

# Bayview big winner at carnival

Correspondent

The Richmond Hill Winter Carnival is over for another year, and again Bayview High School dominated many of the events.

Due mostly to good student support, the school managed to win the toboggan race, the Grade 9 snow sculpture, and the Grade 10 snow sculpture.

The highlight of Saturday's high school competitions was, as usual, the tug-of-war, which shows high school rivalry at its finest.

The first heat saw Richmond Hill

## best of bayview

High get defeated by Bayview. In the final heat against Langstaff, Bayview had so much student support that we had to eliminate half our team in order to give Langstaff a fair chance, but nevertheless we regained our tug-of-war championship by soundly defeating them.

Lesley Shelton, Bayview's Year 5 Snow Princess, was chosen as second

runner-up in the snow queen competition.

The midget basketball team defeated Markham 52-32, on Feb. 6. Dave Genoa was high scorer for Bayview with 19 points, and Kevin Service played an outstanding defensive game.

The same night, the senior basketball team defeated Markham 53-30 in an excellent team effort.

The Bayview "Reach For the Top" team was defeated by the team from Central Peel of Brampton Feb. 10, in the studios of CKVR TV in Barrie.

This year's Bayview team progressed further in the tournament than any previous team from Bayview and finished within the top eight schools from Central Ontario.

Coach of the team was Neil Graveson, with help from Mr. Doug McEnteer.

The next Bayview dance, on Feb. 28, will feature Ian Thomas and Max Webster. Both are well known in Ontario and well worth seeing.

Prices have not yet been set for admission.

Bayview grads from previous years are reminded of Bayview's annual "Grad Nite" which will be held Feb. 27 at 7 p.m.

Besides seeing the grads participate against the teachers, and school teams, in various athletic activities, spectators can attend a live concert by Jim Linderman and Christene Becker.

Admission for the evening is 50 cents each.

## 30 attend WI party

## Plan two strategic moves.

Planning for the day you retire or buy your first home means having a master plan for your investment in the future. So we have two plans to help. A Registered Retirement Savings Plan, and a Registered Home Ownership Savings Plan. They both earn you valuable tax savings, and when you subscribe to either one, or both plans your contributions can be applied to any one, or a combination of these investment vehicles:

- Royal Bank RRSP and RHOSP Deposits.** Interest-bearing deposits with The Royal Bank of Canada, offering a high interest return, geared to the general deposit rate structure. Because of the long-term nature of these deposits, it is possible to pay a higher rate of interest than on conventional savings deposits.
- Income Fund.** High-yield bonds, deposit instruments and mortgages insured under the National Housing Act make up this portfolio which is actively managed by professionals. The policy is to achieve as high a

current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

- Equity Fund.** Investment mainly in Canadian common stock portfolio which is actively managed by the same professionals. Long-term capital growth with reasonable current income is the objective of this fund.

It's all in how you plan your strategy. Your Royal Bank manager can help you work out a master plan. Why not call or visit today. Now it's your move.
