

# Antique and classic cars rallied up Bayview Avenue

The antique and Classic Car Club of Canada held its last summer rally last week, starting at Bayview Village, driving up Bayview to Gormley, ending at Whitchurch-Stouffville museum.

Amused and amazed people waved and smiled to the drivers as the parade went by, or rather, the people went by the cars — some of these cars of 1917 vintage don't go that fast!

There was a home-bake sale and Newmarket Citizens Band to entertain the many visitors.

Free lunch was given to

the participants in the rally who included residents of the Ward 3 area.

**Parkway Belt office**  
The Parkway Belt mobile information office comes to the area at Thornhill Community Centre at Bayview and John Street, on Tuesday and will remain there until September 6.

If you have any questions regarding the Parkway Belt, which runs along the Highway 7 area, there will be staff there to help, along with answers to specific queries about the status of individual

properties.

Hours are Tuesday, Wednesday and Saturday 10 a.m. to 6 p.m. plus Thursday and Friday 12 noon to 9 p.m.

We in Ward 3 who are especially concerned with keeping our green areas should try to take this opportunity of finding out more about the proposals.

**Election meeting**  
As always, it seems, community life starts

with a bang after the Labor Day weekend. The children skip off to school and turn their thoughts to attaining better grades, while the adults are left this year to turning their thoughts to better government.

With the Ontario elections only two weeks away, The Liberal newspaper is sponsoring an all-candidates meeting for York Centre at

Thornlea Secondary School at Bayview and Highway 7 on Wednesday, at 8 p.m.

It is for the audience to ask these all important questions, either on local issues such as the Yonge St. corridor widening, the role of education in York County with a militant-teacher's union, Pickering and Buttonville airports on a province wide basis.

Then we can go to the polls on Sept. 18 confident that we know our candidates, and the facts.

**Skate exchange**  
A cooling thought for the summer is the Skate Exchange being held on Saturday of next week at the new arena. Equipment may be brought in Tuesday, Wednesday or

Thursday between 7 p.m. and 9 p.m. in the evening. Registrations for hockey can be made at the same time.

**School registration**  
Our 'local' public schools are Walter Scott School at 884-2693, 16th Avenue Public School at 884-5598, and Roselawn Senior Public School at 884-5934. If there are any students in the area who want to register, please call the above numbers this week, where information regarding transportation to the schools can also be obtained.

**School news**  
Sixteenth Avenue Public School pupils will be home Tuesday afternoon. The school will be closed at 12 noon.
