

Thunderbirds losers 2 of 3 games

Hill Rams lose 7-3 to Flyers

(Continued from B-1)

Richmond Hill outshot the Flyers 44-36 on the game but were consistently outthrust in the corners. In addition, the Newmarket goalie came up with some excellent saves.

In control
It was a different story last Tuesday as the Rams were in control of the game most of the way with defenceman Joe Greentree opening the scoring at the 20 second mark from Ken Paraskevin.

Markham's Rob Garner tied it at 1:18 but the Rams took over in the second on a brace of goals by Rick Febbo. The first came at 1:28 from Mike Gallagher; the second at 15:09 from Danny Jones and Rob Dynes.

Myles McCauley wrapped up the scoring in the third at 2:12 from Bennie Pederson and Nickleson.

Richmond Hill outshot Markham 41-30.

The Rams are at North York Friday, at Royal York Monday, and back home next Tuesday to North Bay. A rugged schedule.

Just one of those nights

Richmond Hill Rams' goalie Brian Stankiewicz suffers "one of those nights" as he's beaten

by Newmarket in Friday night's game at Richmond Hill. Newmarket won by 7-3. Raising

his arms is Newmarket's Don Martin while Joe Geentree looks on.

Lose by 2 goals but a winner

By Bob Reeves

I guess the best one-liner I've heard in a long time came from Bill Wolfson at Sunday's coaches meeting.

When asked how his team made out in Barrie the previous evening, his answer was: "Just fine, we won, the team only lost by two goals."

Barrie, of course, is always a tough town to play in and what Bill was really saying is that his team is improving each time out.

And that's what it's all about — good teaching and learning, good fun for the kids and steady improvement. Believe me, Bill and the others will also do their share of winning as time goes by.

Treat to attend

These coaches sessions are really a treat to attend — I know, I've said it all before — but to see a group of 50 managers and coaches engaged in a good, lively give and take session is really fascinating.

I was pleased to see Liberal sports editor Fred Simpson there as well and I

richmond hill minor hockey

rather imagine he will be writing about the meeting in his column in due time.

This Sunday

A further meeting will be held this coming Sunday and will feature first-aid training and we do need trainers to take this course with Jack Williams and company.

So this is another appeal for help in this area. If you are interested come to the session in the banquet hall in the New Arena Sunday at 10 a.m., we really need you.

Bazaar

And now for the Bazaar which is coming up Nov. 29 from 10 a.m. to 4 p.m. Shirley Logan and her group have been very busy preparing for this day and will be for the balance of this month.

Las Vegas

Ticket sales on the Las Vegas draw are moving well, but of course it could always be better. Watch for our booth at the arena and take a change.

The draw will take place Dec. 8 on Channel 10. At the same time we are

going to have an open house in the banquet hall at the arena.

There will be television sets there as well as various types of entertainment and refreshments.

So keep Dec. 8 open and come and watch the draw taking place.

House league

And now just a few words about our house league. Bob Green and his Convenors and coaches have done and are doing a super job with their teams.

Being short of convenors, Bob has done triple service and it's much appreciated by everyone. The calibre of play in local leagues is particularly good this year and well worth watching.

A good brand of hockey is being played and the boys are having a lot of fun doing it. And that's what it's all about. Remember we need your support, the players need it and you'll enjoy it.

Dates to remember are Nov. 29 for the Bazaar and Dec. 8 for the Las Vegas draw. In the meanwhile come out to the arena and enjoy some very Happy Hockey.

Legion midgets break even

The Richmond Hill Legion Midgets managed a win, tie and a loss in hockey action last week.

A game Thursday night of last week saw the locals edged 3-2 by Aurora in an unusually quiet game which saw only a total of nine minutes in penalties for Richmond Hill and six for Aurora. They looked like they were all stragglers.

Richmond Hill did score the opening goal in

this one with Dale Strang doing the job assisted by Phil Woods. The team seemed to be at loose ends all night.

Richmond Hill scored again at the 5:38 mark courtesy of Danny McVeigh from Chris DeGeer.

Aurora scored twice in the first and once in the third with a minute and 36 seconds left to play.

Legion 5, Thornhill 5
A league game Nov. 2

saw the Legion boys come up with a 5-5 tie against Thornhill.

Richmond Hill started the scoring at the 47 second mark with Chris DeGeer tallying from Doug Lewis. That's the way the first period ended although Thornhill appeared to dominate the play.

It was the same in the second although Richmond Hill did score its

second goal with Randy Martin triggering it from Dale Strang.

3 goals in row
Thornhill then scored three unanswered goals in the second and two more in the third with Richmond Hill playing shorthanded most of the way.

Then came the 8:55 mark when DeGeer broke in alone and scored.

Don McVeigh scored

another Richmond Hill goal at 9:26 assisted by DeGeer.

Thornhill then took a penalty and Richmond Hill removed its goalie with the result that they tied the game at 14:26 on David Baker's high shot to the top corner on a well earned effort. He was assisted by Phil Wood.

An exhibition contest saw the Hillers drubbing Newmarket 10-3.

Doing the scoring were: Roy Russell unassisted; Chris DeGeer from Doug Lewis and Larry Trotter; Tom Peden from Phil Woods and Larry Trotter; Dave Baker unassisted; Roy Russell from Dave Baker and Al Delefabro; Phil Woods from Dale Strang and Dave Forster; Wood from Forster and Strang; Doug Lewis from Trotter; Russell unassisted; Doug Lewis from DeGeer.

Dean Logan assisted by Norm Murphy and Gary Bubeloff.

Sunday night the Black's team journeyed to Thornhill and came up on the short end of a 1-0 score.

Again the goaltending was outstanding.

This game saw a total of 13 penalties, eight to Thornhill and five to Richmond Hill.

An empty-net goal with only 57 seconds remaining killed any hopes of a comeback Monday night for the Thornhill Junior B Thunderbirds.

They ended up on the wrong end of a 5-2 score at the hands of the Midland Flyers.

It was a poor end to a weekend which saw the Thunderbirds upset Midland 7-6 right in Midland Saturday night. It was Midland's first home defeat of the season.

But the news was terrible in Own Sound Friday night as the Thunderbirds were downed 7-3.

Shaky start

Monday night's game against Orillia saw the Thunderbirds off to a shaky start with Orillia leading 3-0 going into the third on goals by Brian Clark, two, and Ernie Jewell.

Thornhill came out skating in the third and made it 3-2 on quick goals by Kim Mabley from Mark Steele and Ross Gordon at 1:20 and another one from Rocky Pantalone at 2:37. Assists on this one went to Mike Johns and Gary Langfield.

Stockton does it

But that was it. Orillia's Chris Stockton slew them at 10:39 with a goal and then broke the game wide open with an empty net goal at 19:03.

This line of Stockton, Jewell and Clark scored all five goals... picks for Thornhill were Mario DePiero in goal and Barry Howson... the birds had their biggest crowd of the season... 575 people. Orillia outshot Thornhill 47-31.

The Thunderbirds were missing Steve Crob and Bill Coville on two game suspensions resulting from Friday's encounter in Own Sound.

Trail early

Saturday's game saw Thornhill trailing Midland 2-0 at the end of the first 20 minutes only to tie the game at 2-2 on goals by Pantalone and Langfield.

Midland moved into a 4-2 lead in the second but the Thornhill boys got moving in the third and rapped in the third in a spectacular comeback.

Scoring were: Mark Steel from Steve Wilson and Mike Johns; Peter Poulos from Wilson; Pantalone from Wally Stankov; Pantalone from Langfield and Wilson.

Stankov gets winner

This tied the game at 6-6 and left it up to Stankov to be the hero as his point shot found the mark with only 32 seconds remaining.

Jim Reid scored three goals for Midland, Jim Reid, two, and Norm McCauley one. Pantalone was the star for Thornhill with two goals and two assists as were linemates Johns and Langfield... goalie Ben Bourget also came up with a strong game.

The Owen Sound game saw the birds give up four goals in the first five minutes and they never recovered.

Mark Aitken led Owen Sound with three goals with singles going to Brad Angel, John Campbell, Lee Juniper and Mark Kazarian. Kim Mabley, Ross Gordon and Ivo Lanni scored for Thornhill.

Thornhill plays in Oak Ridges next Monday night at 7:30 p.m.

Man, it's wildlife

OUTDOORS WITH
Alex Eberspaecher

Wildlife areas

Distributed throughout southern Ontario are 24 provincial wildlife areas, managed by the Ministry of Natural Resources to produce and preserve wildlife and to give recreational opportunities.

These areas are open year-round for hiking, dog training, archery, trap shooting, and for hunting, during the designated seasons. As we are mainly concerned here with hunting, I will attempt to outline a list of the better areas in the southern region, and regulations concerning each.

Waterfowl

Darlington Provincial Park

provides an excellent opportunity to hunt waterfowl close to the city. Hunting is limited to six established blinds with a daily fee of \$4. On a 'first come - first served basis', hunting is permitted on Mondays, Wednesdays, Fridays, and Saturdays, from one-half hour before sunrise until sunset. Boats are needed to reach all but one blind. Darlington is located south of Highway 401 just east of Oshawa.

First come

Orangeville Reservoir is located just north of Highway 9 east of Orangeville. Waterfowl hunting is limited to 12 established blinds with two hunters per blind and no fees. First come - first served basis means an early arrival time. Hunting is permitted on Mondays, Tuesdays, Wednesdays, and Fridays in this 450 acre area.

Outboards are not permitted and only six of the blinds are accessible by foot. The parking area is on the first line in Mono Township north of Highway 9. This is a good area for Teals, Gadwalls, and several species of diving ducks.

Pheasants

Scugog Island includes 470 acres of top pheasant hunting located on the island in Lake Scugog. Drive three miles east of Port Perry and turn north onto the County Road 7 to the end. Hunting is permitted for pheasants from Tuesday through Saturday.

The fee is \$5 for two birds with a 92 percent success rate. Scugog is open for hunting nine in the morning until five in the afternoon, on a first come - first served basis. A lunch hour between 12 and 1 p.m. is enforced. (See Trailblazers column for November 5 for further details on Scugog.)

Sibbald Point is located just east of Sutton north of Highway 48 and is well-marked. Birds are released as on Scugog Island and the rules and regulations are basically the same also. Arrive early as a limit of 45 hunters is allowed.

Good Woodcocks

Tiny Marsh is located west of Highway 27 north of Elmvalle. This large area is open to hunters for waterfowl, pheasants and grouse, free of charge.

Hunting is allowed from Monday to Saturday but no blinds are available. Outboard motors are prohibited in this area. The limit for pheasant is three birds and I've been told by regular Tiny Marsh hunters that there is a good Woodcock population.

Lots of fun

In all of the above-mentioned areas, the hunter must have a valid Small Game License and, if he wishes to hunt ducks, a Waterfowl license is required. Give any of the areas a try, and I am certain that you will be in for a pleasant surprise. I can't think of a better place for my tax dollar to go.

Niblett Peewees bounce back to down Orillia 4-2

The Richmond Hill Wilson Niblett Minor Peewees split weekend games losing 3-1 to Barrie Saturday and then winning 4-2 against Orillia Sunday in Richmond Hill.

Sunday's game saw Don Head opening the scoring for The Hill in the first period assisted by Mark Stevens and Ken Jensen.

Orillia came storming back with two quick goals before the period ending. **Masterful stickhandling**

The Wilson Niblett boys finally got into gear and tied the score on a masterful display of stickhandling by Mark Joslin ably assisted by Dave Noble.

The third period saw the Hillers scoring twice; once on a blistering shot by Dave Noble from Mark Joslin; the other when Don Head dug the puck from the corner and passed to Ken Jensen who set up Mark Stevens for

display of goaltending by Gord Stanway whose acrobatics brought applause even from the Barrie fans.

Rash of penalties
The final period saw Richmond Hill running into a rash of penalties which prevented them from going on the offensive and Barrie scored two more goals halfway through the period.

Richmond Hill finally got on the scoresheet on a great play by Mark Stevens who sent Ken Jensen in on a breakaway.

Bruce MacLean took a wicked slap shot on the knee and had to be assisted from the ice but the plucky defenseman was out skating at game's end.

The shots on goal were 29-10 in favour of Barrie. James Kennedy and Gord Stanway were the stars of the game as picked by Coach Wilson.

Realty bantams are busy, busy busy

The Richmond Hill Norm Black Realty Ltd., Bantam Seconds, under the guidance of coach Jim Stewart, are starting on a busy schedule to get ready for the league opener in Bolton Saturday.

Their first home game in league play will be on Nov. 22.

Last Saturday the Oak Ridges Kings Bantam first team handed the local

favourites a 4-1 setback.

No handle

The score could have been closer but Richmond Hill couldn't seem to find the handle in front of the net as they had many good chances but couldn't put the puck away.

It was a close contest with only one penalty to each team; the type of hockey that people want to see.

The play of Kenny Clague of Oak Ridges was a picture to watch and was overshadowed only by the tremendous netminding of Curtis Barry in the Richmond Hill nets.

Campbell injured

The injury to Scott Campbell was of a minor but painful nature and he should be ready for the league opener next week. Black's only goal came from

Dean Logan assisted by Norm Murphy and Gary Bubeloff.

Sunday night the Black's team journeyed to Thornhill and came up on the short end of a 1-0 score.

Again the goaltending was outstanding.

This game saw a total of 13 penalties, eight to Thornhill and five to Richmond Hill.
