UNIONVILLE — The Unionville Ratepayer Association will be holding their next meeting at John 23 Separate School tomorrow night (Thursday) beginning at 8 p.m.

Two very important matters, which are of interest to everyone in the community will be featured on the agenda.

One of these topics concerns the location of two new swimming pools proposed for Unionville; one indoors at the site of the Centennial Arena, and

another outdoor pool proposed to be built with surplus funds.

The second major item is the new shopping centre to be built at Carlton and Village Parkway.

A representative of the developer, Craigmere Construction, will be present to discuss developers alternatives, and the possibility of combining housing with the commercial buildings on the site.

Questions will be raised as to the value of the different alternatives to

the community, and possible detriments.

Daffodil Ball
The annual Daffodil Ball was held Friday night to mark the advent of cancer month coming in April.

A roast beef dinner was featured at 8 p.m., followed by dancing to the music of the well-known

Ellis McClintock orchestra.

Several exciting door prizes were donated for the event, which was held at the Firefighters' Club on Esna Park Rd. These included a trip for two to the Caribbean, a cord of firewood, and a radio.

Proceeds of the dance go to the cancer fund.
