

Children's athletics

Ward 3 news

Correspondent
Marion Hohener
889-6653

The firework display sponsored by the Scouts and Cubs of Richmond Hill, and held at Pearson Park, made a perfect ending for the Victoria Day weekend.

With the fire department, the police and an ambulance on the grounds, everything was done to ensure it would be a safe evening for all.

Judging from the enthusiastic "Oohs", "Ahhs" and applause from the on-lookers, it was a wonderful fireworks night.

Pearson Park is really Ward 3's only "local" park of any size, at present, and it was good to see so many families taking advantage of it.

Children's track

Richmond Hill Athletic Club's Mite-Tyke-Atom division (7 to 12-year-olds) meet on Mondays and Thursdays at Richmond Hill High School Track and get a thorough work out along with a good time.

Next week, they will be doing high jump and discus throwing, as well as running. The children are all looking forward to it.

They meet at 7 p.m. and anyone interested should go along to the school at this time.

For more information call Bob Thomson at 884-4100. Advice on Trees

With the vast army of gardeners out in force these days I wonder if many people realize we have the Government of Canada Natural Resources Department close by at Maple, which deals with diseases in trees and shrubs.

If you do have a sick tree or shrub that doesn't respond to treatment - or advice - you may try consulting the very helpful staff at the Maple Centre.

Having consulted them myself, I don't believe there is anything they don't know about trees.

Swimming program

The Grade 3 swimming program begins at 16th Avenue School this week at Thornlea Pool.

Also there is a trip to the Burlington Outdoor Resource Centre at Kleinburg where a greater understanding of nature is given to the children.

They learn to observe more closely things and creatures that would otherwise go unnoticed and gain greater knowledge as to why it is so important to conserve and preserve our natural resources.
