# Hits of Fifties dance Saturday

MAPLE — Saturday's the night for nostalgia — and a lot of fun. Hunt through your (or your parents') old clothes, rev up the Edsel and come to the Hits of the Fifties dance.

In addition to dancing, there'll be games, prizes, a buffet, and bars, soda and otherwise.

The event begins at 8 p.m. at Maple Arena, Keele Street.

"We've done everything possible to make this an entertaining evening for everyone," says June Hills, an organizer of the dance.

Tickets may be obtained at the door or by calling Mrs. Hills at 832-1057 or Don Hasselfelt at 832-2534.

This is a joint fund-raising effort for boys' and girls' hockey in Maple and for local Scout activities.

### Forest Week-head

National Forest Week will be observed from May 2 to 8.

Theme will be "Forests — part of all our lives".

The week is sponsored by the Ontario Forestry Association and the Canadian Forestry Association with co-operative agencies including Ontario ministry of natural resources, conservation authorities, forest industries and others.

Although no special activities are planned for Maple this year, all citizens are welcome to walk and visit the areas on their own.

Information pamphlets and maps will be supplied upon request.

Last year a tour was conducted in the Maple area but currently, they are busy planting more than a half million trees. However, a tour is planned for sometime this fall.

### Cancer Month-head

April is cancer month throughout the

country.

If you wish to make a contribution and have not yet been approached by a canvasser, please contact Pat Hoare at 832-1575, or Anne Fowler at 832-1204.

The Maple branch of the Canadian Cancer Society is very active in this area.

Last year, 12 volunteer drivers drove patients 46 trips, covering a total of 926 miles.

Cancer patients are referred by doctor to the Maple branch, then the Service to Patients chairman visits them to see if transportation, dressings, and drugs are needed, to supply nursing needs, and explain types of prosthesis available.

The Education chairman distributes pamphlets to industry, stores and schools throughout the area in the hope people will become more aware of the importance of regular medical checkups and the hazards of smoking.

In memoriam donations can be given by contacting Patsy Maclachlan at 832-1560.

### Regimental Service

Sunday, at 11 a.m., the Spring Regimental Service of veterans of the old 3rd battalion, together with members of the Royal Regiment of Canada and allied units, will be held in St. Stephens Anglican Church, Maple, with Major Norman Ballard, D.S.O., as guest preacher.

Major Ballard was a gallant officer of the 48th battalion which spearheaded the Canadian advance on Rome in World War Two.

His platoon was in advance of the main battalion when they ran into a strongly fortified machine gun emplacement.

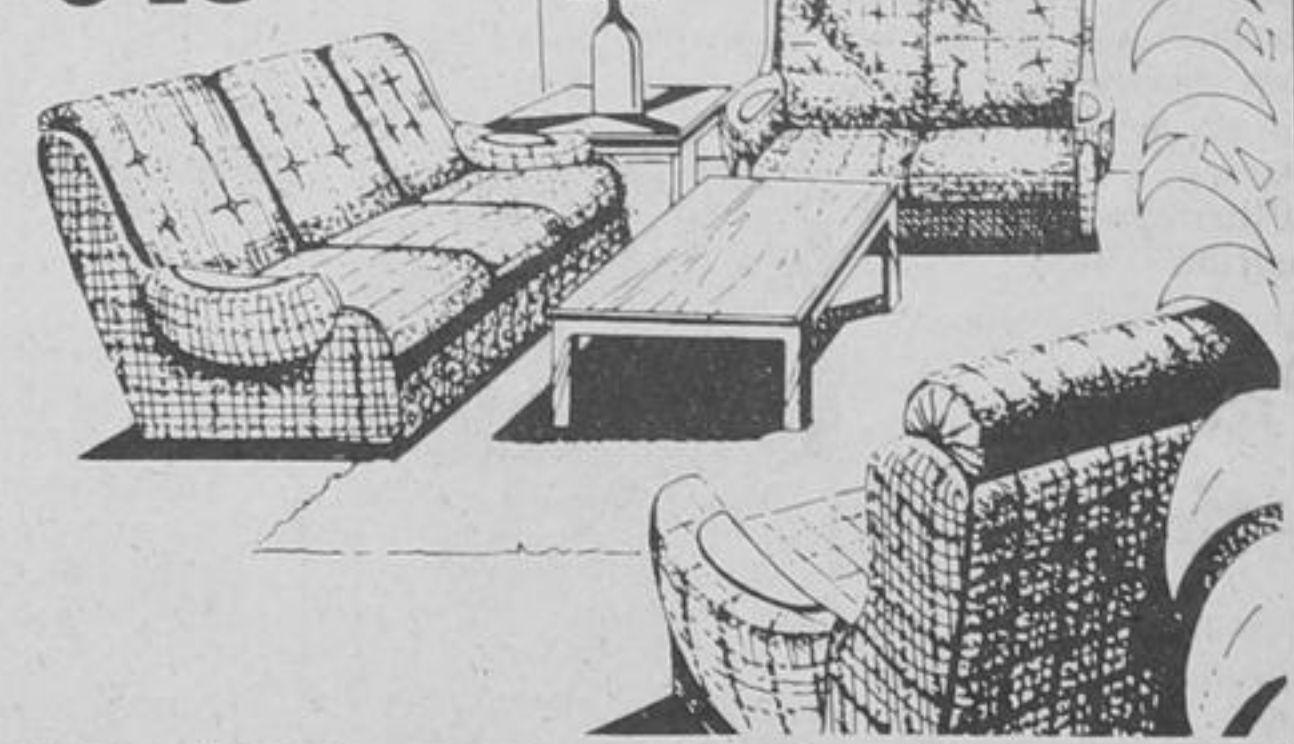

With his ammunition gone, he charged ahead of his platoon and by commando tactics captured four enemy machine gunners.

This feat led to the surrender of 20 more soldiers.

In the estimation of competent military observers and war correspondents, this episode turned the tide of battle cracking the Hitler Line, with the fall of Rome six days later.

## Seniors visit Ottawa for tulips and tours

VAUGHAN — Senior citizens of Vaughan Town have a number of activities planned for the coming months, among them a four-day trip to Ottawa during the tulip festival.

The trip, from May 20 to 23, has been planned to include luxury coach travel and luxury hotel accommodation for three nights, boat cruises on either the Rideau Canal or the Ottawa River, a three-hour guided tour of the city, and a number of other highlights.

Cost of the trip, excluding meals, is \$85. There are still only a few confirmed passengers. Anyone interested can call Louise Cooper at 832-2408.

Since there is little time, and there are still a good number of vacant seats, inquiries from non-senior citizens would be welcomed as well.

Euchre Night

The Thornhill senior citizens enjoyed their

annual spring Euchre, held Tuesday in the Holy Trinity Anglican Church hall, Brooke Street, Thornhill.

Woodbridge senior citizens are working on their third annual Variety night, being held again this year in Woodbridge High School, May 12 at 8 p.m.

Today, (Wednesday), the Cabinet of the Senior Citizens of Vaughan will meet, as guests of the Thornhill senior citizens group. The meeting begins at 1:30 p.m. in their quarters in the Gallanough Library.

Matters of interest to all senior citizens in the area will be discussed.
