

# Shower for Rose Anne Genoe

At the home of Mr. and Mrs. Jack Parker, 64 Spruce Avenue, about 25 guests attended a shower recently in honor of bride-to-be Rose Anne Genoe of Collingwood, well-known to many of this locality.

Along with those present from Thornhill, Richmond Hill, Oak Ridges, Newmarket and Brampton came guests from as far away as Fenelon Falls and Collingwood, the present home of the bride-elect.

A most attractive floral centrepiece designed by Mrs. Margaret Styan of Richmond Hill highlighted the table from which delicious refreshments were served.

This was appreciated very much by all who attended and especially by Mrs. Parker, a long time friend of Mrs. Styan.

Mrs. Styan is indeed talented in all aspects of horticulture.

Not only has she a "green thumb" which is evident in the fine results obtained in her own small garden — but her artistry with flower arrangements is a joy to behold!

The Hillcrest Community Association had the pleasure of hearing her speak at a winter meeting and members certainly benefitted by her advice on the planning of the smaller gardens of that new neighboring community.

May we offer her some of the credit for these delightful little gardens displaying a fine show of color with some vegetables — tomatoes or salad greens — carefully concealed amid the array of flowers, which may be seen throughout the new area of semi-detached or town houses, each displaying a little individuality and aliveness.

Two adjoining town houses on Springhead Gardens are particularly eye-catching. They have so much to offer for so little space. Take a walk and see for yourself.

**Nursery school**  
Richvale Co-operative Nursery School's annual outing held at Bruce's Mill Conservation Area July 11, ended another successful year for this school, which operates from Charles Howitt

Public School on Pearson Avenue.

Due to its popularity and its being the only one in the South Richmond Hill area morning classes are filled for the fall but there are still openings available for the afternoon sessions from 1:15 to 3:30 pm Tuesdays, Wednesdays and Thursdays.

For further information please call Marg Weitzes at 881-1404 or Brigita Kaldenbach at 889-8033.

# Notice To The Public

Regional Taxi Ltd. has operated in Richmond Hill for seven years now. The independent owners of Regional Taxi Ltd. have purchased the company on a co-operative basis, and have also purchased Allied Taxi. They have assumed responsibility of Allied's policy of free Senior Citizen service every Wednesday between 10 a.m. and 2 p.m. until Wednesday, August 27, 1975. If the company feels there is enough support we will continue the service next summer.

Due to our new management and an increase in the size of our fleet we can provide better service not only for our customers in Richmond Hill but also for the residents of Vaughan and Markham Townships.

Regional is slowly changing from the familiar blue and white on the cabs to the new colours of red and yellow.

WE LOOK FORWARD TO MEETING YOU.

The care of piano keys is a sensitive matter... While it's necessary to keep them clean, it's also very important not to let any cleaning agent get down between them... This might cause them to stick and moisture working its way between the wooden key block and the white plastic or ivory veneer might loosen it... For general soil, use a good cleaning wax — applying it sparingly and wiping it off carefully... If there are sticky spots from soft drinks or food, a few drops of alcohol will usually do the trick... For occasional stubborn spots like ballpoint pen or grease, an ink eraser is effective... It's amazing what will turn up on piano keys, particularly from the fingers of youthful musicians.
