

Treatment will stop white dust clouds on Duncan Road

Second grading soon

Duncan Road and area residents were more than happy to see their roads graded and surfaced. But with the disappearance of the old familiar pot-holes came a new menace — white dust clouds sweeping up from road surfaces after every truck, car, bicycle — and even tricycle!

However, do not despair; the works department has assured us this is just the first grading.

A second grading and treatment to counteract the white dust will be taking place within the next week or so.

A calcium chloride preparation and bribe is used, so we won't have black sticky tar worries to contend with.

Bloody Mary soup idea

Ward 3 Ratepayers licked their lips in anticipation of a great barbecuing summer, at the Consumer's Gas "Barbecue Chef" evenings held at the Gas Company's local Blue Flame Room at Elgin Mills Road.

Marvelous aromas filled the air as the tantalizing dishes

were cooked over barbecues.

Waiting to find out who had won door prizes, of the dishes cooked, was almost as bad as waiting for the Olympic lottery ticket announcements.

Among the many interesting dishes presented was one called "Bloody Mary Soup".

The ingredients for this are as fascinating as its title. I haven't made it as yet, but thought you might like to share that experience with me.

Here is the recipe:

- 1 medium onion, diced
- 3 celery stalks, diced
- 2 Tablespoons butter
- 2 Tablespoons tomato puree
- 1 Tablespoon granulated sugar
- 5 cups Tomato Juice
- 1 Teaspoon Salt
- 2 Teaspoons Worcestershire sauce
- 1/4 Teaspoon pepper
- 1 Tablespoon lemon juice
- 1/4 Cup Vodka
- 1/4 Teaspoon Tabasco
- 1/2 Cup sour cream, optional

Saute onions and celery in butter over a medium gas

flame until light brown.

Add tomato puree, and sugar and continue to saute for one minute.

Add tomato juice and simmer eight minutes. Add remaining ingredients.

Serve either hot or well chilled. May be garnished with sour cream. Serves 6.

This might be a good dish for the "Dads" to prepare for Mother's Day!
