

Turkey and trimmings for 500

More than 500 people enjoyed the bounteous feast of turkey, vegetables, salads, and home made desserts provided by Victoria Square United Church in the community centre Nov. 5. Since admission to this annual event is by ticket only many people, who hoped to partake of the good things to

eat, had to be turned away. Hard at work carving the turkeys above are Gordon McWhirter, Fraser Gee, Reid Brumwell, Verda Mortson (who was in charge of this section), Della Allen and Janet Nelson (hidden).

Ont. government arranges cheque pickup points

Procedures were announced Monday to minimize hardships the mail strike may cause people expecting ministry of revenue payments.

"We have over 272,000 pensioners expecting their GAINS cheques by Nov. 15," said Revenue Minister Arthur Meens in making the announcement.

"We are also concerned that cheques are issued properly to the 2,000 or so people who qualify each week for their first \$1,000 instalment of the home buyers' grant and the sales tax rebate on the purchase of new cars amounts to another 6,000 cheques a week. So a lot of people are depending on us to help them furnish their new homes and in many cases meet their normal living expenses."

"We have set up an alternate delivery service through the ministry of revenue district retail sales tax offices, regional

assessment offices and branches of the Province of Ontario Savings Offices," he continued.

Incidentally, tax payments must still be filed on time and we have made arrangements for these remittances as well as other ministry mail to be left at any of our offices."

Inquiries
Further inquiries regarding these procedures may be made at any of the above-named provincial agencies. The most convenient for the majority of our readers would be the Regional Assessment Office, 460 Oak Street, Newmarket. Location of other offices may be determined by consulting the telephone directories.

GAINS
Information on the distribution of November GAINS cheques will be released by Nov. 15.

Application forms can be dropped off at any ministry of revenue office. When the grant has been approved, the ministry will telephone the recipient to tell him or her where to pick up the cheque.

New car rebates
Application forms for retail sales tax rebate on the purchase of new cars will be completed at the car dealership as usual.

Arrangements will be made to have these forms delivered directly to the ministry. The co-operation of dealers is being sought in arranging to return the cheques to the dealers for pickup by the applicants.

In instances where the above arrangements are inconvenient the ministry will contact the applicant by telephone.

Tax returns and payments
Returns and payment for retail sales tax, fuel taxes, corporation tax

and succession duties may be delivered to any of the offices mentioned in paragraph 3, or to any Ontario Government office if no revenue office is located in your municipality. For further information call 965-2090.

Observatory designer dies

Alfred Mollard, 78, the Toronto architect who designed the David Dunlap Observatory in Richmond Hill, died Wednesday while holidaying in Bermuda.

He formed the Mollard and Whaley partnership in the 1950s and also designed the recently-raised William Wright Building and the Canada Permanent at Adelaide and King Sts.

Until his retirement two years ago, Mollard worked on industrial and commercial projects, buildings for the University of Toronto and the University of Western Ontario.
