Court chairman
Bill Armstrong would make the following recommendations regarding the disappearing lock at Crosby courts... instead of putting the lock in your pocket, after you open the gate, why not attach it, chain and all, to the gate.

This way we do not lose the locks.

This season the club has two Ontario Junior rankings... Steve Cox was ranked in the under 18 and Sandy

Concrete canoes racing Sunday

An international concrete canoe race will be held this Saturday at Lake Seneca on the King campus of Seneca College north-east of King City on Dufferin Street. This year's event will see 30 concrete craft of all descriptions representing colleges and universities throughout Eastern Canada and the United States.

Participants in the race are required to both build and race their concrete canoes. Races begin at 12:30 pm.

The King campus is a picturesque lake and a rolling parkland setting, ideal for family outings and picnics. Food and refreshments will be available all day.

defending champion Fraser Hambly lost to Jurgen Rump. Then Aldo Orlando defeated Rump. Then it was Toprani winning over Orlando and then on to defeating Cattanch who was the top qualifier in the tournament. This tournament attracted some of the best bowlers in the country with some bowlers coming from as far away as Edmonton and New Brunswick. This is the biggest money tournament for the bowlers and I know John Martin would like to continue this event, but he needs the support of the bowlers.

300 Classic
On Sunday bowlers from around the York Simcoe zone got together to bowl in the 300 Classic. To qualify bowlers needed to have bowled a 300 game with or without handicap.

Then during the third week in March bowlers then tried to qualify in a league roll-off. Each league was allowed to send one bowler for every ten that had bowled a 300.

A total of 116 bowlers attended the finals at A.B.C. Bowl. Steve Wicklum came first with a great score of 952 for three games. Steve's choice for a prize was a silver tray. Next came Jim Davidson 919 pots and pans, Susan Phillips 913 pots and pans, Pauline McNaught blender, Florence White 885, Jim Baker 884 pots and pans, Paul O'Beirn 876 pop corner, Donald Rettenger 854 blender and Terry Bullerwell 849 foam shaver round out the top ten.

Every bowler received a prize and the prizes were furnished by the York Simcoe Bowlers Association. There was no entry fee for this tournament except that you needed to have bowled a 300 game.

The Y.S.B.A. would like to thank all the bowlers who are Y.S.B.A. members. It is only through their support that we can hold tournaments of this magnitude. With the bowlers continued support of our Association we will be able to do more for the bowlers of this zone.
