## Hill ball coaches

By Ann Thorpe

**RICHMOND HILL** — Sixty persons attended the Richmond Hill Minor Ball Association Open meeting Monday night of last week which saw the coaches assigned to the various house league teams.

The coaches will be telephoning all registered boys and girls within the next two weeks.

### Umpire's Clinic

The umpire's clinic for training young umpires has now been completed with a large turn-out by many interested boys and girls wishing to umpire house league games in Bradstock Park this season.

Another get-together will be arranged these girls and boys at a later date. Umpire-in-chief Ed Deminiuk will be contacting all those who were in attendance to finalize these plans.

### Announcement

Greg Walton has been appointed assistant umpire-in-chief. Walton has quite a bit of experience in umpiring games and was a big asset to the house league last season.

### Girls Pitchers' Clinic

A girls pitchers' clinic will be held today (Wednesday) and tomorrow in the gymnasium at Crosby Public School from 6:30 p.m. to 9:30 p.m. and will feature the pitching abilities of Arlene Best. This clinic is run free of charge and all interested girls are invited to attend.

### Spring Dance

A Spring dance will be held June 5 at St. Mary's Immaculate Church on Yonge Street at 8:30 p.m. featuring the music of Peter Murray.

Tickets are \$5 and include a buffet. They are available from all executive members and from most coaches, or call Anne Thorpe at 881-4081 and reserve your seat now. The 50-50 draw will also be drawn at this dance.

The 1976 Richmond Hill Minor Ball Association will get underway on May 25 with two exhibition games consisting of 30 house league teams in action on three diamonds in Bradstock Park and two diamonds at MacKillop School.

The schedule: Tuesdays, T-Ball diamonds three, four and five (MacKillop School); Senior girls, diamonds one and two (Bradstock Park).

Wednesdays, Tyke boys, Diamonds four and five (MacKillop School); Pee-wee, diamonds one, two and three (Bradstock Park).

Thursdays, Squirts, diamonds one and two (Bradstock Park); Junior girls, diamonds three, four and five (MacKillop School). All games begin at 6:30 p.m. sharp.

Conveners for these divisions are as follows: T-Ball Ernie Ferrando 884-2883; Tyke boys, Dave Porter 884-1281; Junior

mounds from last season. If you have any of these in your possessions, please return same to equipment manager, George Nelson at 241 Neale Drive or call him at 884-6028.

### Bantam Boys

The association is trying to incorporate a bantam boys league but lack enough registration.

If you are 14, 15, 16 or 17 years of age and would like to play house league softball in the bantam division, please call Anne Thorpe at 881-4081.

### Return of Equipment

The association is missing a few home plates and pitchers'

# Datsun's rust buster.

## Datsun's F-10 uses a special new metal that fights rust.

The new F-10 is built with the latest anti-rust techniques and materials. It starts, even before the car is built, with Zincrometal, a corrosion resistant metal. We use it in critical places where rust is apt to strike, like rocker panels and suspension members. Then, as the F-10 is assembled, we go on to apply rust-preventative compounds and water resistant sealers to more parts of the car than you may have imagined. Rust-proof plastic liners in the front wheel wells add even more protection. When we're through, the F-10 has one of Canada's most up-to-date and comprehensive rust protection treatments, and it's all included in the price of every F-10.

Advanced anti-corrosion treatments are just the least visible of the many extra-value features Datsun builds into the F-10. Even the lowest-priced 2-door Sedan comes with over \$500<sup>00</sup> worth of standard features for which you have to pay extra on many cars in the F-10's price range.

Every F-10—Sedan, Wagon and Hatchback—comes fully equipped with rear window

defogger, tinted glass, carpeting, chrome window trim, console with package tray, wheel covers, heavy-duty battery, bumper over-riders, flow-through ventilation, and accoustical insulation to cut down road and engine noise.

All F-10 models have front wheel drive for better traction and safer handling. The rally-proven 1.4 litre engine is mounted sideways on a long 94" wheelbase to give you plenty of room inside. And according to 1976 E.P.A. tests, you can expect up to **40m.p.g.** in combined highway/city driving, depending on the way you drive.

See the remarkable new F-10 at a Datsun dealer soon. With all its extra value, the F-10 is still priced with the lowest priced cars in Canada.

**DATSUN** The best-selling import in North America.<sup>†</sup>
