Do you believe that funeral arrangements should be made in ADVANCE rather than leave important decisions to be made under EMOTIONAL STRESS?

Members of the Ontario Funeral Service Association do!

So do thousands of other Canadians who have taken the time to pre-arrange their funerals.

Enquiry before need provides that opportunity to compare Services, Facilities, Caskets and costs under circumstances free of a sense of urgency.

The advantages of having had all funeral arrangements made in advance are most appreciated when the death occurs.

The Ontario Funeral Service Association firmly believes that it is in YOUR BEST INTERESTS to consider pre-arrangement of funeral plans and respectfully suggests that you visit a funeral director where pre-arrangement may be discussed calmly, in confidence and without obligation.

I, C.D. Weldon, Clerk of the Town of Richmond Hill do hereby certify this is a true copy of By-law No. 67-75 passed by the Council of the Town of Richmond Hill at their meeting held on the 16th day of June 1975.

THE CORPORATION OF THE TOWN OF RICHMOND HILL
EXPLANATORY NOTE
BY-LAW NO. 67-75

The provisions of this by-law apply to that part of the Town or of Richmond Hill that was in the Township of Vaughan prior to the formation of the Regional Municipality of York. By-law 2523 of the Township of Vaughan, which remains in force in that area, provides that in all Residential Zones, other than Rural Residential, if a dwelling is erected without a carport, the minimum sideyard requirements are 16 feet on one side and 5 feet on the other. This has been applied as referring to an attached garage although it does not specifically say so. The purpose of By-law 67-75 is to make it clear that the above provisions refer to an attached garage. The sections affecting the R1, R2, R3 Zones are the only ones amended because there are no other Residential Zones in the designated area which include that side yard clause.
