When Santa arrived at Hillcrest Mall on Saturday, he was using a real antique sleigh — and a local one at that! Mr. and Mrs. Lampert of 16th Avenue kindly lent their sleigh to Santa for the coming Christmas season, to give it that extra traditional flavour.

While Santa arrived at Hillcrest on the sleigh, the Lampert family were celebrating something traditional too. Their son, Michael, was being married to Lily Somberano at the Church of the Annunciation in Don Mills and the reception was held at the home of Mr. and Mrs. Lampert.

**Parents' Council**  
At their last public meeting held on the second Tuesday of every month, the Thornhill Parents Council discussed whether their name should be changed to York County or South York Parents Council since they really speak on matters pertaining to a far greater area than just Thornhill. Also there is growing interest from the public in the investigatory work being carried out on professional development days, the high budget costs and general standards in schools today. These matters all interest people throughout the county. The next meeting will be held December 9. For more information please call Mike Bailey at 889-0891.

**Hillcrest bus**  
Now that the bus service to Hillcrest Mall is running smoothly, residents in the area would like to know the timetable, but there has been no information distributed, and the mail strike doesn't help matters. The route has a "zig-zag" path, but really does get there in the end! The route is from Hillcrest Mall to Richmond Heights Plaza, returning south down to Hillcrest Mall, Yonge St., Garden Avenue and to Fern and Duncan Road where it turns around and goes back to Hillcrest Mall again. The first bus leaves Fern Avenue at 7:35 a.m.; 9:35 a.m.; 11:00 a.m.; 2:35 p.m. and the last bus at 4:35 p.m. Returning from Hillcrest Mall, the buses leave at 7:20 a.m.; 9:20 a.m.; 11:20 a.m.; 2:20 p.m.; 4:20 p.m.; and 6:20 p.m. Good news for the cold winter ahead when a brisk walk to the mall could mean frozen fingers and toes!

**Blood Donors**  
The Red Cross is holding its November Clinic at St. Mary Immaculate Roman Catholic Church Hall this time. The date is tomorrow (November 20) and the times remain the same — 2-4 and 6-9 p.m. Do try to come out and bring a friend. Remember one perhaps sobering but timely thought — "The life you save may be your own".

Parton reading the scripture. Kirby Parton, trumpeter, played the Last Post, and Gina Allen accompanied the junior choir in the anthem, led by Mrs. Marguerite Jones. Rev. Allen Hallett preached a fine sermon on "Fear," and Mrs. Donald Reesor was organist.

**Attend concert**

Among them were Mr. and Mrs. Bill Hood, Mrs. Jim Hood, Mrs. Agnes Baker, Mrs. Russell Boyington, Mr. and Mrs. Ross Hord, Mr. and Mrs. William Miller, Aubrey Stephenson, Mrs. Bert Craigie, Miss Mary Rodick, Jack Rodick, Miss Rhea Scott, Mr. and Mrs. Edgar Fuller and Mr. and Mrs. Reg. ### TIPS FOR THE MOTORIST HOW TO AVOID BEING TOWED THIS WINTER

According to the weather experts, wind chill has a drastic effect on temperature. For instance, if you are standing stationary in a 20-mile-per-hour wind on a 34 degree day, wind chill temperatures will average colder than 34 degrees BELOW zero. Which gives you some idea of the dreadful cold absorbed by your car while it sits out on zero nights. It is truly a tribute to the engineers that cars start at all under these conditions.

There are very many items to be checked in a thorough winterizing of your car, though of course the major ones of plugs and points, battery and oil and automatic choke are most vital.

If you are like most of us humans, you will put this work off until the very last minute, or better still until your car has to be towed to the garage some frosty morning to have the work done.

The result is that nearly 80 percent of all winterizing work is handled by dealer's service shops in a few days each year. It is inevitable that the job be more hurried and less well done under these conditions.

Be an early bird and avoid the tow by making an appointment with our service department today.
