Super Bazaar!

is 'wow' success

hill minor hockey

By Bob Reeves

Well, that was a super bazaar that we held at the arena last Saturday.

It seemed like everyone in town dropped in at one time or another throughout the day.

I know it must be very gratifying to all the ladies involved, who after having worked so hard to put the bazaar together, to see it turn out so very well.

All I can say is thank you to everyone who worked so hard in the organization and operation of this most successful day.

You know that Jimmy the Clown was a great attraction all day long for the youngsters — and yes, oldsters as well.

He certainly brought a lot of smiles and laughter with him for all age groups and he sure did a great job with that big comb of his.

So thanks Jimmy for all the happiness you brought on Saturday.

Tea and sympathy
I spent considerable time at the Tea and Coffee Court and I know a lot of other people did.

It was a most pleasant addition and our thanks goes to the Senior Girls hockey team for their fine work there.

In particular I'd like to thank the boys on the Peewee A team for their fine work in distributing advertising for the Bazaar.

It was a big help boys and it is much appreciated.

And now, congratulations to Mrs. L. Nelson of Richmond Hill who won that beautiful Afghan but also won the Doggie and the \$25 gift certificate from Thrifty's.

You all came
I mentioned earlier it seemed like all of Richmond Hill turned out for this event and a special thanks goes to all the people who came and browsed and spent a little money to support the kid's playing hockey.

All in all it was a great day and thanks again ladies for all your hard work. What more can I say?

Las Vegas night
And now to Las Vegas! You know there are only five more days left before the big draw and, yes, tickets are still available for those of you who haven't been able to get them as yet.

We will have them at the arena all weekend — or until they are gone, so look us up on the weekend.

Next Monday — that's Dec. 8, the draw will take place on Channel 10 starting at 7 p.m. and ending at approximately 10:30 p.m.

The evening will be highlighted by the appearances of many special guests who will be dropping into the studio throughout the entire evening to both draw a ticket and have a chat about minor hockey.

It's going to be a great night so make a point of watching Cable T.V. on Monday. Better still, come on over to the arena's banquet hall and watch it there.

Refreshments, too
As you know, "refreshments" will be available along with several television sets to view the proceedings.

So make a point of getting a ticket on a second one this week and come out to visit us on Monday night. It will be a great evening.

Dance
And now Saturday evening, that's Dec. 6, the Minor Midgets and Minor Bantams are holding a dance at St. Mary's Roman Catholic Church.

Tickets are available from Pat Jones, Ray Floyd, Don Stonehouse and at the arena.

You know these dances are always a lot of fun so why not make a point of getting two tickets, one partner, make up a party and join in the fun on Saturday night. See you there.

No subsidy
And now for a more serious note. It has long been a policy of the Richmond Hill Hockey Association to take no part in accepting funds from any branch of government where the funds are drawn from the tax base of the community, province or nation.

Recently, once again, we declined to apply for assistance from council for funds to help with ice time. We prefer to finance our way using other methods.

There is no way I can agree with pensioners, neighbors and friends in town who pay more than enough taxes to far too many governments as it is, being burdened by minor hockey adding to the tax base.

I'm sure some people will disagree with this but that's the way it is going to be.

That's it for this week. See you at the dance on Saturday at St. Mary's and at the arena Monday night. In the meantime, "Happy Hockey!"
