courts.

It is sad to report that already one of the nets at the town park courts was subjected to abuse and Bill Armstrong, court chairman, had to spend over two hours repairing it. I know it is tough to lose, but please don't take it out on the nets. They are very expensive items to replace.

President's message
Club President John Beck reports that "in March we were informed by the town authorities that the town park courts would be operated by the parks and recreation departments as public courts.

"This plan was rejected by the parks and recreation committee at this meeting of April 10. Our club has now agreed to operate both the

town park and Crosby Park facilities for the 1975 season . . . this means that we have the same on-court time as in the 1974 season."

Instruction
Generally, the deadline date for this is past and all of the May lessons for both junior beginners and senior beginners have been fully booked. Anyone interested in lessons who has not already applied for June or July

WHAT DO MOST GREEN, HEALTHY LAWNS HAVE IN COMMON WHEN YOU GET RIGHT DOWN TO IT?

Good strong roots—thanks to Golden Vigoro. And you just need to apply it once at the recommended full season rate. Golden Vigoro's unique formula gradually releases nutrients to your lawn developing strong and healthy roots. So your lawn greens up fast and stays green all season long. Come and talk to us about lawns. We've studied the subject in depth.

showing perfect form, well almost, is young Scott MacLean (foreground) of 90 Earlhart Crescent, Richmond Hill, while Craig Halliday, also of Richmond Hill, looks on rather dubiously. No matter, they'll be able to better their game starting April 28 when the Richmond Hill and District Family "Y" starts its tennis lessons at the town park courts. Eligible are boys and girls from 9 to 16 years. The lessons will be held Mondays and Wednesdays from 4 to 7 pm.

Swimmers win ribbons

At a tri-club meet in Hamilton Sunday, Hill swimmers competed against Chawanda and the Hamilton Mountain Sharks. The Hill club lacked the depth to match the bigger clubs in several points but several swimmers won individual ribbons.

Hill Miller came first in the 100 metres freestyle for girls and under, and second in the 100 metres individual medley and second in an exciting 50 metres breastroke event when she was beaten by only one-tenth of a second by her teammate, Penny Davey.

Karen Taylor placed first in her heat and second in the overall times in the 50 metres fly for 11 and 12 year olds. She also placed first in the 100 metres freestyle and in the 100 metres individual medley. In the boys 10 and under events, Robert Apenis placed third in the 100 metres individual medley and the 50 metres breastroke. Dirk Pfenning placed first in the 50 metres freestyle.

Minor ball tryout Sat.

Try-outs for town representative teams in the Richmond Hill Minor Ball Association will be held Saturday at Crosby Park.

The bantams will go at 10 am with boys born in 1960 or earlier eligible. Time is 10 am. For further information call Tipold at 884-6910.
