Approve St. Robert's extension

Approval from the Ministry of Education for the extension to St. Robert's School on Leslie Street in Thornhill was received Nov. 3, Trustee Ivan St. John reported to York Region Roman Catholic School Board at its meeting the following evening.

He said the tender call will be issued Nov. 11 and tenders will be opened by the board's facilities committee at 6:30 p.m. Dec. 2 in the board room.

The addition to the school will house the Grade 9 and 10 classes of the board's first junior high school now under operation in a relocatable complex to the north of the existing school.

Portable classrooms are being built by the board's own staff at St. Luke's, Thornhill, Schomberg and Keswick,

and two others will follow, Administrator Percy Laframboise reported.

He did not reveal the cost of these projects since tenders have been called for additional portables and he did not wish to jeopardize them.

He assured Richmond Hill Trustee Malcolm Peake the general maintenance program in the system's schools is not affected greatly by using staff on these construction projects, since additional people have been hired.

He also reported most defects in portables erected by contract during the summer have now been corrected and the driveway to Holy Name School in King has been completed.
