Local artist gives prints to hospital

Richmond Hill artist Carol Wakefield is shown above presenting prints of some of her recent work to Ken Rowe, assistant administrator of the Hospital for Sick Children in Toronto. The hospital is celebrating its 100th anniversary this year. Besides being an accomplished artist, Mrs. Wakefield also is the writer of "Bubblegummers", a nationally syndicated comic strip which is drawn by her husband, Jeff.

Richvale Brownies end year with party

By Peggy Castle
 Hillcrest correspondent

The 1st Richvale Brownie Pack wound up this year's activities by holding a party at Ross Doan School May 26.

Brown Owl Audrey Hilton, Tawny Owl Maureen Cross, Grey Owl Dorothy Cage and Snowy Owl Peggy Finch were kept busy organizing races and giving awards and prizes to several girls.

Receiving the golden ladder award were Deborah Cross, Jennifer Hilton, Heather Clugston and Pamela Zettle (who also received her golden bar).

The golden hand award was given to Allison Cross, Karyn Cunningham, Heather Leyman, and Angela Hunter.

These four girls received their wings and flew up to Guides along with Michele Sayer, who walked up, at a ceremony May 28 at Charles Howitt School.

Badges awarded

The following badges were also awarded May 26:

Cook's badge: Allison Cross, Deborah Cross, Mary Knowles, Heather Leyman, Michelle McCosh; housekeeper badge: Angela Hunter, Sandra Hooper, Wanda McNeil, Kim Russell; skater badge: Karyn Cunningham, Jodi Walker; dancer badge: Allison Sabin; musician badge: Jennifer Hilton.

Race winners

The sack race was won by Pam Zettle and Wanda McNeil, second were Deborah Cross and Jennifer Hilton, third were Allison Sabin and Tracey Daoust.

Running races for 7 and 8-year-olds were won by Louise Neale first, Heather Clugston second, Deborah Cross third. In the 9 and 10-year-old running race Pam Zettle came first, Angela Hunter second, and Sarah Robinson third.

The best somersaulter was Sarah Robinson, followed by Angela Hunter.

In the wheelbarrow race Sarah Robinson and Allison Sabin came in first. Second were Deborah Cross and Sarah Oseni, third Sarah Cunningham and Louise Neale.

The three-legged race for seven and eight-year-olds was won by Allison Cross and Heather Leyman. Second were Pam Zettle and Wanda McNeil, and third were Sarah Oseni and Michele McCosh.

The three-legged race for girls over 8 was won by Deborah Cross and Louise Neale. Second were Kim Cichietek and Susan Roseblade, and third were Jennifer Hilton and Mary Knowles.

In the Hopping race, Deborah Cross came first, Heather Clugston second, and Jennifer Hilton third.

Brown Owl retires

Mrs. Audrey Hilton will be greatly missed next season as she gives up her post as Brown Owl.

The girls and parents very much appreciate the work she has done in setting up the Brownie Pack and hope it will continue to run smoothly in future years.

**Country property owners:
 Aquarobic questions your present home sewage system.**

- 1 Is there a municipal sewage system available to you? YES NO
- 2 Can your lot accommodate a septic tank and tile field? YES NO
- 3 Do you have trees on your lot you wish to save? YES NO
- 4 Is your lot affected by high ground water? YES NO
- 5 Is your lot located on extremely rocky terrain? YES NO
- 6 Is your lot located on very hilly terrain? YES NO
- 7 Has your present system been checked by the installer within the past 90 days? YES NO
- 8 Is your present system protected by a built-in warning system? YES NO
- 9 Does your present system leak or pond? YES NO
- 10 Does your present system give off offensive odours? YES NO
- 11 Does your present system ever get overloaded? YES NO
- 12 Is the performance of your present system guaranteed for at least 10 years? YES NO
- 13 Is your present system acceptable under Part VII of the Environmental Protection Act? YES NO
- 14 Is your present system acceptable to your neighbours? YES NO

Your answers to these 14 questions might show you don't need a new home sewage system just now. Or, your answers might prove that you do need a Government-accepted Aquarobic home sewage treatment system right away!

These questions are tough. But the Ontario Ministry of the Environment requirements are tougher.

If you're doubtful about your present sewage system, you could be in for a long, hot summer. If you let Aquarobic solve your problems, you will really enjoy those lazy, hazy days in the country.

If you answered "Yes" to Questions 3, 4, 5, 6, 9, 10 and 11, you should be seriously considering an Aquarobic system. If you answered "No" to most of the other questions, you should be talking to an Aquarobic man right now!

Fill in the coupon and mail it to us. We will send you detailed information and our Aquarobic Purchase Kit.
