Hillcrest Residents' Association will hold an important meeting tonight (Wednesday) in Hillcrest Mall Auditorium at 8 pm.

The board of directors will be elected at that time.

It will consist of nine members, and included in those seeking office are: Gord Berger, Harold Burke, Rik Ellery, Joan Hooper, Colin Jacobs, Sandra Millstein, Cathy Ott, Stewart Roberts, Grant Rutherford, Jackie Sandler and Sandra Spiers.

A guest speaker from Richmond Hill Horticultural Society will be present to talk about growing your own vegetable garden.

He will answer questions and offer advice on everything from mucking to cultivating kumquats.

Plans and architects' drawings of the new Catholic school, to be completed this fall will be displayed.

Cadillac is planning to start building in Phase 2 of BAIF within the next month, and a plan of this area will also be available at the meeting.

HRA has been successful in many areas of concern to residents and will continue to grow and serve the needs of the community.

The group needs just one thing — your support. Do come out and give them the backing they need. It is in your own best interests.

Fireworks display
 A terrific fireworks display for all the people of Richmond Hill will be

Carrville-Hillcrest News

presented by the Boy Scouts on Victoria Day, May 19.

Blast-off site is Pearson Park, located on Pearson Avenue in South Richvale. Don't laugh, there probably are a lot of people who have no idea where Pearson Park is.

The display will start at sundown, so come, bring the kids and join the fun.

Church news
 Carrville UCW held its monthly meeting Tuesday of

last week at the home of Mr. and Mrs. Harold Howarth.

The ladies finalized plans for their annual plant and bake sale, to be held May 22 and 23 at Carrville United Church, Rutherford Road.

Annual flowers, vegetables and potted plants will be on sale in addition to a variety of delicious home-baked goodies.

Beavers
 What is a beaver? Your reporter called Rik Ellery, Castle Rock Crescent to ask, and was told — a Beaver is a boy between the ages of five and eight.

Beavers come under the umbrella of the Boy Scout Association, and is a preliminary group leading to Cubs.

They meet once a week and their activities include

visits to a fire station, police station, and various parks.

The boys also learn their motto and laws, crafts and games in order to earn themselves their scarf and badge.

Rik and his wife Carol-Ann are both Beaver leaders, and are willing to form another pack in this area. For information call them at 883-1146.

Roselawn Senior School

students will present Gilbert and Sullivan's operetta "The Pirates of Penzance" tonight (Wednesday) at 7:30 pm.

Everyone is invited to the performance in the school auditorium and admission is \$1.25.

A reminder that the Richvale Lions barbecue and dance will be held Saturday at the Lions Hall, Spruce Street.

The public is welcome to attend and tickets may be obtained by calling Clare Greenfield at 884-5097.

Several residents have expressed concern over children riding bicycles helter skelter on the roads.

This is a plea to all parents to instruct their children to the importance of road safety rules, including lights at night, and riding single file in the same direction as

traffic.

Some children seem to know no fear or perhaps they are unaware that cars cannot brake on a dime.

If you have any suggestions bring them to the HRA meeting tonight.

Congratulations to Pat Aaslepp who did a great job organizing the toy section at the Family "Y" 's Treasure and Trivia Sale Wednesday of last week.
