MAPLE — The annual H.E.L.P. Book Sale still needs books.

The sale will be held April 2 at Woodbridge Anglican Church from 10 a.m. until 9 p.m.

Think of recycling some of those books the family have all read, and do your spring cleaning at the same time.

The Kirby Brock office in Maple Plaza is our local depot.

With so many books passing through and only a little time for censorship, who knows what you'll find for 10 to 50 cents?

A collection of leather-bound 1880 vintage trade magazines called Work will be sold. Of interest to even 1970s carpenters would be the detailed patterns and diagrams of fret work on Victorian gingerbread houses.

Also, there will be a group of new books for sale, some donated by McClelland Stewart Ltd.

### Good as new sale

A reminder that St. Andrew's Presbyterian Church is holding its annual Good as New sale Friday, from 7:30 to 9:30 p.m., and Saturday from 10 a.m. until noon.

### Special thanks

IGA coach Howard Porter, manager John Nicoll, assistant manager Peter Pflug and all the players wish to thank members of the Maple Hockey House League committee for a job well done during the 75-76 season.

### Registration

Registration for girls and boys ages 6 to 18 for the Maple Ball Association will be held on the following dates: April 3 at the Pancake Festival; April 21, in the Lion's Den at the Community Centre from 7 to 9 p.m., and in the Scout Hall May 1 from 9 a.m. to noon.

Late registration fee will be \$2. Anyone interested in helping out on these dates, please call Bruce Bousher at 832-2502.

## Police check puck speeds

A portable radar unit from York Regional Police will be used to check puck speeds during a contest at Maple Lions' annual Maple Sugar and Pancake Festival April 3. YRP will give official radar certified speed citations to each contestant and prizes will be given for various speeds. During a practice session, Constable David White checks the puck speed of

Maple girls' team players Terry Taring (centre) of Concord, and Leslie Hood of Thornhill. Midget and Juvenile boys' teams also took speed tests. Some of the speeds clocked were, by highway standards, illegal, with shots measuring as high as 80 m.p.h.

## Fantasia '76

# Unionville's skating show ready for the spotlights

UNIONVILLE — Final preparations now are under way for Unionville Figure Skating Club's annual Ice Fantasia.

The show will be presented April 23, 24 and 25 at

Crosby Memorial Arena, Unionville.

Every year, as soon as the ice is cleared and the costumes packed away from one program, next year's program is already being planned.

Theme of the carnival is carefully considered, and once it has been decided, work begins.

Costumes are designed and materials ordered, choreography and lighting arranged, and sets made.

In fact, the carnival has become a full year's work for members of Unionville Figure Skating Club.

### Volunteers busy

All work is done by volunteers. It is they who make the costumes and paint the sets, have programs printed and sell the tickets.

This year's show marks Ice Fantasia's 25th anniversary.

Theme of the first half of the program will be the Flintstones.

Included in the second half will be a salute to Ice Fantasia's 25 years.

Among skaters featured will be Vern Taylor, Canadian Junior Men's champion, and Karen Newton and Glen Laframboise, second runners-up in the Canadian Senior Pairs championship and Unionville club members.

Performance times vary for this year's show.

April 23, the show starts at 8:30 p.m. There's a matinee April 24 at 4:30 p.m. Tickets for these performances are \$1.50 and \$2.

There are shows April 24 at 8:30 and April 25 at 2 p.m. and 6 p.m. Tickets for these shows are \$2.50 and \$3.

For tickets, call the arena at 297-1542.

## Budget set for Vaughan roads

MAPLE — Vaughan council has announced its 1976 roads and transportation budget.

Total revenue is \$1,684,000, made up of a carry over from 1975 of \$200,000, subsidies in the amount of \$554,000 and general taxation of \$930,000.

Total expenditure is \$1,614,000 and is broken down into \$175,000 for engineering and overhead, \$19,200 for a debenture (Kirby and Rutherford), \$105,000 for transportation, \$560,000 for maintenance, \$194,800 for construction, and \$560,000 for new work.

This leaves a surplus of \$70,000 for additional projects during 1976.

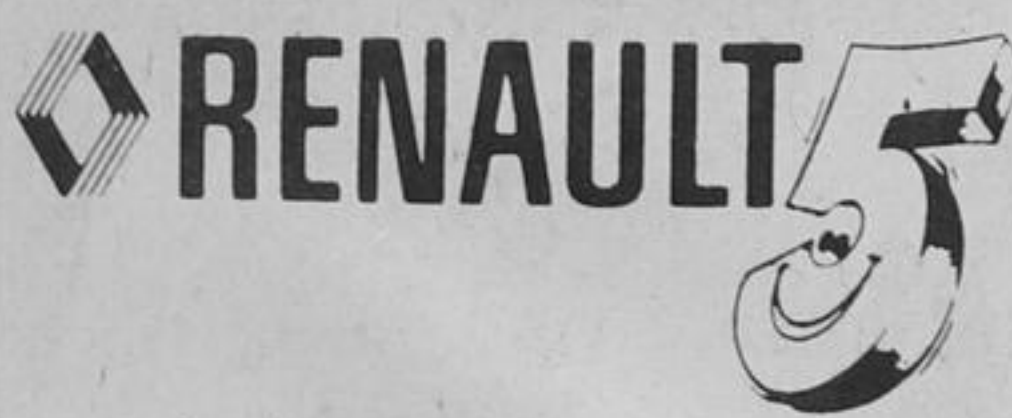

# WHAT'S CHEAPER THAN A RABBIT, QUICK AS A CIVIC, AND HAS A WIDER BACK SEAT THAN A PACER?

Renault 5, the most fun-to-drive little town-and-country car of them all, and the most practical.
