Never had a Pap Test? What are you waiting for?

The Pap Test is an early warning system. It can detect abnormalities that could lead to Uterine Cancer. It's so simple to have one. The only thing you have to do is ask your doctor. That's all. And it only takes a few minutes. But, most important, the Pap Test could save your life. And that's the best reason we could think of. So, what are you waiting for?

A 20% saving on a celebrated makers summer suit before the season starts... where else but at Jack Fraser!

\$99.00
Regular Price \$125.00

See yourself both handsome and suave in this new version of the ice cream suit scooped out of a bamboo stitch linen look 100% textured polyester. A wrinkle shedding fabric that provides day-after-day freshness and neatness for todays active lifestyle. The jacket is slightly shaped, the pockets are interestingly pleated, clever yet subtle stitching heightens the fashion look. What else can we say except it's available in great colour flavours of powder blue, beige, salmon, green; in sizes 36-44 and it is outstanding value. But hurry, these same suits will return to their regular price of \$125.00 on Monday, April 12th.
