

# Aurora eliminated minor soccer team

Well, the Bayview midget soccer team finally met their match. In the York County Championship game

October 31, the Bayview team lost 1-0 to the visiting Aurora squad. The Aurora team actually won the game by a fluke rather than by overpowering the Bayview team as it took two overtime periods for the only goal of the game to be scored. The midget soccer team proved their powers Nov. 7, by soundly defeating a number of Bayview teachers 4-1. The team members claim that the teachers gave

them a good workout, while the teachers claim that they actually let the midgets win so they wouldn't lose their confidence.

No rocks The back field at Bayview is finally being improved. No, we're not getting our long sought-after track, but at least most of the rocks are being removed. The areas from which rocks were removed have been re-graded and sodded.

Most Bayview students have been sporting T-

shirts with crests representing their various "houses" on them. These were designed by the house councils and are intended to be worn by all students participating in intramural competitions. The student council hopes Bayview jackets will be available to Bayview students in the very near future.

Although the football season is now over (at least for Bayview) a group of students are raffing off a large Bengal tiger (team mascot). The purpose of the draw is to raise money for a field trip. Tickets are being sold at 10 cents each or three for 25 cents. The

draw will take place November 28.

**Basketball**  
The famous Harlem Diplomats basketball team will be taking on the Bayview teachers in a fun-filled game January 9. Further details will be available at a later date.

The third dance this year at Bayview will feature the well known group Shooter. Shooter has appeared at Bayview on many occasions, including two appearances last year, once as the Greaseball Boogie Band, and once as Shooter. Both dances were well attended and well enjoyed. Shooter, famous for such songs as Long Tall Glasses (I Can

Dance), and Train, has one of the best stage shows going. Tickets are \$2.50 with a student card and \$3 without. Doors open at 8 p.m. November 15. That's this Saturday.

**Parents' night**  
Parents of Bayview students are reminded that parent's night is tomorrow evening (Nov. 13) from 7-10 p.m. This evening allows parents to talk with the teachers of their children and discuss any difficulties that the student may be having. Keep watching Richmond Hill's Channel 10 on Friday evenings at 8 to see all of the local schools in action. Bayviews' third live show is coming up soon

### legion report

Chris Ratchford

It has been quite a while since we last sat down for a quiet chat. Many things have been happening so we will give you the low-down on what's cooking.

First and foremost you know that our open crib tournament was a smashing success. Immediately following this (like the same evening) the bi-yearly Fuddle Duddle dance was also a success.

A week later saw our annual Halloween dance combine with the regular "Free & Easy" for another night of fun and frolic which received good support also. Rumors are flying that next year we will have a giant masquerade for Halloween. Start planning.

Beginning this month of November members of the colour party started off on the right foot. Winner of the October 50-50 draw was S.D. Hall of Skopit Rd, Richmond Hill. His lucky ticket was 9776.

During the evening a raffle was held on a painting by Mrs. Betty Barrett of Richmond Hill. Betty donated this painting to the colour party for this exact purpose. Lucky winners were Lola and Frank White of Carrville Road.

Thursday, Friday and Saturday saw Legionnaires and Air Cadets out in force with poppies. Poppy Chairman Bill Pollard sincerely thanks the merchants of the community for their staunch support of the poppy campaign for 1975. To all workers — deepest gratitude.

Sick parade has been kept to a bare minimum lately. At present we have Comrade Bill Simpson keeping tabs on Sunnyside while Comrade Fred Burgess does the same in York Central. Two walking wounded to report: Rene Souffrian and Frank White. Comrade Frank found out his boogy-woogy days are kaput. Sorry about that!

Due to the continuing mail strike we hope all members will take this column as their monthly news letter. Consequently we give you the dates of some coming events.

Nov. 15 — Country Bake Sale — 11 p.m. to 2 p.m. This is sponsored by the wives of the colour party and pipe band.

Nov. 21 — Legion Bowling Dance. Tickets at the door.

Nov. 22 — Branch 375 Ladies' Auxiliary Dance. Tickets \$2 each at the door.

It's a Moving World!

And we are here to serve its moving population. If you have just moved into a new home, call the Welcome Wagon hostess.
