

Old timer's night Saturday

THORNHILL — The Thornhill hockey fraternity is looking for its biggest victory ever, at the Thornhill Community Centre, Saturday evening. Not in a margin of goals, however, but in dollars, dollars for the York Central Association for the Mentally Retarded. While there will be two exciting hockey matches

— the scoring punch, in aid of this worthy cause is coming from the good people of the community, in the form of contributions. Except for donations to

the Mentally Retarded there are no tickets and no admission cost.

Dance
To further aid the cause a "welcome home team" dance (the Thornhill Originals, the group of then, minor hockey players and men who established minor hockey in Thornhill back in the 50s.) will be held as well. Everyone is most welcome and urged to

come and join in the reunion celebration; to meet many of their old neighborhood chums, and Thornhill's hockey heroes of yesteryear.

The festivities get underway at 7:30 p.m. as the Thornhill Oldtimers take on the Thornhill Lion's Club in the opening contest.

Brother Acts
The Oldtimers will be featuring two brother

acts, one, Jim, Al and Ron Anderson and the other being the Fisher Bros. Brent and Bill. Other outstanding members of this club, which gave the N.H.L. Oldtimers a heck of a good game a year ago, are John Killer in goal, Fred Disera, Bob Hall and Barry Beatie. Let's all come and cheer the Mentally Retarded fund on to victory.

is really thinking about the courts right now.

No, it might still be said that those days seem far away.

However, let me remind you that your membership renewable fees this year have to be paid by next Friday.

The reason for the earlier than usual date is due to the introduction of indoor pre-season tennis lessons which commence April 5.

You will appreciate that our resident coach, Ian Griffin, has much organizing and scheduling to do before this date.

Ian is ready and anxious to get started on the program and you can help by making early application for these lessons.

First come, first served

is the order of the day.

If you are determined to improve your tennis abilities, and aren't we all, you should take advantage of these lessons and be fitter and more able when the time comes to hit the courts.

So ignore today's weather, forget the snow and get those major applications in before Friday.
