Moose hunt opens fall

Moose hunting seasons for 1976 will open on the same dates as those in 1975, it was announced today by Natural Resources Minister Leo Bernier. Hunting pressure on the moose herd will again be moderated by seasons placed between the rut and snow-fall. Most seasons will open on a Monday this year. Hunters may wish to use the weekend to considerable advantage by scouting their prospective hunting areas and planning their hunt. The Territorial District of Parry Sound, Provisional County of Haliburton, District Municipality of Muskoka, County of Renfrew and parts of the counties of Frontenac, Hastings, Lennox and Addington and Peterborough north of Highway 7 will be open to moose hunting this year. "These additional hunting opportunities should be welcomed by Ontario's resident moose hunters," Mr. Bernier said. The primitive weapons season on the Aloune Peninsula will be opened to non-resident moose hunters this year. In much of the far north (Albany River area), where access is limited and hunting pressure is low, seasons will open between September 15 and September 27 for residents and between September 15 and October 4 for non-residents. Seasons close in these areas on December 15 and November 15 for residents and non-residents respectively. The season in northwestern and north central Ontario will be from October 4 to December 15 for residents and from October 11 to November 15 for non-residents. This season, in which residents will enjoy a week advantage over non-residents, has been extended northward in the Geraldton area. The area where only residents may hunt will open on October 4 and close on December 15. In the northeast, seasons will open on October 11 in most areas. Exceptions include an October 7 opening in the Hearst-Kapuskasing area and an October 18 opening around Kirkland Lake. The non-resident season will open one week later (October 18) than the resident season in areas between Sudbury and Sault Ste. Marie. Seasons will close two weeks earlier in the Hearst-Kapuskasing and the Temagami-Gogama-Chapleau-Timmins-Cochrane area. The two-week, residents-only hunt around North Bay has been extended southward to include areas north and east of Algonquin Park. Seasons will close on October 24 in the Sudbury and North Bay area. In the Hearst-Kapuskasing area, the resident and non-resident seasons will close on November 15. In most other areas of the northeast (except the far north), the seasons for both residents and non-residents will close on October 31. The residents-only season in the Parry Sound, Haliburton, Muskoka, Renfrew, Bancroft and Peterborough areas will open on November 1 and close on November 6. An archery season will again be provided in the Timmins area in 1976. This season will open September 20 and close on October 10 for both residents and non-residents.

Florida vacation marred by flu bug A bout with the flu registry, it would have to stay at least 18 miles at sea, where the water is reported to be much rougher. The cruise featured three stops. The first at Cozumel, Mexico found the Bolero anchored next to the Odessa, a Russian cruise ship. Most of its passengers were from the USA, having boarded at New Orleans. They reported the fare on the Russian ship was about half the price of that on other cruise ships. It was headed for South American ports. Many Bolero passengers took advantage of a shore excursion to the Yucatan Peninsula to view some Mayan ruins. Others shopped on the island, where small motorcycles were the chief means of transportation and storekeepers observed a siesta time from 1 to 4 p.m. The second stop was in Montego Bay, Jamaica, with its great contrasts between the affluent visitor in the beautiful hotels and the more than 20 per cent of the population who are unemployed and who receive no welfare assistance.

Travel From TALK Harry Elkins Waddell's World of Travel Ltd. SOME TRAVEL TIPS One of the keys to packing is the ancient maxim: "Divide and conquer." Follow it and the entire operation will be neat and tidy. Plastic bags in variety of sizes can hold stockings, undergarments, gloves and scarves and keep them from getting separated. When you're traveling with the spouse and kids, there's no need to stick together in museums or shopping markets. Your interests may not be the same. Separate and compare notes afterward. Since you will probably send more postcards than letters, buy the cards early in your trip, address all of them and carry them with you. Then during snatches of waiting time - on a sightseeing bus before the start, at railway stations and airports - you can write the messages. If you say waiting, don't take city sightseeing tours on a Sunday. You will only see soundless streets and empty buildings. Go out into the countryside. Green fields and rolling hills are a refreshing break from the traveler's routine. WADDELL'S WORLD OF TRAVEL, LTD., 10084 Yonge St. Richmond Hill. Phone: 884-9271 - 889-2882.
