

Car radio stolen, Hill house ransacked, bogus \$20s found

A citizen band radio valued at \$550 was stolen

from a car on the lot of North Islington Toyota, Woodbridge, some time between 11 p.m. August 7 and 5 p.m. August 19.

The passenger window of the car, property of a Toronto man, had been broken.

Reporting to York Regional Police, the victim said soft drinks and beer had been consumed by the culprit or culprits. There were no signs of forcible entry and nothing else appeared to be missing at the time of the investigation.

The manager of the travel agency told York Regional Police the person who gave him the bills could speak very little English. He felt the

man would not be aware the money was counterfeit.

Markham Parks and Recreation Department reported to YRP a quantity of scuba equipment valued at \$400 was taken from a hut at Mill Dam Conservation Area early in the morning of August 17.

Woman harassed in many ways

Over the past two months a York Region woman has been harassed in a number of ways.

Food orders from restaurants and parcels from department stores have arrived COD, but were not ordered by the victim.

There were also innumerable telephone calls, with the caller hanging up as soon as the victim answered.

According to a York Regional Police report, the person even had the victim's telephone disconnected. Investigation is under way.

Malicious call Police also report another type of malicious telephone call.

In this case the victim alleges that she received a call about 6:10 p.m. August 11.

The caller said, "The string on your door is as thick as the one that will be around your neck."

The victim went to the door and found a blue string tied around the doorknob.

At some time on the weekend of August 17, a person or persons unknown broke into the home of Gavan McKenna, Gretel Drive, Richmond Hill, ransacked the bedrooms, the bathrooms, and damaged dining room furniture.

Unionville vandalism and malicious damage

Four thermopane windows at Mark II School, Unionville, were broken at some time between 10:11 p.m. August 23 and 1:22 p.m. August 24.

The premises had been checked on routine patrol August 23 by York Regional Police, and the damage was discovered on a later patrol. Damage was estimated at \$160.

Four windows were broken at Allencourt Pharmacy, Allencourt Plaza, Markham Road,

Richmond Hill, on August 23, causing about \$3,500 damage.

York Regional Police report a man came out of a restaurant in the plaza at about 4:15 p.m. that day and for no apparent reason began kicking out the windows.

He drove away but was arrested the following day and charged with malicious damage. The man, believed to be a resident of Barrie, will appear in court September 8.

Dangerous use of pellet gun

Two 15-year-old Woodbridge area youths were charged with dangerous use of firearms when pellets from a pellet gun struck a house on Ellerby Square North in Woodbridge.

On August 13 pellets went through a screen door and struck aluminum siding at the home of Mrs. Georgina Springstead. One pellet lodged in the wall of the dining room.

The following day the youths returned and started shooting again. Police were called and the two arrested. They will appear in juvenile

court September 3.

Youth charged Another youth, 14, was charged with taking an auto without the owner's consent. The 1975 Cadillac was driven around until stopped by OPP on Keele Street at Snidercroft Road.

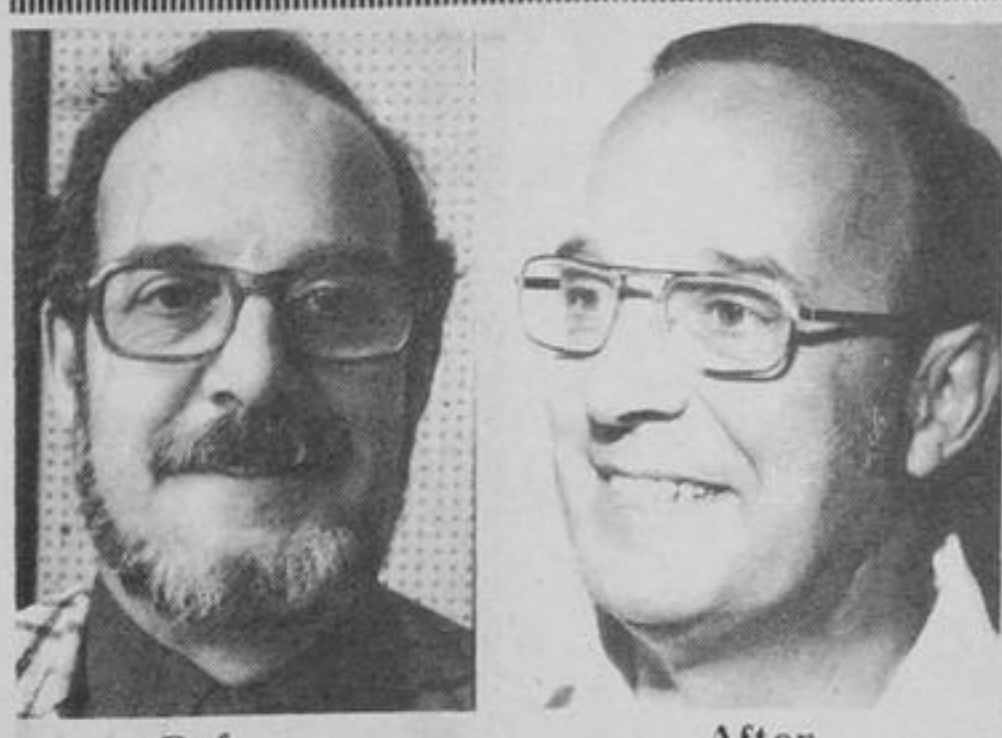

The two passengers fled on foot and escaped, but one was later arrested by Metro police in Downsview. He had a stolen Moped in his possession and was taken to the juvenile detention centre in Toronto.

Parts stolen Various parts valued at \$1,850, were stripped

from a car owned by a Don Mills man while it was stored in a compound at 177 Snidercroft Road, Concord, between August 5 and 12. Police are still investigating.

Malicious damage Also on York Regional Police blotter is a case of malicious damage in the

CN Express yard on Keele Street in Concord. At some time between 4 p.m. and midnight August 12 the convertible top of a car belonging to a Toronto man was slashed while the car was parked in the employee parking lot. Damage is estimated at \$200.

The new Snedker now campaigning

There is a new face in the York Centre provincial election campaign.

The man is the same, but the face of Tony Snedker, candidate for the New Democratic Party, is slightly different.

He has shaved his beard and mustache. Also his face is well tanned after spending two weeks in Spain.

Mr. Snedker left for Spain before the election was called and returned Monday.

But his campaign is well under way, thanks to some fast work by party stalwart Ron Moran of Markham.

Mr. Moran, who was a regional councillor in Markham until a judicial recount put Alma Walker in his place, ordered signs, pamphlets and opened a committee room.

Liberal sports is tops

The Liberal landed in a three-way tie for fifth place in the "best sports page" section of the 1974 Canadian Community Newspaper Association competition.

This was the best showing of any weekly newspaper from York Region and Metro Toronto in this part of the annual newspaper excellence contests.

The Liberal's sports pages were judged against entries from 70 weekly newspapers of all circulation sizes from coast to coast.

Contest results were announced at the CCNA annual convention in Saskatoon this month.

It was the first time The Liberal entered national weekly newspaper competition at least in recent years.

The Liberal also placed quite well, being judged 17th out of 40 papers entered, in the women's news and features category.

Judged to have the best sports page were two Peel Region newspapers. The Guardian of Brampton was first, closely followed by The Mississauga News.

Tied for third were The Wasaga Beach Times and The Penetanguishene Citizen.

Tied with The Liberal for fifth spot were two other Ontario weeklies The Canadian Champion of Milton and This Week of Oshawa.

In the "general excellence" category of the competitions The Liberal placed 15th among the nation's 20 largest circulation weeklies.

The Liberal last fall switched to a modern new photo-composition production system and a complete new set of type styles.

The "general excellence" judging in the national competition was based on one spring edition of the paper produced before the modernization and an edition produced late in 1974 using the new production facilities.
