York schools' Area 3 Superintendent Ken MacDonald attended the monthly meeting of Thornhill parents council to answer questions on teacher's contracts. He also explained what the Area 3 advisory committee does at its meetings and suggested that a parents' representative be present to hear what is taking place. The advisory committee is made up of teacher representatives from each school in Area 3, where issues of a more local nature are discussed.

The board of education will hold at its inaugural meeting for 1976 on Jan. 7. One way the public can discover why and how our education dollars are being spent is to become better acquainted with the board.

The inaugural meeting, to be held at Bayview high school, will be an opportunity to meet with board members in a social atmosphere, while enjoying music from choirs and bands of area schools.

With all that beautiful white stuff around, local skiers are warming up at Uplands ski-hole on Yonge St., south of Highway 7. They are opening this weekend, if the snow stays with us.

Roselawn senior public school's next coffee meeting is on Dec. 15 at 10 a.m. There will be further discussion on secondary school programs, and another topic of interest will be "What are the goals of our school?" — a controversial subject in itself!

Finland is a country we don't hear much about these days, yet Finnish influence is all about us in the saunas, invented by the Finns, and the "Y" eurythmic exercise program based on Finnish-style exercising.

Many Finnish residents in our area are busy making their Finnish Christmas spice cookies, called Pekarakuja (easier to eat than to pronounce).

For those who like traditional goodies from other countries, here is the recipe:  
2½ cups flour  
1 Egg  
1 cup Sugar  
½ cup dark corn syrup  
1 cup melted butter (½ shortening if preferred)  
1 tsp. Baking powder  
1 tsp. Cinnamon  
1 tsp. Cardamom  
¼ tsp. Allspice  
1 tsp. Ginger  
¼ tsp. Salt

Beat egg, add sugar and syrup. Mix mess.

Add melted butter. Sift flour with soda and spices and salt and add gradually.

Chill, roll thin and cut into shapes.

Bake at 325 degrees for 7-10 minutes till golden brown.

## Payment due Aurora told

Aurora council is far from eager to cough up \$2,800 which the York County Board of Education says the town owes in interest on late payment of taxes.

The board maintains the town underpaid the second instalment of 1975 tax levy by \$120,282 from June 30 to Sept. 30.

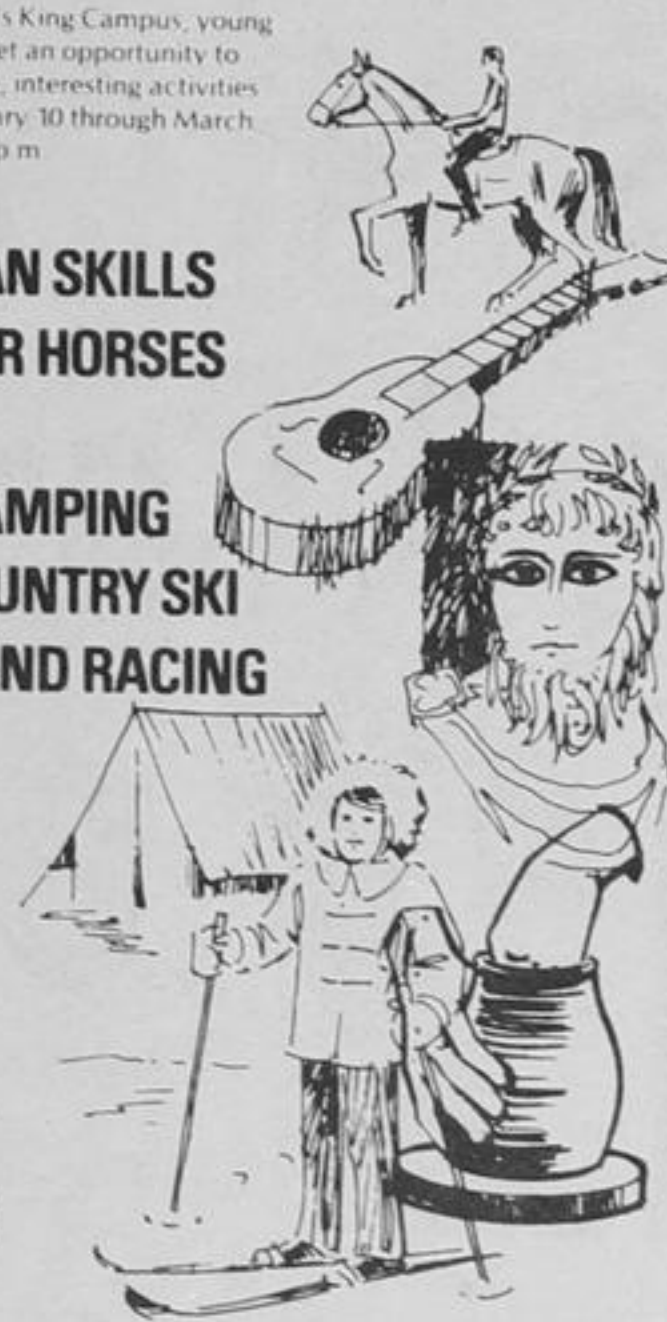

At last week's council meeting, Councillor George Timpson argued the board was late in making its requisition. "We shouldn't be penalized," he said.
